Diversified - Definition, Meaning & Synonyms | Vocabulary.com

Webdiversified. When something is diversified, it is diverse, meaning varied. If your investments are diversified, it means you have put money in more than one place: real estate, stocks, bonds, race horses, gold, alligator farms, and so on. Diverse comes from a medieval Latin word diversificare, meaning "make dissimilar." If you have diversified something, you have made its parts different from each other.

About Diversified - Diversified

WebDiversified was formed in 1993 as a full-service systems and media technology integration company, originally addressing the technical needs of the broadcast, audio-visual, IT and RF market segments. However, as the market needs continued to grow and evolve, so did Diversified's service offerings. Over the years, the company made a series of strategic investments and acquisitions that not only expanded their portfolio of expertise but also ...
