## **Shitty First Drafts - University of Kentucky**

10 Almost all good writing begins with terrible first efforts. You need to start somewhere. Start by getting something -- anything -- down on paper. A friend of mine says that the first draft is the down draft -- you just get it down. The second draft is the up draft -- you fix it up. You try to say what you have to say more

characteristics of success at Google are all soft skills: being a good coach; communicating and listening well; possessing insights into others (including others' different values and points of view); having empathy toward and being supportive of one's colleagues; being a good critical thinker and problem solver; and being able to
