Show the child how to use this book. The student should use 2–4 pages per day. Help the child as needed. If the child ever struggles with any of the activities, you should sit down with the child and get started on the page, you should be a good example. Let the child take over, once he

teaches correct mistakes or criticizes the student's creative work. The coloring and writing activities in this book are designed to allow the child to express himself freely through his own unique experiences. Creative play has a negative impact on a child's creative flow, so it is

important to let the child have full freedom of expression. 4. Give the child your undivided attention. 5. Encourage the child to talk about the work. 6. Tell me what you feel. 7. It is important to encourage the child to talk about the work. 8. 2. He asks me why I am doing this. 3. You are doing it all wrong. 4. I am not counting. 5. He asks me why I am doing this. 6. It is important to encourage the child to talk about the work. 7. He asks me why I am doing this. 8. He asks me why I am doing this. 9. He asks me why I am doing this. 10. I am not counting. 11. He asks me why I am doing this. 12. He asks me why I am doing this. 13. He asks me why I am doing this. 14. He asks me why I am doing this. 15. He asks me why I am doing this
