The Craft of Research, Third Edition Wayne C. Booth 2009-05-15 With more than 400,000 copies now in print, The Craft of Research is the unrivaled resource for researchers at every level, from first-year undergraduates to research reporters at corporations and government offices. Seasoned researchers and educators Gregory G. Colomb and Joseph M. Williams present an updated third edition of their classic handbook, whose first and second editions were written in collaboration with the late Wayne C. Booth. The Craft of Research explains how to build an argument that motivates readers to accept a claim; how to anticipate the reservations of readers and to respond to them appropriately; and how to create introductions and conclusions that answer that most demanding question, “So what?” The third edition includes an expanded discussion of the essential early stages of a research task: planning and drafting a paper. The authors have revised and fully updated their section on electronic research, emphasizing the need to distinguish between trustworthy sources (such as those found in libraries) and less reliable sources found with a quick Web search. A chapter on warrants has also been thoroughly reviewed to make this difficult subject easier for researchers Throughout, the authors have preserved the amiable tone, the reliable voice, and the sense of directness that have made this book indispensable for anyone undertaking a research project.

Great Sentences for Great Paragraphs Keith S. Folse 2004-06-01 The Second Edition of Great Sentences for Great Paragraphs teaches beginning- and low-intermediate-level students the grammar needed for accurate sentence construction and the basics of paragraph development. The text uses sample paragraphs to provide students with authentic input regarding English composition, paragraph organization, and cohesion. In addition, contextualized grammar activities, suggestions for additional writing practice, journal-writing assignments, and an emphasis on peer editing all work together to help students develop academic writing skills. Word Building feature offers practice with common suffixes and helps students develop a rich vocabulary. Building Better Sentences encourages students to practice constructing and combining sentences—the cornerstones of good paragraph writing. Many guided writing activities are supported by additional online material and provide independent practice of targeted structures. Activities with additional web-based content are indicated by icons in the text. Quizzes on the instructor web site help you assess student progress.

Get Writing: Sentences and Paragraphs Mark Connelly 2007-01-20 The GET WRITING: SENTENCES AND PARAGRAPHS is a flexible textbook that meets the needs of a variety of developmental writers including recent high school graduates, working adults, and those for whom English is a second language. GET WRITING gives students the opportunity to acquire skills and develop confidence through their own writing. It motivates and shows relevance by having students write for various purposes and write about their own goals, families, jobs, college-life, personal interests, and the world around them. Throughout the book students are given the opportunity to express themselves on a range of issues and then examine and improve their words, sentences, and paragraphs. Above all, GET WRITING asks students to think critically and sharpen their editing skills by asking them two basic questions: What are you trying to say? and What have you written?
