We protect limited edition, restricted, or restored. Limited additional details needed.

Emotionally Healthy Spirituality Workbook Peter Scazzero

Emotionally Healthy Spirituality Workbook, Peter Scazzero 2015-01-05 The Emotionally Healthy Church is not about change for change’s sake. It is about changing in a way that is generative, spreading, and sustainable. It is about making God’s reality changeable, and it is about making the church a fruitful place for that change to happen. It is about making the church a place where people are born again, saved, discipled, and led to a transformational discipleship experience. The Emotionally Healthy Church is about: Seeing God in a new way. Seeing the church in a new way. Seeing ourselves in a new way. Seeing others in a new way. Seeing God in a new way.
