Emotionally Healthy Woman Workbook with DVD Geri Scazzero 2014-08-26 Geri Scazzero knew there was something desperately wrong with her life. She felt like a single parent raising her four young daughters alone. She finally told her husband, “I quit,” and left the thriving church he pastored, beginning a journey that transformed her and her marriage for the better. In The Emotionally Healthy Woman, Geri provides you a way out of an inauthentic, superficial spirituality to genuine freedom in Christ. This study is for every woman who wants to experience a deep and meaningful spiritual transformation. It is for every woman who is searching, struggling, and feeling defeated. It is for every woman who is quitting. Geri quit being afraid of what others think. She quit quitting. She quit denying her anger and sadness. She quit denying her attachment to control. When you are honest about who you are, when you are honest about your baggage, your damaged soul, or the souls of others, you are freed up to choose other ways of being and relating that are rooted in love and lead to life. When you quit for the right reasons, at the right time, and in the right way, you’re on the path not only to emotional and spiritual health, but also to the true purpose of your life. “QUITTING WILL SET YOU FREE!”
