The Football Girl Thatcher Heldring 2017-04-04 For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of The Running Dream by Wendelin Van Draanen, Grace, Gold, and Glory by Gabrielle Douglass and Breakaway: Beyond the Goal by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's Dairy Queen and Miranda Kennally's Catching Jordan."-SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."-Booklist "Tessa's ferocious competitiveness is appealing."--Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."--The Horn Book

The Never Hero T. Ellery Hodges 2014-09-12 What if when you died, no one would ever know you were all that stood between man and the enemy?When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, The Never Hero is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory.In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice. *Choker* Elizabeth Woods 2012-03-01 Sixteen-year-old Cara Lange has always been a loner, even more so since she moved away from her best and only friend, Zoe, a few years ago. Cara mostly spends her time avoiding the popular girls who call her "choker" after a humiliating incident in the cafeteria, and watching Ethan Gray from a distance, wishing he would finally notice her. Then one day Cara comes home and finds Zoe waiting for her. Zoe's on the run from problems at home, and Cara agrees to help her hide. With Zoe back, Cara's life changes overnight. Zoe gives her a new look and new confidence, and before she can blink, Cara is flirting with Ethan and getting invited to parties. And best of all, she has her best friend to confide in again. But just as quickly as Cara's life came together, it starts to unravel. A girl goes missing in her town, and everyone is a suspect - including Ethan. Worse still, Zoe starts behaving very strangely, and Cara begins to wonder what exactly her friend does all day when she's at school. You're supposed to be able to trust your best friend no matter what, but what if she turns into a total stranger? *The King's Army* James B. Wood 2002-07-18 Historians have long ignored the military aspect of the wars of religion which raged in France during the late sixteenth century, dismissing the conflicts as aimless or hopelessly confused. In contrast, this meticulously researched analysis of the royal army and its operations during the early civil wars brings warfare back to the centre of the picture. James B. Wood explains the reasons for the initial failure of the monarchy to defeat the Huguenots, and examines how that failure prolonged the conflict. He argues that the nature and outcome of the civil wars can only be explained by the fusion of religious rebellion and incomplete military revolution. This study makes an important contribution to the history of military forces, warfare and society, and will be of great interest to those engaged in the debate over the 'Military Revolution' in early modern Europe.

Fates Lanie Bross 2014-02-11 Perfect for fans of Jennifer Armentrout, Julie Kagawa, Rachel Vincent, and Sarah J. Maas, and for girls who love all things pretty, romantic and inspirational. One moment. One foolish desire. One mistake. And Corinthe lost everything. She fell from her tranquil life in Pyralis Terra and found herself exiled to the human world. Her punishment? To make sure people's fates unfold according to plan. Now, years later, Corinthe has one last assignment: kill Lucas Kaller. His death will be her ticket home. But for the first time, Corinthe feels a tingle of doubt. It begins as a lump in her throat, then grows toward her heart, and suddenly she feels like she is falling all over again--this time for a boy she knows she can never have. Because it is written: one of them must live, and one of them must die. In a universe where every moment, every second, every fate has already been decided, where does love fit in? "Different and imaginative."--Kirkus Reviews

The Red Umbrella Christina Diaz Gonzalez 2011-12-13 The Red Umbrella is a moving tale of a 14-year-old girl's journey from Cuba to America as part of Operation Pedro Pan--an organized exodus of more than 14,000 unaccompanied children, whose parents sent them away to escape Fidel Castro's revolution. In 1961, two years after the Communist revolution, Lucia Álvarez still leads a carefree life, dreaming of parties and her first crush. But when the soldiers come to her sleepy Cuban town, everything begins to change. Freedoms are stripped away. Neighbors disappear. And soon, Lucia's parents make the heart-wrenching decision to send her and her little brother to the United States--on their own. Suddenly plunked down in Nebraska with well-meaning strangers, Lucia struggles to adapt to a new country, a new language, a new way of life. But what of her old life? Will she ever see her home or her parents again? And if she does, will she still be the same girl? The Red Umbrella is a touching story of country, culture, family, and the true meaning of home. "Captures the fervor, uncertainty and fear of the times. . . . Compelling."--The Washington Post "Gonzalez deals effectively with separation, culture shock, homesickness, uncertainty and identity as she captures what is also a grand adventure." --San Francisco Chronicle

The Girl Who Wrote in Silk Kelli Estes 2015-07-07 A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core--and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Fegredo.

Dialogues between Media Paul Ferrai 2021-01-18 Comparative Literature is changing fast with methodologies, topics, and research interests emerging and reemerging. The fifth volume of ICLA 2016 proceedings, Dialogues between Media, focuses on the current interest in inter-arts studies, as well as papers on comics studies, further testimony to the fact that comics have truly arrived in mainstream academic discourse. "Adaptation" is a key term for the studies presented in this volume; various articles discuss the adaptation of literary source texts in different target media - cinematic versions, comics adaptations, TV series, theatre, and opera. Essays on the interplay of media beyond adaptation further show many of the strands that are woven into dialogues between media, and thus the expanding range of comparative literature.

Emilie and the Sky World Martha Wells 2014-03-04 When Emilie and Daniel arrive in Silk Harbor, Professor Abindon, an old colleague of the Marlendes, warns them that she's observed something strange and potentially deadly in the sky, a disruption in an upper air aether current. But as the Marlendes investigate further, they realize it's a ship from another aetheric plane. It may be just a friendly explorer, or something far more sinister, but they will have to take an airship into the dangerous air currents to find out. Emilie joins the expedition and finds herself deep in personal entanglements, with an angry uncle, an interfering brother, and an estranged mother to worry about - not to mention a lost family of explorers, the strange landscapes of the upper air, and the deadly menace that inhabits the sky world.

In Or Out Claudia Gabel 2007 A lot changes in the lives of best friends Marnie and Nola when they enter ninth grade as bubbly Marnie craves to be part of the in-crowd and shy Nola is content to stay on the social outskirts. Original.

The First Lie Diane Chamberlain 2013-06-04 An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel Necessary Lies (September 2013). The First Lie gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth--all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving life in the segregated South. Advance praise for Diane Chamberlain's Necessary Lies: "It will steal your heart."-Katrina Kittle, author of The Blessings of the Animals "An emotional powerhouse." -Mary Alice Monroe, New York Times bestselling author of Beach House Memories "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."-Christina Schwarz, New York Times bestselling author of Drowning Ruth

The Cambridge Handbook of Compliance Benjamin van Rooij 2021-05-20 Compliance has become key to our contemporary markets, societies, and modes of governance across a variety of public and private domains. While this has stimulated a rich body of empirical and practical expertise on compliance, thus far, there has been no comprehensive understanding of what compliance is or how it influences various fields and sectors. The academic knowledge of compliance has remained siloed along different disciplinary domains, regulatory and legal spheres, and mechanisms and interventions. This handbook bridges these divides to provide the first one-stop overview of what compliance is, how we can best study it, and the core mechanisms that shape it. Written by leading experts, chapters offer perspectives from across law, regulatory studies, management science, criminology, economics, sociology, and psychology. This volume is the definitive and comprehensive account of compliance.

Through the Language Glass Guy Deutscher 2010-08-31 A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how--and whether--culture shapes language and language, culture Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language--and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the foundations of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is--yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon, from how to name the rainbow to why Russian water--a "she"--becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial. Audacious, delightful, and field-changing, Through the Language Glass is a classic of intellectual discovery.

Faking Normal Courtney C. Stevens 2014-02-25 An edgy, realistic debut novel praised by the New York Times bestselling author of Between Shades of Gray, Ruta Sepetys, as "a beautiful reminder that amid our broken pieces we can truly find ourselves." Alexi Littrell hasn't told anyone what happened to her over the summer by her backyard pool. Instead, she hides in her closet, counts the slats in the air vent, and compulsively scratches the back of her neck, trying to make the outside hurt more than the inside does--and deal with the trauma. When Bodee Lennox--"the Kool-Aid Kid"--moves in with the Littrells after a family tragedy, Alexi discovers an unlikely friend in this quiet, awkward boy who has secrets of his own. As their friendship grows, Alexi gives him the strength to deal with his past, and Bodee helps her summon the courage to find her voice and speak up about the rape that has changed the course of her life.

Chantress Amy Butler Greenfield 2013-05-07 Lucy's Chantress magic will make her the most powerful--and most hunted--girl in England in this "richly and thoughtfully written" story (Publishers Weekly). "Sing, and the darkness will find you." This warning has haunted Lucy ever since she was shipwrecked on a lonely island. Lucy's guardian, Norrie, has lots of rules, but the most important is that Lucy must never sing. Not ever. But on All Hallows' Eve, Lucy hears a tantalizing melody on the wind. She can't help but sing along--and she is swept into darkness. When she awakes in England, Lucy hears powerful men discussing Chantresses--women who can sing magic into the world. They are hunting her, but she escapes and finds sanctuary with the Invisible College, an organization plotting to overthrow the nefarious Lord Protector. The only person powerful enough to bring about his downfall is a Chantress. And Lucy is the last one in England. Lucy struggles to master the song--spells and harness her power, but the Lord Protector is moving quickly. And her feelings for Nat, an Invisible College apprentice and scientist who deeply distrusts her magic, only add to her confusion... Time is running out, and the fate of England hangs in the balance in this entrancing novel that is atmospheric and lyrical, dangerous and romantic.

A Thousand Pieces of You Claudia Gray 2014-11-04 Cloud Atlas meets Orphan Black in this epic dimension-bending trilogy by New York Times bestselling author Claudia Gray about a girl who must chase her father's killer through multiple dimensions. Marguerite Caine's physicist parents are known for their groundbreaking achievements. Their most astonishing invention, called the Firebird, allows users to jump into multiple universes--and promises to revolutionize science forever. But then Marguerite's father is murdered, and the killer--her parent's handsome, enigmatic assistant Paul--escapes into another dimension before the law can touch him. Marguerite refuses to let the man who destroyed her family go free. So she races after Paul through different universes, always leaping into another version of herself. But she also meets alternate versions of the people she knows--including Paul, whose life entangles with hers in increasingly familiar ways. Before long she begins to question Paul's guilt--as well as her own heart. And soon she discovers the truth behind her father's death is far more sinister than she expected. A Thousand Pieces of You explores an amazingly intricate multi-universe where fate is unavoidable, the truth elusive, and love the greatest mystery of all.

The Last Forever Deb Caletti 2014-04-01 Beginnings and endings overlap in this soaring novel of love and grief from Printz Honor medal winner and National Book Award finalist Deb Caletti. Nothing lasts forever, and no one gets that more than Tessa. After her mother died, it's all Tessa can do to keep her friends, her boyfriend, and her happiness from slipping away. And then there's her dad. He's stuck in his own haze, and it's so hard to feel like a family when their house no longer seems like a home. Her father's solution? An impromptu road trip that lands them in Tessa's grandmother's small coastal town. Despite all the warmth and beauty there, Tessa can't help but feel even more lost. Enter Henry Lark. He understands the relationships that matter. And more importantly, he understands her. A secret stands between them, but Tessa's willing to do anything to bring them together--because Henry may just be her one chance at forever.

A Taxonomy of Love Rachael Allen 2018-01-09 A YA romance--with a sparkling commercial voice and a dash of science--that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

Love, Lucas Chantele Sedgwick 2015-05-05 A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her--from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's the when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers--picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Blue-Haired Boy Courtney C. Stevens 2014-03-04 Set before the events of Courtney C. Stevens's debut novel, Faking Normal, this digital short story focuses on Bodee Lennox, otherwise known as the Kool-Aid Kid. Bodee Lennox has secrets. About where he got the four-inch scar on his leg. About the bruises on his back. About what it's really like to live in the Lennox household. These are things he doesn't share with anyone . . . until he meets Gerry, a girl with bright-green hair and a smile the size of Alaska. When Gerry falls out of a bus in Rickman, Tennessee, and lands at Bodee's feet, she gives Bodee two things he desperately needs: a friend and a chance to leave Rickman behind, even if it's just for a few hours. He joins Gerry on her epic bus trip for as far as his money will take him. And by the end of the day, more of Bodee has changed than just the color of his hair. Epic Reads Impulse is a digital imprint with new releases each month.

How I Paid for College Marc Acito 2004-09-07 A deliciously funny romp of a novel about one overly theatrical and sexually-confused New Jersey teenager's larcenous quest for his acting school tuition It's 1983 in Wallingford, New Jersey, a sleepy bedroom community outside of Manhattan. Seventeen-year-old Edward Zanni, a feckless Ferris Bueller-type, is Peter Panning his way through a carefree summer of magic and mischief. The fun comes to a halt, however, when Edward's father remarries and refuses to pay for Edward to study acting at Juilliard. Edward's truly in a bind. He's ineligible for scholarships because his father earns too much. He's unable to contact his mother because she's somewhere in Peru trying to commune with Incan spirits. And, as a sure sign he's destined for a life in the arts, Edward's incapable of holding down a job. So he turns to his loyal (but immoral) misfit friends to help him steal the tuition money from his father, all the while practicing for his high school performance of Grease. Disguising themselves as nuns and priests, they merrily scheme their way through embezzlement, money laundering, identity theft, forgery, and blackmail. But, along the way, Edward also learns the value of friendship, hard work, and how you're not really a man until you can beat up your father--metaphorically, that is. How I Paid for College is a farcical coming-of-age story that combines the first-person tone of David Sedaris with the byzantine plot twists of Armistead Maupin. It is a novel for anyone who has ever had a dream or a scheme, and it marks the introduction to an original and audacious talent.

Soulprint Megan Miranda 2015-02-03 This stunning futuristic love story from New York Times bestselling author Megan Miranda asks the question: How far would you go to escape the past? Seventeen-year-old Alina Chase has spent her entire life imprisoned on a secluded island--not for a crime she committed in this lifetime, but one done by her past self. Her very soul is like a fingerprint, carried from one life to the next--and Alina is sick of being guilty. Aided by three teens with their own ulterior motives, Alina manages to escape. Although she's not sure she can trust any of them, she soon finds herself drawn to Cameron, the most enigmatic and alluring of the trio. But when she uncovers clues from her past life, secrets begin to unravel and Alina must figure out whether she's more than the soul she inherited, or if she's fated to repeat history. *Wanderers* Susan Kim 2014-03-25 The Emmy Award nominee and Edgar Award-winning duo return readers to the postapocalyptic teen world, the Wastland, in this thrilling sequel. Bestselling author of Criminal, Karen Slaughter, called Wasteland "a Lord of the Flies for future generations." An irresistible page-turner." The former citizens of Prin are running out of time. The Source has been destroyed, so food is scarcer than ever. Tensions are rising . . . and then an earthquake hits. With heart-pounding adventure and suspense, the stakes are even higher for Esther, Caleb, and the rest of their clan. They're pinning all their hopes on the road . . . but what if it's the most dangerous place of all?

Girl Last Seen Nina Laurin 2017-06-20 Two missing girls. Thirteen years apart. An intense psychological thriller for readers of I Am Watching You, The Luckiest Girl Alive, and All the Missing Girls. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, reworded to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

But as Jessa stands waiting for the Marine Chaplain to break her heart, she can't help but feel that Kit has broken his promise.. Riley or Kit? Kit or Riley? Her brother or her boyfriend? Who's coming home to her?

9 Days and 9 Nights Katie Cotugno 2018-05-01 In this sequel to the New York Times bestseller 99 Days, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?
