The Calhouns Nora Roberts 2014 On the rocky coast of Maine sits a magnificent family mansion that is home to a legend of long-lost love, hidden emeralds and four sisters determined to save their home against all odds... Courting Catherine All hard-driving executive Trenton St. James III had on his mind was business—making the final arrangements to buy a run-down old mansion on the coast of Maine. He wasn't expecting any complications. And he definitely wasn't expecting anything like Catherine 'C.C.' Calhoun. And the instant she laid eyes on architect Sloan O'Riley, she knew he was trouble. So this arrogant, insufferable Harvard-educated cowboy thought he was going to turn her family's beloved - and slightly decrepit - home into a hotel, did he? Well, she'd just see about that... Sloan seemed a little too interested in Calhoun family history - their famous missing emeralds, for instance. He also seemed a little too interested in Amanda. The hotel was shaping up nicely under his oh-so-skilled hands. But it was becoming clear that Amanda was what he most wanted to get those hands on...
