Savage (a Jack Sigler Thriller)
Jeremy Robinson 2014-07-25 For more than a hundred million years, the Dark Continent has kept a savage secret. While on the trail of a stolen tactical nuclear weapon, Jack Sigler, callsign: King, and his black ops Chess Team, answer a cry for help. The Democratic Republic of the Congo is on the verge of exploding into another bloody civil war that
will engulf all of Africa and put millions at risk, a crisis too politically volatile for any outside nation to touch. As the team, unfettered by political constraints, deploys across the globe, the threats spin out of control. A search for the Congo's missing president becomes a quest to solve a century old mystery, and uncover a secret that powerful men will kill to protect. A mission to rescue a team of scientists from violent revolutionaries devolves into a desperate run through the jungle, pursued by both modern man and ancient beast. And the effort to stop a revolution becomes a brutal contest, pitting King against the most cunning and sadistic foe he has ever faced—a deadly mercenary known as the Red Queen. King has traveled around the globe and across time to protect the people he loves. Now, he must face a harsh truth: he cannot save everyone. Jeremy Robinson and Sean Ellis, the bestselling team of The Brainstorm Trilogy and Prime return with an action-packed tale rivaling the best of Matthew Reilly and James Rollins. Savage is a fresh re-launch for Jack Sigler and the Chess Team, so if you've never tried a Jack Sigler thriller, this is the perfect point to jump in and enjoy the chaos. And if you're a long time fan, welcome back, and prepare yourself...
The Mountain David L. Golemon 2015-08-04 In 1863 a meeting takes place between legendary war leaders—a secret alliance that will never show up in any American history books. A clandestine arrangement has been struck for a single chance to heal a war-torn nation. The mission is to bring the greatest prize in the world back to American soil—remnants of pre-history's greatest ship and most startling mystery. The prize may lie on a mountain top inside the fierce Ottoman Empire, yet the men who seek it are only days away from...
trying to kill one another. In 2007, America's darkest agency known to only a privileged few as the Event Group, has been tasked by the President to bring home a famous former astronaut who was on a mission to bring back the greatest biblical artifact—Noah's Ark. It will be up to the newly-installed Director of Security at Department 5656, Major Jack Collins and his team of brilliant men and women, to rescue the archeological expedition from forces that will kill to keep the mysterious artifacts inside the territorial borders of Turkey. THE MOUNTAIN is the latest entry in a series that ratchets up the suspense with each new installment. Combining the action of James Rollins and Matthew Reilly, David L. Golemon sets the bar even higher with his New York Times bestselling series.

Overlord David L. Golemon 2014-07-15
In the stunning conclusion to the Matchstick Man saga that began with Event and continued with Legacy, the End of Days is upon humanity---invasion has arrived! Some speculate that the war between the two worlds began 700 million years ago, while others say it started in 1947 over a small town in New Mexico called Roswell. Regardless of dates, the war is now upon us, and after centuries of watching, the enemy attacked. The plans of a million years are finally ready for what we have always known was coming---Armageddon. As world allies fall to the wayside, a growing political faction from several nations sends a clear signal that cooperation between the superpowers and the lesser states cannot succeed. As nations start a mad scramble to realign their military structures, the war begins silently in the depths of the oceans, and flares to global brightness with the first military strike in history between two different worlds. Only one element in the arsenal of the world can possibly
give Earth a fighting chance at survival—a small being that has already saved the world once in the Arizona desert is now called upon to outthink his former masters—the Matchstick Man. While Matchstick Man searches for the real motivation behind the invasion, the Event Group is the one entity that refuses to accept the inevitable defeat of humankind. They've learned that the answer to this war has always been here on earth buried deeply in our ancient past, and that they may even hold the clue to salvation inside their own artifact vault. But with the devastating loss of its military arm and one of their leaders, Colonel Jack Collins, the group is being torn apart by internal conflict and devastating personal decisions. Even worse, the group's old enemies have returned to take revenge, and the worst fears of Department 5656 are realized—a breach in security allows intruders to get at the secrets inside the complex in Nevada. Can the group come together to defeat their enemy and defend the planet? As the war wages on, countries fall, nations fight to the last man, and the fate of the planet depends on a few good men and women in this action-packed thrill ride from New York Times bestselling author David L. Golemon.

Start with Why Simon Sinek 2011-12-27
The inspirational bestseller that ignited a movement and asked us to find our WHY. Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as
ever. **START WITH WHY** asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do customers command greater loyalty from some than others? Why can some people repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won’t truly buy into a product, service, movement, or idea until they understand the WHY behind it. **START WITH WHY** shows that the leaders who have had the greatest influence in the world all think, act, and communicate the same way—and it’s the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

**NurtureShock** Po Bronson 2009-09-03 In a world of modern, involved, caring parents, why are so many kids aggressive and cruel? Where is intelligence hidden in the brain, and why does that matter? Why do cross-racial friendships decrease in schools that are more integrated? If 98% of kids think lying is morally wrong, then why do 98% of kids lie? What’s the single most important thing that helps infants learn language? **NurtureShock** is a groundbreaking collaboration between award-winning science journalists Po Bronson and Ashley Merryman. They argue that when it comes to children, modern society’s strategies for nurturing—because key twists in the science have been overlooked. Nothing backfiring—because key twists in the analysis, they demonstrate that many of modern society’s strategies for nurturing children are in fact
like a parenting manual, the authors' work is an insightful exploration of themes and issues that transcend children's (and adults') lives. I Survived the Great Chicago Fire, 1871 (I Survived #11) Lauren Tarshis 2015-02-24 Could an entire city really burn to the ground? Unconventional Warfare (Special Forces, Book 1) Chris Lynch 2018-11-27 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALS, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops. Season of the Witch David L. Golemon 2019-08-23 The continuing adventures of Colonel Jack Collins and the rest of Department 5656—better known as the Event Group—as they fend off an attack at their very heart while they must deal once again with history beginning to repeat itself. Dourado David Wood 2013-07 A sunken treasure. An ancient Biblical artifact. A mystery as old as humankind. On January 25, 1829, the Portuguese brig Dourado sank off the coast of Indonesia, losing its cargo
of priceless treasures from the Holy Land. One of these lost relics holds the key to an ancient mystery. But someone does not want this treasure to come to light. When her father is murdered while searching for the Dourado, Kaylin Maxwell hires treasure hunter and former Navy Seal Dane Maddock and his partner Uriah "Bones" Bonebrake, to locate the Dourado, and recover a lost Biblical artifact, the truth behind which could shake the foundations of the church, and call into question the fundamentally held truths of human existence. Join Dane and Bones on a perilous adventure that carries them from the depths of the Pacific to ancient cities of stone as they unravel the mystery of the Dourado.

The Last Sword Maker
Brian Nelson
2018-10-16

In the high mountains of Tibet, rumors are spreading. People whisper of an outbreak, of thousands of dead, of bodies pushed into mass graves. It is some strange new disease ... a disease, they say, that can kill in minutes. The Chinese government says the rumors aren't true, but no one is allowed in or out of Tibet. At the Pentagon, Admiral James Curtiss is called to an emergency meeting. Satellite images prove that a massive genocide is underway, and an American spy has made a startling discovery. This is no disease. It's a weapons test. Chinese scientists have developed a way to kill based on a person's genetic traits. But that is only the tip of the iceberg. The success of their new weapon proves that the Chinese are nearing "Replication" - a revolutionary breakthrough that will tip the global balance of power and change the way wars are waged. Now the US must scramble to catch up before it is too late. Admiral Curtiss gathers the nation's top scientists, including a promising young graduate student named Eric Hill who just might hold the missing
piece to the replication puzzle. Soon Hill and his colleague Jane Hunter are caught up in a deadly game of sabotage as the two nations strive to be the first to reach the coveted goal. But in their headlong race, they create something unexpected...something the world has never seen and something more powerful than they had ever imagined. The Last Sword Maker is an exciting globe-trotting thriller with unforgettable characters that depicts a haunting vision of the future of warfare. "A gripping, frighteningly plausible techno-thriller...Nelson's intriguing scientific predictions and distinctive near-future setting make this sure to please speculative fiction readers as well as thriller fans."-Publishers Weekly "An all-too-plausible examination of how emerging technologies could be weaponized to horrible ends. I don't recommend reading this one right before bedtime-unless you are prepared to stay up very, very late to finish it."-Lisa Brackmann, New York Times bestselling author "A head-spinning sci-fi-infused military thriller, with China and the United States putting everything they have into developing the perfect weapon, no matter the cost."-Francisco Toro, columnist, Washington Post "The danger is unique, and the treachery vast, in this rapid-paced adventure that delivers in equal doses of amazing, yet possible. An intriguing tale that will leave you thinking."-Steve Berry, New York Times bestselling author "A compelling thriller...Nelson's riveting narrative captures the drama of great power competition...This is a terrific debut."-Patrick Duddy, Duke University, former US Ambassador to Venezuela "An amazing read. The Last Sword Maker has everything"-Moises Naim, New York Times bestselling author "A terrifying vision of future warfare in the vein of Tom Clancy's
and Michael Crichton's novels... A powerhouse near-future thriller with explosive action and exciting science."—Foreword Reviews

The Law of Nines

Terry Goodkind

2009-08-18

The #1 New York Times bestselling author delivers a stunningly original thriller in this powerful page-turner. Trouble will find you. They watch you through mirrors... “Your mother was twenty-seven when it came to her. Now you’re twenty-seven, and it’s come to you.” The skin of Alex’s arms tingled with goose bumps. By her twenty-seventh birthday insanity had come to his mother... Turning twenty-seven may be terrifying for some, but for Alex, a struggling artist living in the midwestern United States, it is cataclysmic. Inheriting a huge expanse of land should have made him a rich and happy man; but something about this birthday, his name, and the beautiful woman whose life he just saved, has suddenly made him—and everyone he loves—into a target. A target for extreme and uncompromising violence... Where do you turn when your own reflection spells doom? In Alex, Terry Goodkind brings to life a modern hero in a whole new kind of high-octane thriller.

Conspiracy (The Plot to Kill Hitler #1)

Andy Marino

2020-04-21

Based on the real-life scheme to take down one of history's greatest monsters, this heart-pounding trilogy puts two courageous kids at the center of the plot to kill Adolf Hitler. Berlin, November 1943. With bombing raids commencing, the city is blanketed by explosions. Siblings Gerta and Max Hoffmann live a surprisingly carefree childhood amid the raids. Berlin is a city going about its business, even as it's attacked almost nightly. But one night, the air raid sirens wail, and the Hoffmanns' neighborhood is hit. A mortally wounded man comes to their door, begging to be let in. He asks for Karl Hoffmann, their father.
Gerta and Max watch as Karl tries in vain to save the man's life. Before he dies, the stranger gives their father a bloodstained packet of documents, along with a message: "For the sake of humanity, the Führer must die. Finish it, Karl!" Based on real events, this is the story of two children swept up in a fight for the soul of Germany -- and the world.

Legacy  David L. Golemon 2012-05-22
When the discovery of a billion-year-old skeleton on the Moon triggers violent uprisings, Jack Collins and the Event Group work to discern the skeleton's identity and find clues about an ancient alien war that has not yet ended.

Event  David L. Golemon 2010-04-01
In the summer of 1947, an unidentified object crashed in Roswell, New Mexico. There were no survivors. Now it's happened again. But this time, two creatures have emerged from the wreckage alive . . . One is a small being that is kind and benevolent, brimming with intense emotion and intelligence. The other, however, is an animal of remarkable strength and power. It has been brought clandestinely to our world with one sole purpose: the total extinction of all life on Earth. It is called the Destroyer of Worlds. Only the Event Group, the most secret agency in the history of the U.S. government, is prepared to wage battle against such a creature. The Event Group is a dedicated collection of the nation's most brilliant men and women of science, philosophy and the military. Their difficult task: solving the mysteries of the past and uncovering the hidden truths behind the myths and legends propagated throughout world history. In doing so they protect America from past mistakes---and ensure that history's errors will never be repeated. An act of war that started in New Mexico decades ago, and was covered up by another far darker organization, has been
discovered by the Group at the same time as the new and seemingly identical incident threatens to wipe out the Earth's population. In the desert wastelands of the American Southwest, a battle is about to commence as the two creatures set out to fulfill their own destinies among the human race. Led by the valiant Major Jack Collins, the Event Group wages total war in the heat-soaked sands of the desert landscape. Using the benevolent creature as an ally and resource, they combine forces with the powerful might of the U.S. military and prepare themselves for an epic battle against the most dangerous threat against human existence that history has ever seen. Event tells of an epic struggle between two worlds. Author David Lynn Golemon has written a classic supernatural thriller, each page bringing human civilization closer to extinction, that proves a blistering roller-coaster ride of thrills and adventure.

The Employer Brand Simon Barrow 2011-01-19 Levels of 'employer brand awareness' are rising fast across Europe, North America and Asia-Pacific, as leading companies realise that skilled, motivated employees are as vital to their commercial success as profitable customers and apply the principles of branding to their own organization. Starting with a review of the pressures which have generated current interest in employer branding, this definitive book goes on to look at the historical roots of brand management and the practical steps necessary to achieve employer brand management success - including the business case, research, positioning, implementation, management and measurement. Case studies of big-name employer brand stories include Tesco, Wal-Mart, British Airways and Prêt a Manger.

**Legend** David L. Golemon 2007-08-21 Go down a river of no return, toward a fateful meeting with an animal that predates mankind's existence by ninety million years---after a treasure that has captured man's desires for centuries. This is what Legends are made of. The year 1533:

Sent by Francisco Pizarro, Captain Hernando Padilla and his small Spanish expedition found the legend that men had only dared to whisper. In a lost valley deep in Brazil, he discovered what had driven men of greatness into sheer madness: El Dorado, the largest gold deposit in the world, hidden away from the march of time, preserved as the pristine Eden of wondrous sights and forgotten people. But what he found wasn't just gold. Instead, Padilla and his crew awakened a devil hidden in the lost valley, a beast of the Amazon who rises from the mother of all waters to viciously kill any who threaten the secret of the long-vanished Incas. But one soldier survives the bloody savagery and, before dying, shares his story with a lone priest in Peru. A secret the Vatican quickly buried away. The Present: Professor Helen Zachary is searching for a hidden legend, buried deep within the Amazon Basin---a great beast who has
survived there since the dawn of
time, a being ready to plunge modern
science into a world of darkness. And
into this darkness, Professor Zachary
and her team vanish. Now a letter
from a colleague of Zachary's sends
the Event Group, led by Major Jack
Collins, chasing down the professor's
lost expedition and into the
legendary darkness of the Amazon.
Dedicated to discovering the truth
behind the myths and legends
propagated throughout world history,
the Event Group—an agency within
the U.S. government that officially
doesn't exist—ensures that mistakes
from the past are never repeated.
They are a dedicated collection of
the nation's most brilliant men and
women of science, philosophy and the
military. Using cutting-edge
technology exclusively designed for
the Event Group by the U.S. military,
they travel from Brazil to the Little
Bighorn, from Columbia to the
hallowed grounds of Arlington
National Cemetery. As they do, the
Event Group faces mounting opposition
from several different adversaries
bent on either discovering the
whereabouts of El Dorado . . . or
trying to bury the legend forever.

Leviathan  David L. Golemon 2009-08-04

The ships of the world are under attack, attacks so sudden and vicious that many ships are lost without a single distress call. The navies of the world start a frenzied search, but even these ships disappear without a trace. Enter the Event Group, the most secret organization in U.S. history. Armed with proof that history is repeating itself, the Group finds themselves in the grasp of an insane genius straight out of the pages of Jules Verne. They are up against the descendent of the man who was the inspiration for the captain of a vessel known to the world as Nautilus. Legend comes to life in the form of Leviathan, the most advanced undersea vessel in history. She will stop at nothing to save the seas and to render justice to humankind for a world that has long been dying, a world Leviathan plans to alter forever, unless the Event Group can stop her!

The Fourth Industrial Revolution  Klaus Schwab 2017-01-03

World-renowned economist Klaus Schwab, Founder and Executive Chairman of the World Economic Forum, explains that we have an opportunity to shape the fourth industrial revolution, which will fundamentally alter how we live and work. Schwab argues that this revolution is different in scale, scope and complexity from any that have come before. Characterized by a range of new technologies that are fusing the physical, digital and biological worlds, the developments are affecting all disciplines, economies, industries and governments, and even challenging ideas about what it means to be human. Artificial intelligence is already all around us, from supercomputers, drones and virtual assistants to 3D printing, DNA sequencing, smart thermostats, wearable sensors and microchips smaller than a grain of sand. But this is
just the beginning: nanomaterials 200 times stronger than steel and a million times thinner than a strand of hair and the first transplant of a 3D printed liver are already in development. Imagine “smart factories” in which global systems of manufacturing are coordinated virtually, or implantable mobile phones made of biosynthetic materials. The fourth industrial revolution, says Schwab, is more significant, and its ramifications more profound, than in any prior period of human history. He outlines the key technologies driving this revolution and discusses the major impacts expected on government, business, civil society and individuals. Schwab also offers bold ideas on how to harness these changes and shape a better future—one in which technology empowers people rather than replaces them; progress serves society rather than disrupts it; and in which innovators respect moral and ethical boundaries rather than cross them. We all have the opportunity to contribute to developing new frameworks that advance progress.

Beyond the Sea

David L. Golemon

2017-06-13 The Soviet battle cruiser Simbirsk, which launched in June 1940 and was reported sunk in 1944 with the loss of all hands, is still sailing the open sea. January 2017: American Los Angeles class submarine USS Houston is tracking a surface target that is not listed as part of the Russian navy’s response to the NATO maneuvers. What they find will...
set in motion the answers to one of the great mysteries of World War II. With the Russian navy bearing down on the Houston and international tensions running high, the United States Navy declares the Soviet-era derelict legal salvage under international law. With the world's most powerful navies going toe-to-toe in the North Atlantic, the President of the United States calls upon the one organization that has a chance to figure out why this ship is in this time, in this place—Department 5656, also known as the Event Group. When the Event Group arrives, they are confronted by three warships of the Russian Navy who have come to claim their nation's property. The two groups meet and soon discover that the ancient battle cruiser is not a derelict at all, but fully functional with a mysterious apparatus that sent the original crew to their deaths. In the midst of their warfare in the tossing seas, both navies are sent into a realm of unimaginable terror—an alternate world of water, ice, and death. The Event Group has a new mission when relics of the fabled Philadelphia Experiment surface in Beyond the Sea, the twelfth thrilling hit in New York Times bestselling author David L. Golemon's Event Group series.

Rewire Your Brain John B. Arden

2010-03-22 How to rewire your brain to improve virtually every aspect of your life—based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be “hardwired” to function in predetermined ways. It turns out that's not true. Your brain
is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life. Other titles by Dr. Arden include: Brain-Based Therapy-Adult, Brain-Based Therapy-Child, Improving Your Memory For Dummies and Heal Your Anxiety Workbook. Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region. Explaining exciting new developments in neuroscience and their applications to daily living, Rewire Your Brain will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

Revisit the remarkable debut novel that launched the career of New York Times bestselling author James Rollins. The Earth's last mystery is about to be revealed...The world beneath the world is waiting. Beneath the ice at the bottom of the Earth is a magnificent subterranean labyrinth, a place of breathtaking wonders—and terrors beyond imagining. A team of specialists led by archaeologist Ashley Carter has been hand-picked to explore this secret place and to
uncover the riches it holds. But they are not the first to venture here—and those they follow did not return. There are mysteries here older than time and revelations that could change the world. But there are also things that should not be disturbed—and a devastating truth that could doom Ashley and the expedition: they are not alone.

Pulse Jeremy Robinson 2010-04-01 HOW MANY PEOPLE WOULD YOU KILL TO LIVE FOREVER? Imagine a world where soldiers regenerate and continue fighting without pause, where suicide bombers live to strike again and again. This is the dream of Richard Ridley, founder of Manifold Genetics, and he has just discovered the key to eternal life: an ancient artifact buried beneath a Greek-inscribed stone in the Peruvian desert. When Manifold steals the artifact and abducts archeologist Dr. George Pierce, United States Special Forces Delta operator Jack Sigler, call sign King, and his "Chess Team"—Queen, Knight, Rook, Bishop, and their handler, Deep Blue—give chase. Formed under special order from President Duncan, they are the best of America's Special Forces, tasked with antiterrorism missions that take them around the world against any threat, ancient, modern, and at times, inhuman. With cutting-edge weapons, tough-as-nails tactics, and keen intellects, they stand alone on the brink, facing the world's most dangerous threats. Ridley's plan to create unstoppable soldiers has just made him threat number one. Tension soars along with the body count as the team faces high-tech security forces, hordes of "regens," the horrific results of Manifold's experiments, and a resurrected mythological predator complete with regenerative abilities, seven heads, and a savage appetite. The Chess Team races to save Pierce and stop Manifold before they change the face
of genetics—and human history—forever. Heart-pounding action combines with adrenaline-charged suspense in the first of Jeremy Robinson's smart, sharp series featuring the Chess Team.

**The Andromeda Evolution** Michael Crichton 2019-11-12 NEW YORK TIMES BESTSELLER Fifty years after The Andromeda Strain made Michael Crichton a household name—and spawned a new genre, the technothriller—the threat returns, in a gripping sequel that is terrifyingly realistic and resonant. The Evolution is Coming. In 1967, an extraterrestrial microbe came crashing down to Earth and nearly ended the human race. Accidental exposure to the particle—designated The Andromeda Strain—killed every resident of the town of Piedmont, Arizona, save for an elderly man and an infant boy. Over the next five days, a team of top scientists assigned to Project Wildfire worked valiantly to save the world from an epidemic of unimaginable proportions. In the moments before a catastrophic nuclear detonation, they succeeded. In the ensuing decades, research on the microparticle continued. And the world thought it was safe... Deep inside Fairchild Air Force Base, Project Eternal Vigilance has continued to watch and wait for the Andromeda Strain to reappear. On the verge of being shut down, the project has registered no activity—until now. A Brazilian terrain-mapping drone has detected a bizarre anomaly of otherworldly matter in the middle of the jungle, and, worse yet, the tell-tale chemical signature of the deadly microparticle. With this shocking discovery, the next-generation Project Wildfire is activated, and a diverse team of experts hailing from all over the world is dispatched to investigate the potentially apocalyptic threat. But the microbe is growing—evolving. And if the
Wildfire team can’t reach the quarantine zone, enter the anomaly, and figure out how to stop it, this new Andromeda Evolution will annihilate all life as we know it. **Atlantis** David Gibbins 2006-09-26 BONUS: This edition contains an excerpt from David Gibbins's The Mask of Troy. From an extraordinary discovery in a remote desert oasis to a desperate race against time in the ocean depths, a team of adventurers is about to find the truth behind the most baffling legend in history. The hunt is on for... Marine archaeologist Jack Howard has stumbled upon the keys to an ancient puzzle. With a crack team of scientific experts and ex-Special Forces commandos, he is heading for what he believes could be the greatest archaeological find of all time—the site of fabled Atlantis—while a ruthless adversary watches his every move and prepares to strike. But neither of them could have imagined what awaits them in the murky depths. Not only a shocking truth about a lost world, but an explosive secret that could have devastating consequences today. Jack is determined to stop the legacy of Atlantis from falling into the wrong hands, whatever the cost. But first he must do battle to prevent a global catastrophe. **The Supernaturals** David L. Golemon 2016-10-18 Named One of Riffle's Ten Best Haunted House Books of All Time Built at the turn of the twentieth century by one of the richest and most powerful men in the world tucked away in the pristine Pocono Mountains, Summer Place, a retreat for the rich and famous, seems the very essence of charm and beauty, “a scene borrowed from a wondrous fairytale of gingerbread houses, bright forests, and glowing, sunny meadows.” But behind the yellow and white trimmed exterior lurks an evil, waiting to devour the unwary... Seven years ago, Professor Gabriel
Kennedy’s investigation into paranormal activity at Summer Place ended in tragedy, and destroyed his career. Now, Kelly Delaphoy, the ambitious producer of a top-rated ghost-hunting television series, is determined to make Summer Place the centerpiece of an epic live broadcast on Halloween night. To ensure success, she needs help from the one man who has come face-to-face with the evil that dwells in Summer Place, a man still haunted by the ghosts of his own failure. Disgraced and alienated from the academic community, Kennedy wants nothing to do with the event. But Summer Place has other plans... As Summer Place grows stronger, Kennedy, along with the paranormal ghost hunting team, The Supernaturals, sets out to confront...and if possible, destroy...the evil presence dwelling there.

**The Plantation** Chris Kuzneski
2015-07-06 One by one, in cities across America, people of all ages are taken from their homes, their cars, their lives. But these aren't random kidnappings. They're crimes of passion, planned and researched several months in advance, then executed with a singular objective in mind. Revenge. Ariane Walker is one of the victims, dragged from her apartment with few clues to follow.

The police said there's little they can do for her, but that isn't good enough for her boyfriend, Jonathon Payne. With the help of his best friend, Payne gives chase, hoping that a lead in New Orleans somehow pays off. Together, they uncover the mystery of Ariane's abduction and the truth behind the South's most violent secret.

Praise for THE PLANTATION:
James Patterson, #1 international bestselling author—“THE PLANTATION is a rip-roaring page-turner based on an ingenious idea. No reader will easily forget it.”
Lee Child, #1 international bestselling author—“Excellent! High stakes, fast action, vibrant characters, and a very, very original plot concept. Not to be missed!”
Nelson DeMille, #1 international bestselling author—“Wear your running shoes when you read THE PLANTATION. This is the most action-packed, swiftly paced, and tightly plotted novel I’ve read in a long time.”
James Rollins, #1
international bestselling author—“Chris Kuzneski displays a remarkable sense of suspense and action in THE PLANTATION. A riveting ride from start to finish as an ex-Special Forces soldier searches for the kidnappers of his girlfriend, leading to an international manhunt that will leave readers breathless and up much too late. Don’t miss it!”

Douglas Preston, #1 international bestselling author—“THE PLANTATION is a powerful read with a great plot twist. Right from the opening scenes the book takes off, and all I can say is, hang on for the ride.”

2017-11-21 New York Times bestselling author David L. Golemon's Event Group series is an "increasingly clever series" (Booklist) about Department 5656, also known as the Event Group, a secret government agency dedicated to solving America's past mysteries and bringing forth the truth behind myths and legends. Here together in a low priced eBook bundle are the first twelve novels in this action-packed, thrilling series. EVENT LEGEND ANCIENTS LEVIATHAN PRIMEVAL LEGACY RIPPER CARPATHIAN OVERLORD THE MOUNTAIN THE TRAVELER BEYOND THE SEA

The Traveler David L. Golemon

2016-07-05 267,000 BCE. The continent was its own world, untouched by the planet-wide catastrophe that ended the reign of the dinosaurs over sixty-five million years before. A traveler arrives in the jungles of this ancient world who will fight to survive carnivorous creatures in a land never meant for human kind. In another time and in a land far distant, men and women struggle to recover from the loss of so many of their own in a battle. Inside of this Group, Colonel Jack Collins has summoned the best of the best from the most secretive organization in the United States government, The Event Group, to help him in his
quest. The new mission is to recover one of their own: to bring home a lost soldier from a world that existed in the distant past. To accomplish the impossible, Department 5656, the Event Group, will have to travel to a place and time far removed from their own world - almost 300,000 years in the past. The trail to find the technology to accomplish time travel will be ripe with treachery and murder as the Group fights to bring home their friend, Captain Carl Everett, a man that was lost in a battle to save the world. This will be a fight that if lost, will change the very history of the planet and thus our present.
