faces from without. But it will only succeed in doing so if it also continues to evolve as it has over the past two centuries.

Refuge in Britain British Information Services 1949

100 Inspiring Rafflesians, 1823-2003 Guan Heng Tan 2008 100 years after its first publication, the twelfth edition of this world-famous bestseller gives the most up-to-date picture of the English language today. The original 1911 edition, revolutionary at the time for its focus on current English and its use of illustrative examples, combined a succinct yet approachable style with coverage of everyday as well as specialist terms. This centenary edition continues this ground-breaking tradition, giving you rich authoritative coverage of Englishes it is used today. The CD-ROM version of the dictionary offers full-text search functionality, instant look-up from WindowsRG documents, including email and the internet, and high-quality spoken pronunciations for thousands of words, making it ideal for family use, as well as for home, work, and school use. The CD-ROM is both WindowsRG and Mac compatible.

The Morning Post Abdul Samad Said 2009

Life Full of Reading Syed Ahmad Fathi bin Syed Mohd Khair 2020-06-05 A quite afternoon, a cozy chair, a warm cup of coffee, and a good book--these are the perfect description of moments that should be cherished in this short life. Carl Sagan once said that reading is magical, that it enables humans from different epoch to talk to each other; it is more than that. Reading is a gateway to imagination, a world without limit, a safe space to escape from enduring reality. Sometimes it is a space where you socialize without having to meet people. This book is a compilation of book reviews written over the years. The book was broken into two parts, the first part is the long reviews, the second part is the short reviews, which covered a wide range of genre from economics, self-help, novels, comic book to political philosophy and parenting.

Avicenna Scheil M. Afnan 2015-10-14 This book, first published in 1958, examines the life and works of Avicenna, one of the most provocative figures in the history of thought in the East. It shows him in the right historical perspective, as the product of the impact of Greek thought on Islamic teachings against the background of the Persian Renaissance in the tenth century. His attitude can be of guidance to those in the East who are meeting the challenge of Western civilization; and to those in the West who have yet to find a basis on which to harmonize scientific with spiritual values.

Searching for Solace M. A. Sherif 1994 This is the first detailed account of the life and ideas of 'Abdullah Yusuf 'Ali, whose The Holy Qur'an: Text, Translation and Commentary is the most widely used English translation of the Qur'an. This is a candid and sympathetic study that draws on Yusuf 'Ali's writings and private papers, as well as unpublished sources.

In Other Words Mona Baker 2011-01-25 In Other Words is the definitive coursebook for anyone studying translation. Assuming no knowledge of foreign languages, it offers both a practical and theoretical guide to translation studies, and provides an important foundation for training professional translators. Drawing on modern linguistic theory, this best-selling text provides a solid base to inform and guide the many key decisions trainee translators have to make. Each chapter offers an explanation of key concepts, identifies potential sources of translation difficulties related to those concepts, and illustrates various strategies for resolving these difficulties. Authentic examples of translated texts from a wide variety of languages are examined, and practical exercises and further reading are included at the end of each chapter. The second edition has been fully revised to reflect recent developments in the field and new features include: A new chapter that addresses issues of ethics and ideology, in response to increased pressures on translators and interpreters to demonstrate accountability and awareness of the social impact of their decisions. Examples and exercises from new genres such as audiovisual translation, scientific translation, oral interpreting, website translation, and news/media translation. New project-driven exercises designed to support MA dissertation work Updated references and further reading. A companion website featuring further examples and tasks Written by Mona Baker, a leading international figure in the field, this key text is the essential coursebook for any student of translation studies.

Exile in Israel Runa Mackay 1995-04-15 An account of forty years in the life of a British doctor working with victims of war and exile in Israel, Lebanon and the Occupied Territories.

Amoral America

From Beirut to Jerusalem Swee Chai Ang 1989

Sabra and Shatila Bayan Nuwayhed al-Hout 2004-08-20 'The story of a teenager crossing Hitler's Europe with only her own courage and luck to sustain her. ... Stunning.' Elaine Feinstein

Covering Islam Edward W. Said 2015-08-19 In this classic work, now updated, the author of Culture and Imperialism reveals the hidden agendas and distortions of fact that underlie even the most "objective" coverage of the Islamic world. From the Iranian hostage crisis through the Gulf War and the bombing of the World Trade Center, the American news media have portrayed "Islam" as a monolithic entity, synonymous with terrorism and religious hysteria. At the same time, Islamic countries use "Islam" to justify unrepresentative and often repressive regimes. Combining political commentary with literary criticism, Covering Islam continues Edward Said's lifelong investigation of the ways in which language not only describes but also defines political reality.

The Jerusalem Talmud Jacob Neusner 2010-07-30 "The Jerusalem Talmud," or "Yerushalmi," or "Talmud of Jerusalem," describes but also defines political reality. Covering Islam continues Edward Said's lifelong investigation of the ways in which language not only describes but also defines political reality.
the Land of Israel," is a commentary on the oral law (the Mishnah) of Israel that ties that oral law to the written law (the Torah, the Hebrew Scripture). Completed about 200 years prior to "The Babylonian Talmud (Bavli)", it records the first such compilation of Jewish scholarly thought. Jacob Neusner completed this monumental American translation and commentary of "The Jerusalem Talmud" in the last decade, but until now it has been expensive and difficult to obtain. Now all thirty-nine Yerushalm tractates as translated by Professor Neusner and Tzvee Zahavy have been brought together in this CD-ROM. In addition to a preface and general introduction to the whole work, Professor Neusner has provided fresh and helpful introductions to each of the tractates. He has also provided within his translation the references to Bible verses alluded to in the "Yerushalmi." This electronic edition contains the full content of the translation, commentary on most of the tractates, and introductions to each. Enabling instantaneous searches by word or phrase, it has exceptional research capabilities--and opens swift avenues for exploration and discovery.

War Surgery Hans Husum 1996-03 This is a handbook for surgeons and other medical staff who find themselves having to meet the needs of injured people in situations of war. The book covers assessment and procedures for surgical intervention in a wide variety of circumstances, and also includes a wealth of information on the organization of war medical services and on approaches to setting up forward clinics.

Philosophical Perspectives on the Israeli-Palestinian Conflict Tomis Kapitan 2015-06-11 This volume addresses a number of philosophical problems that arise in consideration of the century-old conflict between Israeli Jews and Palestinian Arabs. Consisting of essays by fifteen contributors (including both Israeli and Palestinian philosophers) and a lengthy introduction by the editor, it deals with rights to land, sovereignty, self-determination, the existence and legitimacy of states, cultural prejudice, national identity, intercommunal violence, and religious intransigence.

From Beirut to Jerusalem: Updated Edition Swee Chai Ang 2019-08-13 This is the story of Dr Ang Swee Chai, a Penang-born orthopaedic surgeon, and her flight to war-torn Lebanon in 1982 to treat the wounded and dying. This book, a quarter of a century after the massacre in Sabra and Shatila which killed thousands of Palestinian civilians, is a tribute to the ongoing struggle against occupation in the Holy Lands. This 25th anniversary edition also includes the writer's reflections on the Israeli attacks on Gaza in early 2009.

Love and Resistance in the Films of Mai Masri Victoria Brittain 2020-02-14 This book covers Mai Masri's three decades documenting iconic moments of Palestinian and Lebanese linked history. Her films, unique for giving agency to her subjects, tell much about the untold, unseen people, namely women and children, who lived these experiences of war and occupation. Former Lebanese political prisoner Soha Bechara praised her feature film 3000 Nights as "the 'Lest we forget' of Palestine." Her focus on the social and political climates of the vivid lives of unseen people connects to the deepening violence in Palestine today.

From Beirut to Jerusalem Thomas L. Friedman 2010-04-01 This revised edition of the number-one bestseller and winner of the 1989 National Book Award includes the Pulitzer Prize-winning author's new, updated epilogue. One of the most thought-provoking books ever written about the Middle East, From Beirut to Jerusalem remains vital to our understanding of this complex and volatile region of the world. Three-time Pulitzer Prize winner Thomas L. Friedman drew upon his ten years of experience reporting from Lebanon and Israel to write this now-classic work of journalism. In a new afterword, he updates his journey with a fresh discussion of the Arab Awakenings and how they are transforming the area, and a new look at relations between Israelis and Palestinians, and Israelis and Israelis. Rich with anecdote, history, analysis, and autobiography, From Beirut to Jerusalem will continue to shape how we see the Middle East for many years to come. "If you're only going to read one book on the Middle East, this is it."--Seymour M. Hersh

Heroes and Martyrs of Palestine Laleh Khalili 2007-03-29 Many decades have passed since the Palestinian national movement began its political and military struggle. In that time, poignant memorials at massacre sites, a palimpsest of posters of young heroes and martyrs, sorrowful reminiscences about lost loved ones, and wistful images of young men and women who fought as guerrillas, have all flourished in Palestinian refugee camps in Lebanon and in the Occupied Palestinian Territories. Heroes and Martyrs of Palestine tells the story of how dispossessed Palestinians have commemorated their past, and how through their dynamic everyday narratives, their nation has been made even without the institutional memory-making of a state. Bringing ethnography to political science, Khalili invites us to see Palestinian nationalism in its proper international context and traces its affinities with Third Worldist movements of its time, while tapping a rich and often-ignored seam of Palestinian voices, histories, and memories.

Longitudes and Attitudes Thomas L. Friedman 2003 Collects the twice-weekly columns by the foreign affairs writer for "The New York Times" as published since September 11 to document the nation's emotional and analytical responses to the terrorist attacks and their aftermath.

Pity the Nation Robert Fisk 2001-10-25 Pity the Nation ranks among the classic accounts of war in our time, both as historical document and as an eyewitness testament to human savagery. Written by one of Britain's foremost journalists, this remarkable book combines political analysis and war reporting in an unprecedented way: it is an epic account of the Lebanon conflict by an author who has personally witnessed the carnage of Beirut for over a decade. Fisk's book recounts the details of a terrible war but it also tells a story of betrayal and illusion, of Western blindness that had led inevitably to political and military catastrophe. Updated and...
revised, Fisk’s book gives us a further insight into this troubled part of the world. ‘Robert Fisk is one of the outstanding reporters of this generation. As a war correspondent he is unrivalled.’ Edward Mortimer, Financial Times

The Arab Christian
Kenneth Cragg
1991-01-01
Centuries before the existence of the Islamic faith, there were Arabs who could be described as Christian. And there has been a Christian Arabism, an Arab Christianity, since Muhammad’s day. Arab Christianity has survived Muslim dominance, and this enlightening book takes an in-depth look at its survival.

Israel's Lebanon War
Ze’ev Schiff
1985-06-03
A detailed narrative by two Israeli journalists on the origins, conduct, and political repercussions of the Lebanon war, based on previously unreleased documents and interviews with high officials.

From Beirut to Jerusalem
Ang Swee Chai
2010-08-01

Keyakinannya pun mulai goyah. Ia putuskan untuk membuktikan sendiri dengan menjadi sukarelawan medis di Beirut. Di sana, ia mengetahui bahwa keadilan dan kemanusiaan perlu diperjuangkan. Ia berbicara dengan orang-orang yang paling memerlukan bantuan, dan ia berharap bisa membantu mereka.

Kesaksiannya sangat bermakna. Ia memberi tahu kita bahwa kita perlu belajar dari krisis dan kegagalan yang terjadi. Ia memberi tahu kita bahwa kita perlu belajar dari kesalahan yang terjadi.

The Independent: Sebuah kesaksiyan tentang pembantaian manusia yang menekan batin kita. Buku ini memberi tahu kita bahwa kita perlu merasa bahwa kita adalah manusia.

The Guardian: Sebuah kesaksiyan tentang pembantaian manusia yang membuka permasalahan di Lebanon.
