Gossamer Wing: Delphine Dryden 2013-11-05 A SPY, AN AIRSHIP, AND A BROKEN HEART. After losing her husband to a rogue French agent, Charlotte Moncrieffe wants to make her mark in international espionage. And what could be better for recovering secret long-lost documents from the Palais Garnier than her stealth dirigible, Gossamer Wing? Her spymaster father has one condition: He won’t send her to Paris without an ironclad cover. Dexter Hardison prefers inventing to politics, but his title as Makesmith Baron and his formidable skills make him an ideal husband-imposter for Charlotte. And the unorthodox undercover arrangement would help him in his own field of discovery. But from Charlotte and Dexter’s marriage of convenience comes a distraction—a passion that complicates an increasingly dangerous mission. For Charlotte, however, the thought of losing Dexter also opens her heart to a thrilling new future of love and adventure.

Rajhan Khanna 2014-10-07 Ben Gold lives in dangerous times. Two generations ago, a virulent disease turned the population of most of North America into little more than beasts called Ferals. Ben, a lone wolf, has reluctantly agreed to use his skills and his airship to help an idealist scientist, Miranda, on her search for a cure. Protecting her from Ferals is dangerous enough but when power-hungry raiders run rampant, Ben finds himself in the most dangerous place of all—the ground. Ben’s journey leads him to Gastown, a city in the air recently conquered by belligerent and expansionist pirates. Old friends and new enemies are drawn into a struggle that quickly becomes a fight for the fate of the world. Ben must decide to focus on his own survival or risk it all on a desperate chance for a better future. From the Trade Paperback edition.
