Research Handbook on Asian Financial Law
Douglas W. Arner 2020-01-31
This comprehensive Research Handbook provides an in-depth analysis of the different financial law approaches, legal systems and trends throughout Asia. It considers how reforms following the crises have been critical to the development and growth of the region and explores a broad range of post-crisis financial regulatory issues. This timely book also examines how inconsistent and divergent approaches to financial market regulation are curtailing the region's potential.
