Earned Value Management (EVM): Basic Concepts

and Benefits

Jan 29, 2021 · Earned value (EV) = Total project cost x % actual work: This number refers to the project's actual cost, even if you strayed from your original schedule. For example, if you budgeted \$10,000 for a six-month project and completed just 25% of the work after three months, the EV is \$2,500.
