On Culture, Art and Literature José Maria Sison 2021-04-23 Jose Maria Sison: "Inasmuch as culture is a reflection of economics and politics, literature and art are the finest and most sensitive ideological forms for summing up social reality. We can create revolutionary literature and art only by carefully and meticulously keeping to the revolutionary stand, viewpoint and method of the class which leads the broad masses of the people in the life-and-death struggle between progress and reaction."About the AuthorJose Maria Sison has written books on a wide range of subjects, encompassing Philippine history, society, revolution, politics, economy, culture, art and literature. His books of poems include Brothers, Prison and Beyond and The Guerrilla Is Like a Poet (using as book title his best known poem and including his latest poems). His poems have been
included in Philippine and world anthologies of poetry. He is a recipient of the Literary Achievement Award for poetry and essay from the Writers' Union of the Philippines in 1985 and the National Book Award for Poetry (Prison and Beyond), Manila Critics Circle in 1985. He won the Southeast Asia WRITE Award for poetry in 1986. He was lauded for the social vision and artistry of his poems.

**AD ASTRA PER ASPERA** HENRY WESTWOOD 2011-05-05 AD ASTRA PER ASPERA. The second book of the Hoille/Nuttall trilogy. Lord Pennywort was having to question his loyalties; to his alien friends whom he had served since his abduction in 1666, or to his new friends Vicky and Trevor who he greatly admired. Could he work with both to find a way forward and help the Earth find a new stability? The Earth was in turmoil following the ravages of plague; the population was decimated; utilities greatly diminished, and looting and riots were frequent. Vicky and Trevor were hoping that Lord Pennywort, with his powers, would work
with the nations left to bring back some stability, but would this all be too much opening the way for the Siriusians to move to Earth? Would it end Trevor and Vicky's hopes of going, Ad Astra, to the stars. This book is not just science fiction, it has love and romance, wickedness and murder, warmth and laughter and a good sprinkling of suspense. It will make the reader sit up and take notice; it is close to the truth!

_Empress_ Shan Sa 2009-10-06 Such is the voice of Shan Sa's unforgettable heroine in her latest literary masterpiece, Empress. Empress Wu, one of China's most controversial figures, was its first and only female emperor, who emerged in the seventh century during the great Tang Dynasty and ushered in a golden age. Throughout history, her name has been defamed and her story distorted by those taking vengeance on a woman who dared to become emperor. But now, for the first time in thirteen centuries, Empress Wu (or Heavenlight, as we come to know her) flings open the gates of the Forbidden City and tells her own astonishing tale—revealing a fascinating, complex figure who in many ways remains modern to this day. Writing with epic assurance, poetry, and vivid historic detail, Shan Sa plumbs the psychological and philosophical depths of what it means to be a
striving mortal in a tumultuous, power-hungry world. Empress is a great literary feat and a revelation for the ages.

El Filibusterismo  José Rizal 1968  José Rizal has a good claim to being the first Asian nationalist. An extremely talented Malay born a hundred years ago in a small town near Manila, educated partly in the Philippines and partly in Europe, Rizal inspired the Filipinos by his writing and example to make the first nationalist revolution in Asia in 1896. Today the Philippines revere Rizal as their national hero, and they regard his two books, The Lost Eden (Noli Me Tangere) and The Subversive (El Filibusterismo) as the gospel of their nationalism. The Subversive, first published in 1891, is strikingly timely today. New nations emerging in Africa and Asia are once again in conflict with their former colonial masters, as were the Filipinos with their Spanish rulers in Rizal's day. The Subversive poses questions about colonialism which are still being asked today: does a "civilizing mission" justify subjection of a people? Should a colony aim at assimilation or independence? If independence, should it be by peaceful evolution or force of arms? Despite the seriousness of its theme, however, The Subversive is more than a political novel. It is a romantic, witty, satirical portrait of Spanish colonial rule in the Philippines at the end of the nineteenth century, written in the tradition of the great adventure romances. The translation by Leon Ma. Guerrero, Philippine ambassador to the Court of St. James, conveys the immediacy of the original, and makes this important work available to a new generation of readers. His translation of The Lost Eden is also available in the Norton Library.
