A Clever Alliance: a Regency Romance Laura Beers 2019-08-14 Lady Madalene Ramsbury has been summoned home from Miss Bell's Finishing School to some unfortunate news. In three weeks, she is to be married to a man she's never met.

Rather than face a life she does not want; she flees from her own engagement party and elicits help from a most unlikely source. Society's golden boy, Everett, the Marquess of Northampton, was outraged when a young woman suddenly appeared in his curricle. Was she attempting to trap him into an unwanted marriage? It would be just like some overzealous mother to put her up to such a ploy. However, it doesn't take long for him to discover that Madalene is unlike any woman he has ever known. With her reputation in shambles, Lady Madalene and Everett hatch a plan to solve both of their problems, a fake engagement. But as they

spend time together, they realize more is on the line than just a blossoming friendship. And with danger ever present from her jilted suitor, Everett and Madalene find themselves relying on one another in ways they'd never imagined... but can they trust each other with their hearts? Prequel Novella: The Heiress (Ladies of Miss Bell's Finishing School)

Tess of the D'urbervilles Thomas Hardy 1905

For Love Or Honor Sarah M. Eden 2017 "From the moment they met, Marjie's heart has belonged to handsome Captain Stanley Jonquil, younger brother of the Earl of Lampton. But six long months ago, when Stanley's sense of honor required that he do as he had sworn and return to the Continent to fight in defense of King and country, neither Stanley nor Marjie could have dreamed what the cost of his service would be. It has been ages since Stanley last wrote, and Marjie and the Jonquil family are plagued by his unknown fate--until the day he unexpectedly reappears. Marjie's joy, however, is quickly shadowed by confusion--the aloof, battle-worn soldier before her is not the man he once was. In the wake of Stanley's blatant disinterest in renewing their acquaintance, Marjie's devastation turns to determination as she vows to help him find peace. But his scars run far deeper than anyone realizes. Despite his feelings for her, Stanley believes Marjie deserves a man whose hands are not stained with the violence of battlefields and whose mind and heart are not haunted by the horrors he has seen. Honor requires Stanley to return once more to the life he has grown to despise, one he knows will destroy him in the end, even as his heart beckons him to stay with Marjie, the only woman he could ever love, and the promise, at last, of redemption."--

As You Are Sarah M. Eden 2014-01-03 A horse breeder by trade, Corbin Jonquil is more at home in the stables than in the ballroom of his sprawling estate. Corbin is the quietest of the Jonquil brothers and has always faded into the background, contentedly unnoticed. When a mysterious young widow, Mrs. Clara Bentford, moves into the neighborhood, however, Corbin quickly comes to realize that being noticed has its advantages. But how to catch the eye of the lady? According to his

brothers, Corbin need only make a few simple changes to transform himself into the object of any woman's desire—dubious advice, indeed. Following a series of misadventures, Corbin and Clara slowly lower the facades behind which they've been hiding, leaving Corbin shocked by the horrors that haunt the woman he's coming to care for so ardently. When the menace of Clara's past threatens to tear them apart and tensions mount, will the couple have the courage to fight for the promise of forever?

Romancing Daphne Sarah M. Eden As her first London Season looms before her, the thought of the impending social whirl fills Daphne Lancaster's timid heart with dread. She hasn't her sisters' beauty nor their talent for conversing easily. Even her family's enviable connections may not be enough to prevent disaster. But Daphne's misery turns to

surprised delight when the first event of her Season brings an unexpected visitor to her door--James Tilburn, whose tender kindness stole her heart in her youth. When the handsome young gentleman expresses his desire to court her, Daphne is elated. Their feelings for each other quickly grow, and it appears that, much to Daphne's disbelief, her happily ever after is within reach. Yet nothing is as it seems. The couple finds themselves caught in a tangled web of greed and deceit, leaving James and Daphne to determine whether they are willing to risk everything for true love.

Undaunted Hope (Beacons of Hope Book #3) Jody Hedlund 2015-12-29 Readers Await This Dramatic Conclusion to the Beacons of Hope Series Tessa Taylor arrives in 1870s Upper Peninsula, Michigan, planning to serve as a new teacher to the town. Much to her dismay, however, she immediately learns that there was a mistake, that the town had requested a male teacher. Percival Updegraff, superintendent and chief mine clerk, says she can stay through winter since they won't be able to locate a new teacher before then, and Tessa can't help but say she is in his debt. Little does she know that Percival will indeed keep track of all that she owes him. Determined to become indispensable, Tessa throws herself into teaching, and soon the children of the widowed lighthouse keeper have decided she's the right match for their grieving father. Their uncle and assistant light keeper, Alex Bjorklund, has his own feelings for Tessa. As the two brothers begin competing for her hand, Tessa increasingly feels that someone is tracking her every move, and she may not be able to escape the trap that has been laid for her.

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you

might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time.

The Heart of a Vicar Sarah M. Eden 2019 "... When Sarah's ailing uncle summons her back to the family estate in England, there is only one person from her past she is reluctant to see again: Harold Jonquil, the only man who has ever claimed her heart. But when she comes face-to-face with her former beau, she hardly recognizes the aloof and dull man before her. She is determined to help Harold rediscover the passion he once felt toward his chosen profession. Soon, despite their exasperation with each other, they cannot deny the stirring of feelings long buried--but is it too late for second chances?"--

Mastering Witchcraft Paul Huson 2006 An enduring classic since its publication in 1970, *Mastering Witchcraft* is one of the best how-to manuals for those wishing to practice traditional European Witchcraft as a craft rather than a New

Age religion. Starting from first principles, Huson instructs the novice step by step in the arts of circle casting, blessing and banning, the uses of amulets and talismans, philters, divination, necromancy, waxen images, knots, fascination, conjuration, magical familiars, spells to arouse passion or lust, attain vengeance, and of course, counter-spells to exorcize and annul the malice of others."A genuine vade mecum."-The Catholic Herald.

Friends and Foes Sarah M. Eden 2012-01-01 After five years of tracking and capturing spies on English soil, Philip Jonquil, Earl of Lampton, is in pursuit of his last quarry--a dangerous French spy. But when Sorrel Kendrick inadvertently stumbles upon a crucial piece of the puzzle (making her indispensable to the mission), can these two proud hearts negotiate a ceasefire when cooperation matters most?

Letters Mary Wortley Montagu 2015-04-01 Immensely learned, self-educated in an era when formal schooling was denied to women, Mary Wortley Montagu was an admired poet, a consistently scandalous doyenne of eighteenth-century London society, and, in a period when letter-writing had been elevated to an art form, one of the greatest letter writers in the English language. Her epistles, meant for both public and private consumption, are the product of a mind distinguished by its adventurousness, its indifference to convention, and its eagerness not only to acquire knowledge but to convey it with unmitigated style and grace. The Old-fashioned Fairy Book Mrs. Burton Harrison 1884

Finnegans Wake James Joyce 2012-06-14 In Chapelizod, a suburb of Dublin, an innkeeper and his family are sleeping. Around them and their dreams there swirls a vortex of world history, of ambition and failure, desire and transgression, pride and shame, rivalry and conflict, gossip and mystery.

The Encyclopedia of Occult Sciences M. C. Poinsett 2019-12-07 To those who will only believe in

phenomena which are reproducible at will, it is easy to answer them: you do not manufacture comets, meteorites, magnetic disturbances due to sunspots, and yet you observe them. Metapsychical phenomena are registered in the records of Occultism. That is all. The only thing to do is to check them. But the right remains to unite them amongst themselves by an attempt at a general explanation. The study of the Invisible, of the forces which it conceals, of the human fluids, is yet but at its dawn. Patience ! To deny is absurd. To observe is scientific. To think is wise. This is what I have done. It is what you will do after having read this book, the well arranged summing up of vast reading and lengthy thought.

Courting Miss Lancaster Sarah M. Eden 2010 Harry Windover adores blonde, green-eyed Athena Lancaster, but alas, a penniless man like himself has no hope of winning a young noblewoman's hand. To add insult to injury, Athena's brother-in-law and guardian, the Duke of Kielder, has asked Harry to assist Athena in finding the gentleman of her dreams.

Seeking Persephone Sarah M. Eden 2011-09-01 Lodged deep in a thick forest infested with wild dogs, the Duke of Kielder's castle is as cold and forbidding as the Duke himself, a man with terrible scars on his body and his soul. But the Duke's steely determination to protect his heart at all costs is challenged by his growing attachment to his lovely and gentle bride--Persephone Lancaster.

A Clash of Kings (HBO Tie-in Edition) George R. R. Martin 2012-03-06 THE BOOK BEHIND THE SECOND SEASON OF GAME OF THRONES, AN ORIGINAL SERIES NOW ON HBO. A SONG OF ICE AND FIRE: BOOK TWO In this thrilling sequel to *A Game of Thrones*, George R. R. Martin has created a work of unsurpassed vision, power, and imagination. *A Clash of Kings* transports us to a world of revelry and revenge, wizardry and warfare unlike any we have ever experienced. A comet the color of blood and flame cuts across the sky. And from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. It is a tale in which brother plots against brother and the dead rise to walk in the night. Here a princess masquerades as an orphan boy; a knight of the mind prepares a poison for a treacherous sorceress; and wild men descend from the Mountains of the Moon to ravage the countryside. Against a backdrop of incest and fratricide, alchemy and murder, victory may go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when kings clash, the whole land trembles.

The Transitive Vampire Karen Elizabeth Gordon 1984 Playful and practical, this is the style book you can't wait to use, a guide that addresses classic

questions of English usage with wit and the blackest of humor. Gordon has taken her enormously successful book of English usage and expanded it to include more rules, fine points, examples, and illustrations. Playful and practical, this style book combines classic questions of usage with wit and the blackest of humor.

The Recluse of Wolfeton House Kasey Stockton 2021-04-15 She is holding out for her soul mate; he believes it's him. Hattie Green is five and twenty, unmarried, and growing tired of waiting for fate to hand her a soul mate. But when her sister-in-law arrives for a visit with the intent of helping her find a husband by any means necessary, Hattie digs in her heels—for everyone knows that fate cannot be forced. The Duke of Bentley has gone to extreme measures to ensure his privacy and seclusion far away from Society—the distance is imperative if he wants to keep his family name free of scandal. So when his lovely neighbor breaks through his carefully constructed barriers and piques his interest with their shared affection for painting, Bentley agrees to give her lessons on the condition that they keep them secret. As their clandestine meetings grow increasingly more difficult to hide, Bentley realizes that he must make a choice. Is it worth sacrificing his carefully guarded privacy for the woman of his dreams? Book four in the *Ladies of Devon* series, *The Recluse of Wolfeton House* is a clean Regency romance that continues telling the story of the four women who make up a literary society in Devon and form a lasting friendship.

The Curse of Canaan Eustace Clarence Mullins 2016-01-18 Indeed, the great movement of modern history has been to disguise the presence of evil on the earth, to make light of it, to convince humanity that evil is to be "tolerated," "treated with greater understanding," or negotiated with, but under no circumstances should it ever be forcibly opposed. This is the principal point of what has come to be known as today's liberalism, more popularly known as secular humanism. The popular, and apparently sensible, appeal of humanism is that humanity

should always place human interests first. The problem is that this very humanism can be traced in an unbroken line all the way back to the Biblical "Curse of Canaan." Humanism is the logical result of the demonology of history. Modern day events can be understood only if we can trace their implications in a direct line from the earliest records of antiquity

Sight Nathan Sellers 2021-11-15 Robert's life as an art restorer is ripped away when he is blinded in an untimely accident. Depressed at the loss of his career and connection to his passion, he drowns in darkness. After his death years later, he is shocked to arrive in the afterlife still blind. Paradigms are shattered as he comes to understand that to have his sight restored he will need to challenge his pessimistic, myopic focus and "see" what he failed to see in life, even before he went blind. Will he spend eternity in a self-inflicted hell, or will he abandon his lifelong blindness to see Heaven?**SIGHT** takes you on a journey through pain, trauma, bitterness, and resentment to discover the power of forgiveness and healing by opening one's eyes to the good that always exists in the world around you.

Austenland Shannon Hale 2013 The funny, charming novel for Jane Austen fans, from New York Times-bestselling author Shannon Hale.

Disgrace J. M. Coetzee 2017-01-03 J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. Set in post-apartheid South Africa, J. M. Coetzee's searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes dutifully; and while age has diminished his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. But

when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced. Lurie pursues his relationship with the young Melanie—whom he describes as having hips "as slim as a twelve-year-old's"—obsessively and narcissistically, ignoring, on one occasion, her wish not to have sex. When Melanie and her father lodge a complaint against him, Lurie is brought before an academic committee where he admits he is guilty of all the charges but refuses to express any repentance for his acts. In the furor of the scandal, jeered at by students, threatened by Melanie's boyfriend, ridiculed by his ex-wife, Lurie is forced to resign and flees Cape Town for his daughter Lucy's smallholding in the country. There he struggles to rekindle his relationship with Lucy and to understand the changing relations of blacks and whites in the new South Africa. But when three black strangers appear at their house asking to make a phone call, a harrowing afternoon of violence follows which leaves both of them badly shaken and further estranged from one another. After a brief return to Cape Town, where Lurie discovers his home has also been vandalized, he decides to stay on with his daughter, who is pregnant with the child of one of her attackers. Now thoroughly humiliated, Lurie devotes himself to volunteering at the animal clinic, where he helps put down diseased and unwanted dogs. It is here, Coetzee seems to suggest, that Lurie gains a redeeming sense of compassion absent from his life up to this point. Written with the austere clarity that has made J. M. Coetzee the winner of two Booker Prizes, *Disgrace* explores the downfall of one man and dramatizes, with unforgettable, at times almost unbearable, vividness the plight of a country caught in the chaotic aftermath of centuries of racial oppression.

A Gazetteer of Georgia Adiel Sherwood 1860

Drops of Gold Sarah M. Eden 2013-01-01 When her father dies and leaves her completely destitute, Marion can think of only one thing to do—make a new life for herself. Commencing a life of duplicity,

Marion transforms herself into Mary Wood—governess. In possession of a forged letter of recommendation and cloaked in the anonymity of her new identity, she enters a life of self-imposed servitude as teacher and caretaker of young Miss Caroline Jonquil of the Meadows. Her idyllic vision of life at the Meadows is dashed when she finds a child desperately in need of hope and a cold and sorrowful home haunted by the past. With her characteristic sunny disposition, Marion casts her spell upon the household and slowly brings to life the longforgotten joy of those within. Layton Jonquil is a man tormented by the lies surrounding the death of his late wife, but he cannot deny his

growing attraction for the beautiful governess whose goodness and optimism have touched his dormant heart. Their connection grows ever stronger, and despite the impropriety of harboring feelings for a servant, Layton's heart whispers that this is the woman he's destined to love. But when Layton's fears about the past become too much to bear and the falsehoods in which they are entangled threaten to shatter Marion's and his blossoming attachment, will true love conquer all?
