Pity the Nation Robert Fisk
2001-10-25 Pity the Nation ranks

among the classic accounts of war in our time, both as historical document and as an eyewitness testament to

human savagery. Written by one of Britain's foremost journalists, this remarkable book combines political analysis and war reporting in an unprecedented way: it is an epic account of the Lebanon conflict by an author who has personally witnessed the carnage of Beirut for over a decade. Fisk's book recounts the details of a terrible war but it also tells a story of betrayal and illusion, of Western blindness that had led inevitably to political and military catastrophe. Updated and revised, Fisk's book gives us a further insight into this troubled part of the world. 'Robert Fisk is one of the outstanding reporters of this generation. As a war correspondent he is unrivalled.' Edward Mortimer, *Financial Times*

Hell Hath No Fury Rosalind Miles
2008-02-26 An engaging collection that uncovers injustices in history and overturns misconceptions about the role of women in war When you think of war, you think of men, right? Not so fast. In Hell Hath No Fury, Rosalind Miles and Robin Cross prove that although many of their stories have been erased or forgotten, women have played an integral role in wars throughout history. In witty and compelling biographical essays categorized and alphabetized for easy reference, Miles and Cross introduce us to war leaders (Cleopatra, Elizabeth I,

Margaret Thatcher); combatants (Molly Pitcher, Lily Litvak, Tammy Duckworth); spies (Belle Boyd, Virginia Hall, Noor Inayat Khan); reporters and propagandists (Martha Gellhorn, Tokyo Rose, Anna Politkovskaya); and more. These are women who have taken action and who challenge our perceived notions of womanhood. Some will be familiar to readers, but most will not, though their deeds during wartime were every bit as important as their male contemporaries' more heralded contributions.

From Beirut to Jerusalem: Updated Edition Swee Chai Ang 2019-08-13 This is the story of Dr Ang Swee Chai, a Penang-born orthopaedic surgeon, and her flight to war-torn Lebanon in 1982 to treat the wounded and dying. This book, a quarter of a century

after the massacre in Sabra and Shatila which killed thousands of Palestinian civilians, is a tribute to the ongoing struggle against occupation in the Holy Lands. This 25th anniversary edition also includes the writer's reflections on the Israeli attacks on Gaza in early 2009.

Life Full of Reading Syed Ahmad Fathi bin Syed Mohd Khair 2020-06-05 A quite afternoon, a cozy chair, a warm cup of coffee, and a good book—these are the perfect description of moments that should be cherished in

this short life. Carl Sagan once said that reading is magical, that it enables humans from different epoch to talk to each other; it is more than that. Reading is a gateway to imagination, a world without limit, a safe space to escape from enduring reality. Sometimes it is a space where you socialize without having to meet people. This book is a compilation of book reviews written over the years. The book was broken into two parts, the first part is the long reviews, the second part is the short reviews, which covered a wide range of genre from economics, self-help, novels, comic book to political philosophy and parenting.

Love and Resistance in the Films of Mai Masri Victoria Brittain

2020-02-14 This book covers Mai Masri's three decades documenting iconic moments of Palestinian and Lebanese linked history. Her films, unique for giving agency to her subjects, tell much about the untold, unseen people, namely women and children, who lived these experiences of war and occupation. Former Lebanese political prisoner Soha Bechara praised her feature film 3000 Nights as "the 'Lest we forget' of Palestine." Her focus on the social and political climates of the vivid lives of unseen people connects to the deepening violence in Palestine today.

Husayn 2021-04-14 There is no disagreement between Sunnis and Shias that Imam Husayn's martyrdom in Karbala was a historical event illustrating true Islamic leadership and the exemplary character of someone who made a sincere attempt at safeguarding the ideology of Islam with the intention to retain it as an exact replica of the setup of the Prophetic era. But of late we see attempts by some to make Husayn's martyrdom a Sunni-Shia polemic. This book is in response to that, it

contains four essays on Karbala by four highly respected Sunni scholars and leaders, and we have added a new foreword to expand the story and give the reader a more comprehensive understanding of the importance of this heart-rending tragedy in Islamic history.

Heroes and Martyrs of Palestine Laleh Khalili 2007-03-29 Many decades have passed since the Palestinian national movement began its political and military struggle. In that time, poignant memorials at massacre sites, a palimpsest of posters of young heroes and martyrs, sorrowful reminiscences about lost loved ones, and wistful images of young men and women who fought as guerrillas, have all flourished in Palestinian refugee camps in Lebanon and in the Occupied Palestinian Territories. Heroes and

Martyrs of Palestine tells the story of how dispossessed Palestinians have commemorated their past, and how through their dynamic everyday narrations, their nation has been made even without the institutional memory-making of a state. Bringing ethnography to political science, Khalili invites us to see Palestinian nationalism in its proper international context and traces its affinities with Third Worldist movements of its time, while tapping a rich and oft-ignored seam of Palestinian voices, histories, and memories.

Armed Struggle and the Search for State Yazīd Şāyigh 1997-12-11
This masterly new work spans an entire epoch in the history of the contemporary Palestinian national movement, from the establishment of Israel in mandate Palestine in 1948, to the PLO-Israel accord of 1993. Contrary to the conventional view that national liberation movements proceed with state-building only after attaining independence, the case of the PLO shows that state-building may shape political

institutionalization throughout the previous struggle, even in the absence of an autonomous territorial, economic, and social base. That is the central argument of this insightful study, which traces the political, ideological, and organizational evolution of the PLO and its constituent guerrilla groups. Taking the much-vaunted 'armed struggle' as its connecting theme, it shows how conflict was used to mobilize the mass constituency, assert particular discourses of revolution and nationalism, construct statist institutions, and establish the legitimacy of a new political class and bureaucratic elite. The book draws extensively on PLO archives, official publications and internal documents of the various guerilla groups, and over 400

interviews conducted by the author with the PLO rank-and-file. Its span, primary sources, and conceptual framework make this the definitive work on the subject.

Imam al-Shafi'i In Quest of Knowledge

Islahee Muhammad Yousuf 2015-01-21 In Quest of Knowledge is the story of Imam Muhammad ibn Idris al-Shafi'i's search for knowledge. The story revolves round a son whose sole mission in life is to acquire knowledge, a teacher who lovingly accepts him, and a widow who not only bears with the separation of her only son but also shares his passion for knowledge. Their innate nobility, their ability to suffer for a common cause, their intense love for the Prophet (s) and their infinite trust in Allah give them the dimensions of epic heroes. The invaluable lesson

which Imam al-Shafi'i's story teaches, although it may not have been his main objective, is that Allah befriends and watches over anyone who endeavours to acquire religious knowledge with the intention of disseminating it.

Avicenna Soheil M. Afnan 2015-10-14
This book, first published in 1958, examines the life and works of Avicenna, one of the most provocative figures in the history of thought in the East. It shows him in the right historical perspective, as the product of the impact of Greek thought on Islamic teachings against the background of the Persian Renaissance in the tenth century. His attitude can be of guidance to those in the East who are meeting the challenge of Western civilization; and to those in the West who have yet

to find a basis on which to harmonize scientific with spiritual values.

From Beirut to Jerusalem Ang Swee Chai 2010-08-01
Sebagai seorang Kristen fundamentalis, dulu aku mendukung Israel. Pengalamanku di Sabra-Shatila menyadarkanku bahwa orang Palestina adalah manusia. Kebodohan dan prasangka telah membutakan mataku dari penderitaan bangsa Palestina. Buku ini adalah kesaksianku. Mulanya, karena latar belakang religinya, dr. Ang Swee Chai adalah pendukung Israel. Di matanya, orang Palestina adalah teroris. Namun, pada 1982, Israel menyerang Beirut dengan brutal. Keyakinannya pun mulai goyah. Ia putuskan untuk membuktikan sendiri dengan menjadi sukarelawan medis di Beirut. Di sana, di kamp pengungsian Palestina, setelah menjadi saksi Pembantaian

Sabra-Shatila, akhirnya ia temukan jawaban. Ia berbalik memihak rakyat Palestina, memihak keadilan dan kemanusiaan. Di tanah asing, ia pertaruhkan nyawanya untuk membela orang-orang yang tak punya hubungan darah maupun etnis dengan dirinya, untuk melaksanakan kewajibannya sebagai dokter, sebagai manusia. ?Saya menangis ketika membaca buku ini untuk pertama kalinya. Ilmu kedokteran dan keterampilan sastra menjadikan kesaksian ini begitu mengiris.? ?Farid Gaban, Pena Indonesia ?Buku yang membuat orang AS marah karena kesaksiannya yang berani. Tidak lama kemudian, penerbitan buku ini dihentikan peredarannya di AS.? ?Media Indonesia ?Pembaca akan merasakan kepedihan dan pergolakan yang dialami dr. Ang Swee. Membaca buku ini berarti

merasakan dari dekat pembantaian manusia.? ?Koran Tempo ?Buku yang ditulis secara detail dan menerobos relung jiwa.? ?Gatra ?Catatan yang amat personal tentang kehidupan di kamp pengungsian.? ?The Times ?Penggambaran dr. Ang dalam buku ini membuat peristiwa-peristiwa tersebut terasa seolah-olah baru terjadi kemarin.? ?The Independent ?Sebuah kesaksian tentang pembantaian manusia yang menukik hingga inti permasalahannya.? ?The Guardian Dr. Ang Swee Chai lahir di Malaysia dan dibesarkan di Singapura. Sejak 1977, bersama suaminya tinggal di Inggris. Kini, ia bekerja di St. Bartholomew?s Hospital dan the Royal London Hospital sebagai orthopaedic consultant. Setelah terjadinya Pembantaian Sabra-Shatila, bersama beberapa rekannya, dr. Ang membentuk

offers the fascinating account of Donald E. Wagner's personal experience with the Middle East and calls Western Christians to work with Middle East Christians in healing the pain of Jews and Palestinians. Wagner grippingly tells of his early involvement with streams of Christianity that treat Israel's possession of the Holy Land as fulfillment of a divine plan that will result in the apocalyptic battle of Armageddon.
