Listening to Longwave 2007-01-01 An introduction to the "basement band" or longwaves of the radio spectrum.

SolderSmoke  Bill Meara 2014-11-16 SolderSmoke is the story of a secret, after-hours life in electronics. Bill Meara started out as a normal kid, from a normal American town. But around the age of 12 he got interested in electronics, and he has never been the same. To make matters worse, when he got older he became a diplomat. His work has taken him to Panama, Honduras, El Salvador, the Spanish Basque Country, the Dominican Republic, the Azores islands of Portugal, London, and, most recently, Rome. In almost all of these places his addiction to electronics caused him to seek out like-minded radio friends, to stay up late into the night working on strange projects, and to build embarrassingly large antennas above innocent foreign neighborhoods. SolderSmoke takes you into the basement workshops and electronics parts stores of these exotic foreign places, and lets you experience the life of an expatriate geek. If you are looking for restaurant or hotel recommendations, look elsewhere. But if you need to know where to get an RF choke rewound in Santo Domingo, SolderSmoke is the book for you. SolderSmoke is no ordinary memoir. It is a technical memoir. Each chapter contains descriptions of Bill's struggles to understand (really understand) radio-electronic theory. Why does P=IE? Do holes really flow through transistors? What is a radio wave? How does a frequency mixer produce sum and difference frequencies? If these are the kinds of questions that keep you up at night, this book is for you. Finally, SolderSmoke is about brotherhood. International, cross-border brotherhood. Through the SolderSmoke podcast we have discovered that all around the world, in countries as different as Sudan and Switzerland, there are geeks just
like us, guys with essentially the same story, guys who got interested in radio and electronics as teenagers, and who have stuck with it ever since. Our technical addiction gives us something in common, something that transcends national differences. And our electronics gives us the means to communicate. United by a common interest in radio, and drawn closer together by means of the internet, we form an "International Brotherhood of Electronic Wizards."

The Trader's Dream Anna Jacobs 2012-10-11 Bram Deagan dreams of bringing his family from Ireland to join him in Australia, where he now runs a successful trading business. But when a typhus epidemic strikes Ireland, it leaves the Deagan family decimated. And, with other family members scattered round the world, it is left to Maura Deagan to look after her orphaned nieces and nephew. Forced to abandon her own ambitions, and unsure whether she is ready to become a mother to three young children, Maura makes a drastic decision: to join Bram in far-away Australia. They set sail on the SS Delta, anxious for their futures. It is only when a storm throws Maura and fellow passenger Hugh Beaufort together that she realises this journey may also give her a chance to pursue a dream she set aside long ago: to have a family of her own. That is, until someone from Hugh's past threatens to jeopardise everything . . . ***************

The Trader's Reward Anna Jacobs 2014-04-24 1871. When Fergus Deagan's wife dies in childbirth, she makes him promise to take their family from Ireland to Western Australia to join his brother Bram, and also to marry again to make sure their children don't miss out on a mother's love. Disowned by her father for becoming pregnant, Cara Payton bears a stillborn baby. She struggles on in deep despair, until a plea to wet-nurse a motherless baby gives her life new purpose. When Fergus
proposes marriage, she accepts. She respects him and is happy to stay with the baby she now loves. During the voyage to Australia, she and Fergus draw closer, until her past rears its ugly head and they face a terrible crisis . . . When they finally get to Fremantle, Fergus and Bram, always rivals, struggle to get along. To make matters worse, Bram has financial problems and there is no railway where Fergus can find engineering work. Can the two brothers solve their problems? And will the newcomers find a way to build a new life? ************** What readers are saying about THE TRADER'S REWARD 'An excellent book, and series, that I couldn't put down. Definitely worth reading' - 5 stars 'A great end to a wonderful series' - 5 stars 'Fantastic reading' - 5 stars 'Brilliant as always' - 5 stars 'I loved this one as much as the rest of the Trader Saga' - 5 stars

The Trader's Gift Anna Jacobs 2013-07-04 Happy and content with a beautiful wife and thriving family, successful trader Bram is determined to help his two friends Mitchell and Dougal find wives. In England, Eleanor Prescott has not forgotten the ship's captain who was a true friend to her. Dougal McBride told her to come to him when she was ready. When her ailing husband dies, she wonders if she dare return to Western Australia. Will Dougal still want her after nearly a year?

Mitchell Nash, Bram Deagan's friend in Australia, has asked his cousin in England whether he knows of any lady who might be suitable for him to marry. Though what sort of woman would make such an arduous voyage to marry someone she's never met? For one widow, however, desperate to keep her young son from a cruel relative's clutches, Mitchell's invitation is a lifeline she will grasp with both hands. Clutching their courage in both hands, Eleanor and Jacinta take a huge risk on the chance of happiness and set off for Australia. But the troubles of their old lives can't be easily left behind . . . ************** What readers are saying about THE TRADER'S GIFT 'A wonderfully written, enjoyable story' - 5 stars 'No surprise that this is yet another fantastic read from Anna Jacobs' - 5 stars 'Anna Jacobs is an amazing story teller, she never disappoints and you are hooked from the first page' - 5 stars 'Loved this book and all the other books in the Traders Series. Taliban Narratives Thomas H. Johnson 2018-02-01 Why has the Taliban been so much more effective in presenting messages that resonate with the Afghan population than the United
States, the Afghan government and their allies? This book, based on years of field research and the assessment of hundreds of original source materials, examines the information operations and related narratives of Afghan insurgents, especially the Afghan Taliban, and investigates how the Taliban has won the information war. Taliban messaging, wrapped in the narrative of jihad, is both to the point and in tune with its target audiences. On the other hand, the United States and its Kabul allies committed a basic messaging blunder, failing to present narratives that spoke to or, often, were even understood by their target audiences. Thomas Johnson systematically explains why the United States lost this "battle of the story" in Afghanistan, and argues that this defeat may have cost the US the entire war, despite its conventional and technological superiority.

Lord Haw-Haw
William Joyce 2018-10-22
Along with his later Twilight over England, these two writings by Irish American William Joyce ("Lord Haw-Haw"), first published during his years of activism in Britain prior to the Second World War, sums up in many respects the worldview of this most famous radio propaganda broadcaster in history. Joyce was from its earliest inception an active member of Oswald Mosley’s British Union of Fascists (BUF), and easily its best public speaker. After 1937, when he left the BUF, he formed his own organisation, the British National Socialist League (BNSL). It was for the latter organisation that Joyce penned National Socialism Now—his manifesto to the British people on how a National Socialist Britain would be structured. It includes sections on the "meaning of National Socialism," "The menace of Class War and Snobbery," "The National Socialist structure of government," the "Need of economic revolution," "Finance and the people," "Machinery and shorter hours," "Scientific regulation as opposed to Laissez Faire," a detailed discussion on the future of the Empire and foreign policy, the need to use "legal and constitutional methods," religious freedom, and the Jewish Question. Although the BNSL was highly active, it was never allowed the chance to test itself electorally, as the advent of the war—against which Joyce warned in his manifesto—saw the mass arrest of dissidents in Britain and Joyce's exile in Germany. The second essay, Fascism and Jewry, was written as a BUF leaflet in 1935, which describes the attacks on the BUF by Jews and the organisation's official response. This new edition has been completely reset with a new biography of the author, and has 54 supplementary footnotes to allow the modern reader to understand all the references in the text to events and personalities of the time.

The Worldwide Listening Guide
John A. Figliozzi 2020
This new, expanded 9th edition of John Figliozzi's popular Listening Guide explains radio listening in all of today's formats - - "live," on-demand, WiFi, podcast, terrestrial, satellite, internet, digital and, of course, analog AM, FM, and SW. The introductory section explains all of the newest delivery methods for radio, and the devices used to access broadcasts from around the world at any time of day or night. Listening to programs from distant lands is no longer a late night activity dependent upon shortwave propagation conditions. The Worldwide Listening Guide shows you how to access all of this audio
content using the many different delivery platforms available today. Programs are listed by time of day, and also listed by program type or topic area. Focus is on English language programs.

Nothing in Reserve Jack Lewis 2011

Nothing in Reserve invites the reader to an intimate glimpse of one soldier's journey to Iraq and back. True stories set in wartime, these are not war stories. Jack Lewis offers an unexpectedly vulnerable glimpse into one of the timeless tests men have faced: going to war, and returning home. While the veteran will find honesty and truth within, this book brings a fresh insight to anyone interested in what it is we ask of our soldiers. Early stories give an authentic and often funny glimpse of military life, building to a crisis of self all too common among returning soldiers. Exploring the universal human question of how we move through our lives, acknowledging mortality and pain without becoming lost within it, Jack shares with us his own journey toward elusive redemption.
Berkowitz, Turney climbed to even higher heights – and, as it turned out, plummeted to even lower depths – as, by day, he solidified his reputation one of the Street’s most powerful healthcare traders, and by night, he blazed a path through the city’s nightclubs, showing off his social genius and voraciously inhaling any drug that would fill the void he felt inside. A mesmerizingly immersive journey through Wall Street’s first millennial decade, and a poignant self portrait by a young man who surely would have destroyed himself were it not for his decision to walk away from a seven-figure annual income, The Buy Side is one of the best coming-of-age-on-the-Street books ever written.
