2 An earlier paper (Cole and Ohanian 1999) describes the data and the detrending procedure in detail. One difference in detrending between this paper and the earlier paper is that we detrend real manufacturing wages by the average growth rate in manufacturing compensation during the postwar period (1.4 percent per year).

Bank Runs, Deposit Insurance, and Liquidity Douglas W.

Institutions in place since the Great Depression have successfully prevented bank runs in the United States since the 1930s. Nonetheless, we are grateful for helpful comments from Milt Harris, Burt Malkiel, Mike Mussa, ... This paper gives the first explicit analysis of the demand for liquidity and the "transformation" service provided by banks. Unin-

Nonmonetary Effects of the Financial Crisis in the Propagation ...

The great severity of the banking crises in the Great Depression is well known to students of the period. The percentages of operating banks which

failed in each year from 1930 to 1933 inclusive were 5.6, 10.5, 7.8, and 12.9; because of failures and mergers, the number of banks operating at the end of 1933 was only just above half the number

Aggregate Demand and Aggregate Supply Effects of COVID ...

Great Recession. Low energy prices could potentially offset some of the negative supply effects: oil prices have plummeted due to a combination of OPEC policies and weak fuel demand.⁴ In this article, we quantify the relative magnitudes of the aggregate demand and aggregate supply shocks during the first two quarters of COVID-19. Our identification

treat, picks the paper off the lawn and drops it at the front door on an icy afternoon or even a shared cup of coffee with an old friend. Not surprisingly, research even suggests that there are many benefits to being thankful including feeling happier ...

The Happiness Trap

Like a lion placed in a paper cage, human beings are generally most trapped by the illusions of their own mind. But despite the appearance the cage is not really a barrier that can contain the human spirit. There is another way forward, and with this book Dr Harris shines a powerful and loving beacon forward into the night, lighting that path.
