Calibrating the Christian Mind Bullus Moses Gago 2017-09-14 The Christian faith has fallen victim to the times. Its original purpose and meaning is redefined by those who criticize it. No other is to be blamed for the scarring the Faith endures, but the Christian. To have our minds shifted and removed from Christ yield’s believers far removed for the image of Christ. For this reason, our existence as Christians is not fulfilling the function and purpose we have been created for. This book intends to calibrate the mind, to return us to the original way of thought.

The purpose of this series is to help ordinary Christians understand God’s covenants at an easier reading level than most theology, the reading level of those who speak English as a second language. Collegiate language is minimal, colloquial idiosyncrasies are avoided, and illustrations can be universally understood. Difficult points are explained as simply as possible, sometimes from several approaches for readers who may not quickly grasp spiritual concepts. This series views the divine covenants through the lens of the New Testament, especially through the writings of the apostle Paul. The apostle’s comments are taken as divinely inspired commentary explaining the true meaning of the text. Volume One examines the covenant God established with the first man in the Garden of Eden. For centuries this covenant has been described by theologians as a “covenant of works.” The Covenant of Works is normally seen as a contrast to the Covenant of Grace that God established through Jesus Christ for man’s salvation. Recent debates have questioned these distinctions. This book skips the debate, to avoid putting some readers on the defensive, while making a case for the validity and essential nature of the Covenant of Works. The first part of the book is a “Synopsis of Covenant Theology” for readers who want an overview of the covenants or need to understand how to bring together the details described in later chapters of the series. This is a survey of main points of the covenants within their historical context. The second part of this first volume explains the history, meaning and application of the Covenant of Works, and its importance for a correct understanding of Biblical concepts such as the covenant, the fall of man into sin, the final judgment, redemption, Christ’s role as Mediator and Last Adam, and Edenic themes in the promises of the new covenant in Christ Jesus. Other books planned for the series, Covenants of the Almighty: Volume Two: Camp of the Saints. (Release date: July/August 2012) God’s Covenant with Abraham promised justification by grace through faith for believers from all nations. A study of the basics of the Covenant of Grace within the Abrahamic Covenant. Important lessons for all pilgrims who walk in the steps of Abraham’s faith today. Volume Three: The Lighthouse Kingdom (January 2013) God created the kingdom of Israel for His own glory, to reveal His righteousness to the nations, and to proclaim the future appearance of the Messiah who would bring salvation to all the earth and rule over all nations. Understand the old covenant through the illumination of the apostles, and sit at Moses’ feet to ponder mysteries of the Messiah and the kingdom of heaven and gain insights valuable for citizens of heaven’s kingdom. Volume Four: Dawn of Heaven’s Light (Summer 2013) The way into the kingdom of heaven is opened only through the death and resurrection of the King of heaven. He came from heaven to establish His kingdom in the hearts of believers from every language, tribe, people and nation. After conquering the grave, Christ returned to heaven to serve His kingdom forever as King and High Priest of the new covenant. Volume Five: Heaven’s Lamps in the Valley of Sorrows (Early 2014) The close relationship of the lines of covenant and eschatology throughout Biblical history until they come together and find their fulfillment in one man, Jesus Christ.

**The Gospel of Adam** David Bishop 2014-11-22 The Bible’s story of creation in Genesis names Adam as the first human in history. His story with Eve in the Garden of Eden is widely known—but what if he actually played a larger part in the story of humanity? In The Gospel of Adam, David L. Bishop takes well-known stories and characters from history and presents them through the eyes of Adam, as though he were living throughout all time on a mission to restore fallen humanity to a place worthy of returning to perfection. Following Adam through his profound interactions with Noah, King David, Jesus of Nazareth, and even Adolf Hitler, this book shows how Adam struggles not only with his mission to help humanity but also his own internal doubts as a man of faith. In the vein of works like The Da Vinci Code and The Last Templar, Bishop’s The Gospel of Adam weaves history, philosophy, religion, and politics throughout a thought-provoking first-person narrative that both challenges and inspires the reader to consider what it really means to be human.

**Faith** Daniel Jennings 2015-08-01 What do we do when life goes completely contrary to the way we feel it should? How do we handle life’s disappointments, heartaches and let downs? All people suffer but not all respond appropriately to their sufferings. For some, suffering turns to bitterness and unforgiveness towards God. For others it turns to despair and, sometimes, even suicide and we are led to ask the question: how does one handle the big (and small) setbacks, hurts and disappointments that we all experience? In 2012 the author entered into a season of suffering unlike any he had experienced before and found himself faced with many questions for which he had no answer: Where was God? Why had He abandoned him? What should he do? Who can help? As he journeyed through the darkest night of his soul he discovered a way of looking at life that not only made sense of the suffering he was experiencing but also helped him to see suffering in a way he had never seen it before as he looked at it through the lens of faith. In this book the author provides hope for every hurting soul, demonstrating that no matter how hurtful your situation has been, there is good behind and in it and though you may have felt like God was nowhere to be found He was there with you all of the time.
