What is a Private Foundation - Foundation Source

A private foundation is an independent legal entity set up for solely charitable purposes. Unlike a public charity, which relies on public fundraising to support its activities, the funding for a private foundation typically comes from a single individual, a family, or a corporation, which receives a tax deduction for donations.

Foundation Basics | Council on Foundations

Family foundations are usually funded by an endowment from a family. With family foundations, the family members of the donor(s) have a substantial role in the foundation's governance. Corporate foundations (or

company-sponsored foundations) are philanthropic organizations that are created and financially supported by a corporation. The foundation is created as a separate ...
