Surrender, Submit, Serve Her. Key Barrett 2016-12-22 What is 'Female Leadership'? It's accepting that 'She knows best' in all matters. From the finances to the household to how best to accomplish long-term goals. It's trusting in Her judgement to run things and embracing 'Her way'. This doesn't make the man weak, just the opposite, because men are the best at 'getting things done' when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side's strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex.Surrender, Submit, Serve Her seeks to help implement your Female Led household through tools like the Command and Conquer meeting (commanding and conquering tasks and roadblocks, not people), laying out the contract of servitude (clearly defining her dominion and removing unnecessary confusion) and crafting your own pledge that personalizes and empowers the act of his submission.Surrender, Submit, Serve Her has been nominated for the BDSM Writers Con 2017 Golden Flogger Awards for BEST BDSM Book of the Year in the Non-fiction category.Updated for 2018! Better formatting and new content.

The Dominatrix Manual Mistress Dede 2015-02-13 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!
