The King's Army James B. Wood 2002-11-18 Historians have long ignored the military aspect of the wars of religion which raged in France during the late sixteenth century, dismissing the conflicts as aimless or hopelessly confused. In contrast, this meticulously researched analysis of the royal army and its operations during the early civil wars brings warfare back to the centre of the picture. James B. Wood explains the reasons for the initial failure of the monarchy to defeat the Huguenots, and examines how that failure prolonged the conflict. He argues that the nature and outcome of the civil wars can only be explained by the fusion of religious rebellion and incomplete military strategy. This makes an important contribution to the history of military forces, warfare and society, and will be of great interest to those engaged in the debate over the "Military Revolution" in early modern Europe.

I have paid for College Marc Acito 2004-09-07 A deliciously funny romp of a novel about one overly theatrical and sexually confused New Jersey teen-ager's lacerous quest for his acting school tuition. It's 1983 in Wallington, New Jersey, a sleepy bedroom community outside of Manhattan. Seventeen-year-old Edward Zanni, a feckless Ferris Bueller-type, is Peter Panning his way through a carefree summer of magic and mischief. The fun comes to a halt, however, when Edward's father remarries and refuses to pay for Edward to study acting at Juillard. Edward's truly in a bind. He's ineligible for scholarships because his father earns too much. He's unable to contact his mother because she's somewhere in Peru trying to commune with Incan spirits. And, as a sure sign he's destined for a life in the arts, Edward's incapable of holding down a job. So he turns to his loyal (but immoral) misfit friends to help him steal the tuition money from his father, all the while practicing for his high school performance of Grease. Disguising themselves as nuns and priests, they
merrily scheme their way through embezzlement, money laundering, identity theft, forgery, and blackmail. But, along the way, Edward also learns the value of friendship, hard work, and how you’re not really a man until you can beat up your father—metaphorically, that is. How I Paid for College is a farrago coming-of-age story that combines the first-person tone of David Sedaris with the byzantine plot twists of Armistead Maupin. It is a novel for anyone who has ever had a dream or a scheme, and it marks the introduction to an original and audacious talent.

The Last Field Party Abbi Glines 2022-11-22 The seventh and final book in the #1 New York Times bestselling Field Party series—a Southern soap opera filled with football, cute boys, and pick-up trucks—from USA TODAY bestselling author Abbi Glines. The couples from the previous books in the Field Party series gather for a special event ten years in the future that will impact each of their lives. The Red Umbrella Christina Diaz Gonzalez 2011-12-13 The Red Umbrella is a moving tale of a 14-year-old girl’s journey from Cuba to America as part of Operation Pedro Pan—an organized exodus of more than 14,000 unaccompanied children, whose parents sent them away to escape Fidel Castro’s revolution. In 1961, two years after the Communist revolution, Lucia Álvarez still leads a carefree life, dreaming of parties and her first crush. But when the soldiers come to her sleepy Cuban town, everything begins to change. Freedoms are stripped away. Neighbors disappear. And soon, Lucia’s parents make the heart-wrenching decision to send her and her little brother to the United States—on their own. Suddenly plunged down into Nebraska with well-meaning strangers, Lucia struggles to adapt to a new country, a new language, a new way of life. But what of her old life? Will she ever see her home or her parents again? And if she does, will she still be the same girl? The Red Umbrella is a touching story of country, culture, family, and the true meaning of home. “Captures the fervor, uncertainty and fear of the times...” –The Washington Post “Gonzalez deals effectively with separation, culture shock, homesickness, uncertainty and identity as she captures what is also a grand adventure.” –San Francisco Chronicle

The First Lie Diane Chamberlain’s 2013-06-04 An e-original short story that sets the stage for bestselling author Diane Chamberlain’s novel Necessary Lies (September 2013). The First Lie gives readers an early glimpse of the life of thirteen-year-old Ivy Hart. It’s 1956 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don’t have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm is hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for “blue”? Challenging the consensus that the fundamentals of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In this thrilling, fascinating, and eye-opening book, Deutscher shows how the language we use does in fact reflect our culture in ways that are anything but trivial. Audacious, delightful, and field-changing, Through the Language Glass is a classic of intellectual discovery.

The Football Girl Thatchler 2017-04-04 For every athlete or sports fanatic who knows she’s just as good as the guys. This is for fans of The Running Dream by Wendelin Van Draanen, Grace, Gold, and Glory by Gabrielle Douglas and Breakaway: Beyond the Goal by Alex Morgan. The summer before Caleb and Tessie enter high school, friendship has blossomed into a relationship...and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessie is training for cross-country. But all their structured plans derailed in the final flag game when they lose. Tessie doesn’t want to end her career as a loser. She really enjoys playing, and if she’s being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she decided to take her hobby to the next level? This summer Caleb and Tessie figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. “A great next choice for readers who have enjoyed Catherine Gilbert Murdock’s Dairy Queen and Miranda Kenneally’s Catching Jordan.”—SLJ “Fast-paced football action, realistic family drama, and sweet romance...will have readers looking for girl-powered sports stories...find[ing] plenty to like...”--Booklist “Tessa’s ferocious competitiveness is appealing.”--Kirkus Reviews “The Football Girl series” serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint.”--The Horn Book

A Taxonomy of Love Rachel Albin 2018-01-09 A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years. The moment Spencer meets Hope the summer before seventh grade, it’s something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being ostracized by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of “friend” gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn’t always fit into easy-to-manage boxes, and it’s this messy complexity that makes life so rich and beautiful.
