Glory Days Max Lucado
2015-09-15 Keep walking.
This may be the day your
Jericho walls come down.
We all face them.
Strongholds with a
strong hold on our
lives. Roadblocks to our

joy. Obstacles in our
marriages. Fortresses of
fear blocking us from
peace. How can we bring
down these walls that
keep us from the future
God promises? Remember
the story of Joshua and
the battle of Jericho?

Those were some formidable foes and big barriers. Max Lucado says the book of Joshua is in the bible to remind us of one thing: God Fights For Us! We can overcome, because He has already overcome. We were not made to stand in the shadow of our walls and quake. We were made to stand on top of Jericho's rubble and conquer. We win, because God's already won. Need a new battle plan for life? Keep walking, keep believing. These may be your Glory Days.

The Emotionally Healthy Woman Geri Scazzero

2013-10-22 Geri Scazzero knew there was something desperately wrong with her life. She felt like a single parent raising her four young daughters alone. She finally told her husband, "I quit," and left the thriving church he pastored, beginning a journey that transformed her and her

marriage for the better. In *The Emotionally Healthy Woman*, Geri provides you a way out of an inauthentic, superficial spirituality to genuine freedom in Christ. This book is for every woman who thinks, "I can't keep pretending everything is fine!" The journey to emotional health begins by quitting. Geri quit being afraid of what others think. She quit lying. She quit denying her anger and sadness. She quit living someone else's life. When you quit those things that are damaging to your soul or the souls of others, you are freed up to choose other ways of being and relating that are rooted in love and lead to life. When you quit for the right reasons, at the right time, and in the right way, you're on the path not only to emotional health, but also to the

true purpose of your life. "QUITTING WILL SET YOU FREE! Not a typical message heard in the church today, especially among 'nice, Christian women," but one that has been needed for years! By refusing to cling to a shell of pretension, the true freedom of our new lives in Christ is realized, and Geri shows us how. A fast, informed read, this book breaks down the walls of the false ideals we cling to in and shows us that by quitting these idols, we re-discover God's love. I was supposed to read this book. I needed to read this book. Thank you, Geri." Seamands 2015-03-01
Events in our lives, both good and bad, form rings in us like the rings in a tree. Each ring records memories that affect our feelings, our relationships, and our thoughts about God. In this classic work, David Seamands encourages us to live compassionately with ourselves as we allow the Holy Spirit to heal our past. As he helps us name hurdles in our lives—such as guilt, poor self-worth, and perfectionism—he shows us how we can find freedom from our pain and enjoy the abundant life God wants for us. Emotionally Healthy Woman Geri Scazzero 2014-08-12 According to author Geri Scazzero, becoming an emotionally healthy woman begins by quitting eight unhealthy ways of relating. Created to Draw Near

Edward T. Welch

2020-01-07 You are a royal priest. That Reality Will Change Your Life Human beings are wired for connection. We long for deep relationships and real intimacy--both of which reflect our fundamental desire to be close to God. But all too often, whether because of our sin or our failures, we imagine that God prefers to keep his distance. In this book, Edward T. Welch shows us the purpose for which we were created: to be brought near to God as a kingdom of priests. He traces the priestly identity throughout the entire Bible, showing us how holiness leads to

closeness to God. Through the blood of Jesus, God extends his invitation for all to draw near with open arms. And in his presence, we discover what it means to be truly human: known, unashamed, and wise, full of meaning, purpose, and abundant life.

cultivating it as a disciple of Jesus. Step by step, you'll discover what it means to have Christ transform the deep places hidden beneath the surface so that you might become more authentic and loving toward God, others, and yourself. Emotionally Healthy Spirituality Course Pete Scazzero 2014-08-26 Author and pastor Pete Scazzero awakens participants to a biblical integration of emotional health and the classic practices of contemplative spirituality, leading to a relational revolution with Jesus. It's a simple truth, but one that trips up believers everywhere: You can't be healthy spiritually if you're unhealthy emotionally. In this six-session, small-group Bible study, author and pastor Pete Scazzero takes a close look at

what it means to break free from bondage to the past and experience true emotional healing. Many sincere followers of Christ--followers who are truly passionate for God, members of a church, servant-hearted, and considered "mature"--remain stuck at a level of spiritual immaturity, especially when faced with interpersonal conflicts and crises. The Emotionally Healthy Spirituality video study provides a strategy for discipleship that addresses this void, integrating emotional health and contemplative spirituality to help people grow into a faith filled with authenticity and a profound love for God. *Emotionally Healthy Woman* Geri Scazzero 2014-08-01 Say goodbye to superficial spirituality and hello to a life of freedom in Christ. burdened, and lonely, Geri Scazzero knew there was something desperately wrong with her life. One day she told her husband "I quit," left the thriving church he pastored, and began a journey that transformed her and her marriage for the better. Geri quit being afraid of what others think. She quit lying. She quit denying her anger and sadness. She quit living someone else's life. In this eight-session video Bible study Geri provides women a way out of an inauthentic, superficial spirituality to genuine freedom in Christ. This DVD is for every woman who thinks, "I can't keep pretending everything is fine!" and who wants to discover the path to emotional health. With grace and understanding, Geri shows that when women quit those things that are damaging to their

Greeks, Jews, and even some Christians. With such an incredible assertion at the heart of the Christian faith, it's no wonder that some people struggle to believe. Unlike any other book on the resurrection, *Raised?* encourages you to doubt in order to believe. Too often Christians look down on doubt, but in Christ, we see a person who welcomes doubt and encourages faith. Jonathan Dodson and Brad Watson don't shy away from the hard questions or settle for easy answers. They help you to see how the resurrection offers hope for the future and answers for the life and death questions we all face. "I encourage Christians and non-Christians alike to read this book. . . . provocative, illuminating, and succinct." –Eileen

Flynn, former religion reporter for Austin American-Statesman and Journalism and religion lecturer at the University of Texas "Wonderfully demonstrates the plausibility of the resurrection of Jesus and the possibilities for a life of hope."

ministries, preach creatively, and keep up with trends. Sadly, much of this effort does not result in deeply changed disciples. Traditional discipleship strategies fail because they do not: Slow down people's lives so they can cultivate a deep, personal relationship with Jesus. Challenge the values of Western culture that have compromised the radical call to follow the crucified Jesus. Integrate sadness, loss, and vulnerability, leaving people defensive and easily triggered. Measure our spiritual maturity by how we are growing in our ability to love others. In *Emotionally Healthy Discipleship*, bestselling author Pete Scazzero lays out how to create an emotionally healthy culture and multiply deeply-changed people in every aspect

of church life—including leadership and team development, marriage and single ministry, small groups, preaching, worship, youth and children's ministry, administration, and outreach. Complete with assessments and practical strategies, *Emotionally Healthy Discipleship* will help you move people to the beneath-the-surface discipleship that actually has the power to change the world.

Relationships Workbook

Peter Scazzero

2017-09-12 Have you ever wondered why we recycle the same problems in the church year after year? Broken relationships, unresolved conflicts, inability to speak the truth, pretending things are fine because we're concerned about being nice. Week after week we hear sermons about loving better, but little changes in people's lives. We spend a lot of money to learn, and become competent in, our careers, but few of us have learned the skills or gained the competency to love well. It's been rightly said that 85 percent of Christians are stuck, stagnant in their spiritual lives. Most discipleship approaches do not include the necessary tools to mature us as followers of Jesus Christ who love God, ourselves, and

others well. Pete and Geri Scazzero developed The Emotionally Healthy (EH) Relationships Course over a 21-year period to directly address core biblical principles to guide you and others into an experience of discipleship that will deeply change your life. Emotionally Healthy Discipleship Peter Scazzero 2021-03-30
Pastors and church leaders want to see lives changed by the gospel. They work tirelessly to care for people, initiate new programs and ministries, preach new sermon series, and keep up with the latest trends. Sadly, it would seem that much of this effort

is not resulting in deeply changed disciples. Why? Because many churches are unknowingly operating from a shallow discipleship that allows people to recycle the same problems year after year. Church goers are increasingly passive with lives not distinct from the culture. People are not able to integrate anger and sadness. Many are defensive and incapable of revealing their own weaknesses. Church leaders desperately need a better way of teaching people what it means to follow Jesus in a transformative way. In *Emotionally Healthy Discipleship*, bestselling author Pete Scazzero combines three decades of wisdom with hard lessons from his own ministry journey. He lays out what is required for church leaders to multiply

deeply-changed people who are growing in relationship with God, themselves and others. Scazzero begins with four beneath-the-surface, systemic gaps that undermine serious discipleship. He provides a clear vision for a church culture that deeply changes lives and then practically unpacks the seven biblical marks of emotionally healthy discipleship: Learn to Be Before You Do Follow the Crucified, Not the Americanized, Jesus Receive the Gift of Limits Befriend Suffering and Loss Break the Power of the Past Practice the Presence of People Lead Out of Brokenness and Vulnerability Finally, he lays out practical steps for you to create an emotionally healthy discipleship culture that actually has the power to change the

The Meaning of Marriage Study Guide

Timothy Keller 2015-09-29
Timothy and Kathy Keller will show you a portrait of marriage as it's meant to be according to the Bible...by first throwing out most of what we've been taught about love. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that marriage does not mean 'til death do us part, but merely for as long as my needs are being met; and that when serious differences arise, divorce is the best solution. But all of these modern-day assumptions miss what marriage is really

about. In this six-session video-based Bible study (DVD/digital video sold separately), Timothy Keller, along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental, yet hopeful and beautiful. This study is for anyone from singles to couples considering marriage to those who have been married for any length of time. Sessions include:
Service: Marriage Isn't about You
Covenant: Created to Make Promises
Roles: Loving through Mutual Submission
Singleness: Strengthening the Spiritual Family
Sex:

The Act of Covenant Renewal
Hope: Seeing the Great Horizon Designed for use with The Meaning of Marriage Video Study (sold separately).

How Healthy is Your Spirituality? Peter Scazzero 2019-01-08 After almost three decades of pastoring New Life Fellowship Church in the bustle of New York City, Peter Scazzero discovered that most people are missing the deep emotional change that can happen in their walk with Jesus. Scazzero found two truths to be true: you can't be spiritually mature while remaining emotionally immature,

and unless you slow and quiet your life down for a direct relationship with Jesus Christ, little change is possible. The integration of these two truths unleashed a spiritual revolution in Scazzero, in his church, and now in thousands of other churches. In this booklet based on his bestselling book *Emotionally Healthy Spirituality*, Scazzero helps readers identify the top ten symptoms of emotionally unhealthy spirituality and what they can do about them. He includes an assessment for readers to take to find out how emotionally healthy they really are and seven devotions to lead them on the journey to health.

Your Future Self Will

Thank You Drew Dyck
2019-01-01 Why can't I control my anger? Or stop overeating? Or

wasting time online? Why can't I seem to finish my projects? Or make progress in my spiritual life? Why do I fall for the same stupid temptations over and over again? When we fail, it's easy to make excuses or blame our circumstances. But let's face it: the biggest enemy is usually the one staring back at us from the mirror every morning. We lack self-control. Self-control isn't very popular these days. We tend to think of it as boring, confining, the cop that shows up and shuts down the party.
