The Real Heaven Chip Ingram 2016-02-23 Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

WARNING: This is not the actual book Heaven is for Real by Todd Burpo & Lynn Vincent. Do not buy this Summary, Review & Analysis if you are looking for a full copy of this great book. Todd Burpo is a Christian pastor who details the stories his son told in the months following his surgery. This summary of Heaven is for Real breaks down each chapter into easy-to-digest nuggets of information. After surgery, Colton tells detailed stories of Heaven. He talks of people he couldn't possibly know, such as his miscarried sister. He claims to have not only met Jesus, along with his colorful horse, but he also claims that he met angels, Mary, and even his great-grandfather as a young man. This summary brings all this and more together, while also offering short biographies of the authors involved. Critics counter with the fact that there is no medical data to back any of this up, but true believers don't care: Heaven is for Real. Heaven is for Real is a #1 New York Times bestseller by Lynn Jackson and Todd Burpo. This thought-provoking Christian book hit shelves in 2010, and to date, it has sold well over a million e-book copies alone. As detailed in this expert summary, the book tells the tale of Colton Burpo, Todd's 3-year-old (at the time) son who nearly died after a bout with appendicitis. Is Heaven real? According to Colton it is, as he wakes from surgery and tells his dad a detailed story of his time there. A movie based on the book starring Greg Kinnear is set to hit theaters in April 2014.

Heaven is for Real is a book which tells an incredible story of a young girl (she was ten years when these visions took place) who was taken up and shown the kingdom of heaven by our Lord and savior Jesus Christ. For four hours, she passed through the stairway of heaven on a tour of heaven and was shown so many deep and amazing things about heaven, the earth and what is to come. New-1st Release-(April 2014)-I just want to say this is not the actual Heaven is for Real book- I made it look similar, so you would know the book is in reference. I will also share with you my own NDE (Near Death Experience) in detail. I only share this, because it has a whole lot to do with what I believe Colton Burpo actually experienced. These are Colton Burpo's own words from a live TV interview that was videotaped and archived, so there can be no denying its truth. You can go view the video for yourself so you don't have to take anyone else and their word for it. I will provide a link at the bottom of this page. Marilyn Hickey, asked Colton, “Did you see God when you were in Heaven (Hickey, 2011)?” Colton Burpo said, “Um, I did see God, but he pretty much looked like Gabriel he was just a larger version (Hickey, 2011).” Todd Burpo abruptly intervenes and Colton quickly looks to his dad and his dad (with what some may
perceive as leading) says, “A much larger version...right (Hickey, 2011)?” 19:20 min into 28 min video. Colton says, “But, what Gabriel and God looked like is they had yellow hair that went down to their shoulders, um blue eyes, a really bright smile, a golden sash, white robes, but God's wings were the biggest. See those wings and you’d be amazed.Okay look at this, another interview where Colton says that he didn't even see God's face he was so big. So, did he see God's face, or didn't he see God's face? 10:20 into the video (Host): “You were meeting a lot of nice people, weren't you (Colton shakes his head) and then Jesus and God? Tell us about Jesus, tell us about God that you remember.” Colton: “Well, with Jesus, he has a rough kind face....”(Host): “In the book, you don't spend a lot of time describing God, but you simply said he is big” Colton: “Big” Host): “And that was your impression, I mean do you, did you remember any facial characteristics, or were you that close to him?” Colton: “Um, you really couldn't see his face since he was so big, but he was just this huge angel with massive wings.” Colton actually says that the paperback (trade) book, “Heaven is for Real” is his dad's story, his dad' book, but the Heaven is for Real kid's version is his story. The host of Praise the Lord on TBN was talking to Colton about the kid's book version of Heaven is for Real and how it has its own rackspace and display in the store. About 48:15 min into the interview (Praise the Lord Host): “This is kinda like your book, a chance for you to express. Talk to me about this book.” Colton, “Well, the kids book it's more for kids, it has a lot of pictures in there, but the trade book (looked towards his dad kinda matter-fact-attitude) was more my dad's story. Now, the kid's book is my story... So, it gives you more of an insight on what Heaven is.” Click the links to go to the videos Hickey, M. (2011, October 19). Heaven Is for Real Deluxe Edition Todd Burpo
2011-10-31 #1 New York Times best-seller with more than 11 million copies sold and Amazon’s #17 best-selling book of all time. Heaven Is for Real was the best-selling non-fiction book of 2011 as reported by Nielsen’s Bookscan, and was developed as a major motion picture by Sony in 2014. “Do you remember the hospital, Colton?” Sonja said. “Yes, mommy, I remember,” he said. “That’s where the angels sang to me.” When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren’t expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy’s trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how “really, really big” God is, and how much God loves us. Retold by his father, but using Colton’s uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, “Nobody is old and nobody wears glasses.” Heaven Is for Real will forever
change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in Heaven Changes Everything: The Rest of Our Story. Heaven Is for Real also is available in Spanish, El cielo es real. 

What Did Jesus Look Like? Joan E. Taylor 2018-02-08 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Under the Banner of Heaven
Jon Krakauer 2004-06-08
NATIONAL BESTSELLER •
From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America’s isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer’s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America’s fastest growing religion, and raises provocative questions about the nature of religious belief.

The 12 Olympian Gods Drawing & Coloring Book Lazaros' Blank Books 2016-08-02 Learn important things about the 12 Olympian Gods, draw and color their figures in an amazing semi-blank book by Lazaros' Blank Books. From Goddesses Athena, Aphrodite, Artemis and Demetra to Gods Ares, Zeus, Poseidon and Apollon. Enjoy. Religion of a Different Color W. Paul Reeve 2015-01-30 Mormonism is one of the few homegrown religions in the United States, one that emerged out of the religious fervor of the early nineteenth century. Yet, members of the Church of Jesus Christ of Latter-day Saints have struggled for status and recognition. In this book, W. Paul Reeve explores the ways in which nineteenth century Protestant white America made outsiders out of an inside
religious group. Much of what has been written on Mormon otherness centers upon economic, cultural, doctrinal, marital, and political differences that set Mormons apart from mainstream America. Reeve instead looks at how Protestants racialized Mormons, using physical differences in order to define Mormons as non-White to help justify their expulsion from Ohio, Missouri, and Illinois. He analyzes and contextualizes the rhetoric on Mormons as a race with period discussions of the Native American, African American, Oriental, Turk/Islam, and European immigrant races. He also examines how Mormon male, female, and child bodies were characterized in these racialized debates. For instance, while Mormons argued that polygamy was ordained by God, and so created angelic, celestial, and elevated offspring, their opponents suggested that the children were degenerate and deformed. The Protestant white majority was convinced that Mormonism represented a racial—not merely religious—departure from the mainstream and spent considerable effort attempting to deny Mormon whiteness. Being white brought access to political, social, and economic power, all aspects of citizenship in which outsiders sought to limit or prevent Mormon participation. At least a part of those efforts came through persistent attacks on the collective Mormon body, ways in which outsiders suggested that Mormons were physically different, racially more similar to marginalized groups than they were white. Medical doctors went so far as to suggest that Mormon polygamy was spawning a new race. Mormons responded with aspirations toward whiteness. It was a back and forth struggle between what outsiders imagined and what Mormons believed. Mormons ultimately emerged triumphant, but not unscathed. Mormon leaders moved away from universalistic ideals toward segregated priesthood and temples, policies firmly in place by the early twentieth
century. So successful were Mormons at claiming whiteness for themselves that by the time Mormon Mitt Romney sought the White House in 2012, he was labeled "the whitest white man to run for office in recent memory."

Ending with reflections on ongoing views of the Mormon body, this groundbreaking book brings together literatures on religion, whiteness studies, and nineteenth century racial history with the history of politics and migration.

Of the many good gifts the Lord has given his church on earth, none exceeds that of his love. The things of this earth are temporary, but “love never ends” (1 Cor. 13:8)—it is a present taste of future glory, made available through communion with the Holy Spirit. In this classic work, Heaven Is a World of Love, New England pastor Jonathan Edwards encourages Christians struggling through the imperfect life here on earth to experience the perfect love of God through an exposition of the biblical foundations for the cause of God’s love, the objects of God’s love, the enjoyment of God’s love, and the fruits of God’s love. Each page of pastoral insight will leave readers hungry to experience more of God.

God Is for Real Todd Burpo 2017-09-26 GOD IS FOR REAL, a new book from author of the best-seller HEAVEN IS FOR REAL, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, Heaven Is for Real, was about the then and there of heaven, GOD IS FOR REAL is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?
