**Labour Relations in South Africa** Matthew Grossett 2003 The South African labour market has undergone unparalleled reformations since 1994. This textbook, which is up to date with all the current legislation, provides a comprehensive text for students at tertiary institutions. It is also a valuable reference for Industrial Relations practitioners.

**Contemporary Economic Issues** H. Wolf 2016-07-27 This volume contains chapters on a range of topics which include economic methodology in macroeconomics, central bank independence, policy signalling, public policy as second best analysis, the determinants of economic growth, a continuum approach to unemployment policy, and pensions. The volume dispels the notion that these are largely unrelated issues and illustrates the merger process which is taking place between hitherto rather separate economic sub-disciplines. They move the focus of attention and challenge received wisdom.
