SSeventh-Grade eventh-Grade MMath Minutesath Minutes

Seventh grade is an extremely important math year in the lives of students. It is often one of the final years for students to solidify their basic math skills before moving on to the abstract world of algebra and geometry. The focus of Seventh-Grade Math Minutes is math fluency—teaching students to solve problems effortlessly and rapidly.

Effects of Technology on Student Learning - ed

example, Schaen, et al. (2016), discuss a project they conducted that allowed third grade leaders and first graders to work together and create an app that will allow kindergarteners to practice math strategies. This weeklong project allowed students to use technology, collaborate, and teach. Schaen, et al. study discussed the process that
