Fiela's Child Dalene Matthee 2012-10-02 A child wanders too far into the Knysna Forest ... he never returns. Nine years later government officials working on a census find a white child living with a Coloured family in the mountains beyond the forest. They take him away from the stricken Fiela, who has brought him up as her son, and give him back to his 'original' family. Stunned and helpless, Benjamin waits for Fiela to reclaim him. But, powerless against authority, Fiela never comes. Benjamin has to grow up before he can go in search of the truth ...

Patriots & Parasites Dene Smuts 2016-11-01 Patriots & Parasites, completed just days before Smuts's unexpected death in 2016, is her account of the momentous period in South African history known as the Transition Era, through the lens of her 25-year career as a key opposition MP and a respected legislator. With ambitious breadth and rare insight, she examines: The arduous but exhilarating work of writing the Constitution and the Bill of Rights; The great experiment in catharsis that was the Truth and Reconciliation Commission; The reinvigoration of racial polarisation under the Mbeki administration, and the slow burn of resentment that is coming to a head among the next generation (as manifested in the #RhodesMustFall campaign); The entrenchment of cronyism under Zuma, and the fight to protect the crucial balance of accountability enshrined in the freedom of the media and the independence of the judiciary.

Identities in Transition Paige Arthur 2010-12-13 In many societies, histories of exclusion, racism and nationalist violence often create divisions so deep that finding a way to deal with the atrocities of the past seems nearly impossible. These societies face difficult practical questions about how to devise new state and civil society institutions that will respond to massive or systematic violations of human rights, recognize victims and prevent the recurrence of abuse. Identities in Transition: Challenges for Transitional Justice in Divided Societies brings together a rich group of
international researchers and practitioners who, for the first time, examine transitional justice through an 'identity' lens. They tackle ways that transitional justice can act as a means of political learning across communities; foster citizenship, trust and recognition; and break down harmful myths and stereotypes, as steps toward meeting the difficult challenges for transitional justice in divided societies.

**Mindset** Carol S. Dweck 2006-02-28 The updated edition of the bestselling book that has changed millions of lives with its insights into the growth mindset “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, GatesNotes After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

The Landlady (A Roald Dahl Short Story) Roald Dahl 2012-09-13 The Landlady is a brilliant gem of a short story from Roald Dahl, the master of the sting in the tail. In The Landlady, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, a young man in need of room meets a most accommodating landlady . . . The Landlady is taken from the short story collection Kiss Kiss, which includes ten other devious and shocking stories, featuring the wife who pawns the mink coat from her lover with unexpected results; the priceless piece of furniture that is the subject of a deceitful bargain; a wronged woman taking revenge on her dead husband, and others. 'Unnerving bedtime stories, subtle, proficient, hair-raising and done to a turn.' (San Francisco Chronicle) This story is also available as a Penguin digital audio download read by Tamsin Greig. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration Mary Scannell 2010-05-28 Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of
managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more. Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

Georgetown University Round Table on Languages and Linguistics (GURT) 2000: Linguistics, Language, and the Professions James E. Alatis 2002-05-22 The 2000 Georgetown University Round Table on Languages and Linguistics brought together distinguished linguists from around the globe to discuss applications of linguistics to important and intriguing real-world issues within the professions. With topics as wide-ranging as coherence in operating room communication, involvement strategies in news analysis roundtable discussions, and jury understanding of witness deception, this resulting volume of selected papers provides both experts and novices with myriad insights into the excitement of cross-disciplinary language analysis. Readers will find—in the words of one contributor—that in such cross-pollination of ideas, "there's tremendous hope, there's tremendous power and the power to transform."
Memory Activities for Language Learning with CD-ROM Nick Bilbrough 2011-03-10 Alongside listening, speaking, reading and writing, memory underpins every aspect of successful language learning. Memory Activities for Language Learning explores the cognitive processes of memory and provides a bank of activities to facilitate their development. This book will help teachers discover what makes language memorable, as well as how to optimize learners' language memory by engaging and developing their abilities to recognize, notice, store, retrieve and reactivate language. Recent developments in psycholinguistics and corpus linguistics, including a renewed focus on the importance of acquiring a critical mass of lexis and phraseology as soon as possible, have
made this practical advice even more critical. Photocopiable material for use in the classroom can be printed out from the accompanying CD-ROM.

The South African Education Policy Review is an invaluable historical archive. It is a source book on policies, conflicts, developments and perspectives on education policy in the period 1993 to 2000. Drawing from a selection of articles from the successful Quarterly Reviews of Education and Training produced by the Education Policy Unit of the University of Witwatersrand, this book provides readers with detailed accounts of educational changes in South Africa over the past decade. It reflects upon significant events, trends and debates and provides insightful analysis of this extremely momentous period of South Africa's history.
