Cunley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redeemable—even when Conley’s savvy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

When a Girl Loves an Earl
Elisa Braden 2016-08-30 What a girl wants... Miss Viola Darling always gets what she wants. Always. And what she wants more than anything is to marry James Kilbrennen, the Earl of Tannenbrook. She’s fallen for him the hard way, tactfully, subtly, and she positively will have no other. The problem? He’s not interested. Not even a little. But Viola cannot afford to lose. And she has her heart set on James. If only he will bend to a bit of persuasion. In an earl no other… James Kilbrennen knows how determined the entirely-too-beautiful Miss Darling can be—the daft woman cornered him at a perfectly respectable dinner andmanaged his cravat before he could escape. He has no desire to marry, less desire to pursued, and will certainly not kiss her kissable lips until they are both breathless, no matter how tempting he may be. And only the right one will do... Thrown in her path by a meddling marchioness, James finds himself under sexual siege from a tiny, flirtatious sprite who puts both his heart and his vow to remain unwed at risk. And when scandal looms, he learns the hard way that a man can resist only so long before the indomitable Miss Darling gets her way.

Deadlock
Sara Paretsky 2011-02-09 When Chicago Black Hawk hockey legend Boom Boom Warshawski slips off a wrath and drown in Lake Michigan, his private-eye cousin questions the accidental death report and rumors of suicide. Armed with a bottle of Black Label and a Smith & Wesson, V.I. follows a trail of violence and corruption to the center of the Windy City’s powerful shipping industry. Dodging elaborate attempts on her life with characteristic grit and humor, the one-of-a-kind detective sends her way through a maze of grain elevators and thousand-ton freighters, ruthless businessmen and glamorous ballerinas, to ferret out Boom Boom’s killers before they phase her out of the picture—permanently. Praise for Deadlock: “V.I. Warshawski is one of the best . . . smart, tough, sexy.—”Daily News (New York) “Sara Paretsky makes excellent use of local backgrounds in a carefully plotted tale of murder and great misdeeds in the world of Great Lakes cargo shipping.”—Chicago Tribune “Hard-boiled detective fiction . . . a swift-paced and engrossing read.”—The Philadelphia Inquirer “Sleuths with suspense!”—Chicago Sun-Times
