Huddle Brooke Baldwin 2021-04-06 Wall Street Journal Bestseller CNN news anchor Brooke Baldwin explores the phenomenon of “huddling,” when women lean on one another—in politics, Hollywood, activism, the arts, sports, and everyday friendships—to provide each other support, empowerment, inspiration, and the strength to solve problems or enact meaningful change. Whether they are facing adversity (like workplace inequity or a global pandemic) or organizing to make the world a better place, women are a highly potent resource for one another. Through a mix of journalism and personal narrative, Baldwin takes readers beyond the big headline-making huddles from recent years (such as the Women’s March, #MeToo, Times Up, and the record number of women running for public office) and embeds herself in groups of women of all ages, races, religions and socio-economic backgrounds who are banding together in America. **Huddle** explores several stories including: The benefits of all-girls learning environments, such as Karlie Kloss’s Kode with Klossy and Reese Witherspoon’s Filmmaker Lab for Girls in which young women are given the freedom to make mistakes, and find their confidence. The tactics employed by huddles of women who work in male-

dominated industries including a group of US veterans/Democratic Congresswomen, a huddle of African-American judges in Harris County, Texas, and an all-female writers room in Hollywood. The wisdom of huddling from trusted pioneers such as Gloria Steinem, Billie Jean King, and Madeleine Albright as well as contemporary trailblazers like Stacey Abrams and Ava DuVernay. How professionals such as Chef Dominique Crenn and sports agent Lindsay Colas use their success to amplify other women in their fields. The ways huddles of women are dedicated to making seismic change, including a look at Indigenous women saving the planet, the women who founded Black Lives Matter, the mothers fighting for sensible gun laws, America’s favorite female athletes (Megan Rapinoe, Hilary Knight, and Sue Bird to name a few) agitating for equal pay, and female teachers rallying to improve their working conditions. The bond between women who practice self-care and trauma healing together, including the women who courageously survived sexual abuse, and the women who heal together in *The Class* and *GirlTrek*. The ways women are becoming more intentional about the life-saving power of friendship, including the bonds between military wives, new moms, and nurses getting through the time of Covid. Throughout her

examination of this fascinating huddle phenomenon, Baldwin learns about the periods of huddle ‘droughts’ in America, as well as the ways that Black women have been huddling for centuries. She also uncovers how huddling can be the “secret sauce” that makes many things possible for women: success in the workplace, effective grassroots change, confidence in girlhood, and a better physical and mental health profile in adulthood. Along the way, Baldwin takes readers through her own personal journey of growing up in the South and climbing the ladder of a male-dominated industry. Like so many women in her field, she encountered many sharp elbows on her career path, but became an early believer in adding more seats to the table and huddling with other women for strength and solidarity. In the process of writing HUDDLE, Baldwin learns that this seemingly new phenomenon is actually something women have been doing for generations—a quiet, collective power she learns to unlock in her transformation from journalist to champion for women.

The Rebuilding Year Kaje Harper 2017-06-26 It took losing nearly everything, to discover what they can’t live without. A few excruciating minutes pinned under a burning beam cost Ryan Ward his job as a firefighter, the easy camaraderie of his coworkers, his current girlfriend, and damn near cost him his left leg. Giving up, though, wasn’t an option. He fought and won the battle back to health, over a painful year. Now, choosing a new profession, going back to school, and renting a room from the college groundskeeper should be simple. Until he realizes he’s falling in love with his housemate, and things take a turn for the complicated. John Barrett knows about loss. After moving twice to stay in touch with his kids, he could only watch as his ex-wife whisked them away to California. Offering Ryan a room seems better than rattling around his empty house alone. But as casual friendship moves to something more, and emotions heat up, the big old house feels like tight quarters. It’s nothing they can’t learn to navigate, until life adds in unhappy teen kids, difficult family

members, and mysterious deaths on campus. Rebuilding will be far from easy, even for two guys willing to open their minds, and hearts.

Undeniable Bonds Kaje Harper 2021-06-10 Some bonds are strong enough to last a lifetime, and change the world. Rory O’Sullivan has spent his life alone. Once upon a time, he made one real human connection as a gay man. That moment happened in Nazi captivity, and the wolf he escaped with was a Soviet soldier. They had a taste of what love might mean, but in 1944, personal happiness had to come second to survival. Now, seventy years later, when he feels the presence of Nikolai, somehow close and needing him after all that time, no one— not gay Alpha Aaron of the Minneapolis West pack, or rising political threats, or even top Alpha Rick Brown himself— will stop him. Rory’s going to answer the appeal he’s waited a lifetime for. Some bonds can’t be denied.

Essentialism Greg McKeown 2014-04-15 NEW YORK TIMES BESTSELLER • More than one million copies sold! Essentialism isn’t about getting more done in less time. It’s about getting only the right things done. “A timely, essential read for anyone who feels overcommitted, overloaded, or overworked.”—Adam Grant Have you ever: • found yourself stretched too thin? • simultaneously felt overworked and underutilized? • felt busy but not productive? • felt like your time is constantly being hijacked by other people’s agendas? If you answered yes to any of these, the way out is the Way of the Essentialist. Essentialism is more than a time-management strategy or a productivity technique. It is a systematic discipline for discerning what is absolutely essential, then eliminating everything that is not, so we can make the highest possible contribution toward the things that really matter. By forcing us to apply more selective criteria for what is Essential, the disciplined pursuit of less empowers us to reclaim control of our own choices about where to spend our precious time and energy—instead of giving others the implicit permission to choose for us. Essentialism is not one more thing—it’s a whole new way of

doing everything. It's about doing less, but better, in every area of our lives. Essentialism is a movement whose time has come.

The Death and Life of Great American Cities Jane Jacobs
2016-07-20 Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satirical account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

Encyclopedia of Toxicology Bruce Anderson 2005-05-31 The second edition of the *Encyclopedia of Toxicology* continues its comprehensive survey of toxicology. This new edition continues to present entries devoted to key concepts and specific chemicals. There has been an increase in entries devoted to international organizations and well-known toxic-related incidents such as Love Canal and Chernobyl. Along with the traditional scientifically based entries, new articles focus on the societal implications of toxicological knowledge including environmental crimes, chemical and biological warfare in ancient times, and a history of the U.S. environmental movement. With more than 1150 entries, this second edition has been expanded in length, breadth and depth, and provides an extensive overview of the many facets of toxicology. Also available online via ScienceDirect - featuring extensive browsing, searching, and internal cross-referencing between articles in the work, plus dynamic linking to journal

articles and abstract databases, making navigation flexible and easy. Trapped by Greed Kaje Harper 2021-07-29 Silas Thornwood's worst nightmare has come to life. Darien's familiar Pip is gravely injured, and Darien and Jasper have been kidnapped. Someone ruthless and violent is holding the man Silas loves prisoner, for purposes he doesn't want to imagine. Silas needs help from his friends to locate and rescue Darien. And when he does, those responsible— whether sorcerer, human, or demon— are going to be truly, utterly sorry...

Sparring Partners John Grisham 2022-05-31 #1 NEW YORK TIMES BESTSELLER • John Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America's favorite storyteller has several surprises in store. "Homecoming" takes us back to Ford County, the fictional setting of many of John Grisham's unforgettable stories. Jake Brigance is back, but he's not in the courtroom. He's called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he's leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In "Strawberry Moon," we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can't save him, the courts slam the door, and the governor says no to a last-minute request for clemency.

As the clock winds down, Cody has one final request. The "Sparring Partners" are the Malloy brothers, Kirk and Rusty, two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told.

Unsafe Exposure Kaje Harper 2021-04-27 Nothing wrecks a guy's day like finding out he's a werewolf. From the moment artist Dylan Shore arrives in Chicago, his life gets twisted like a kaleidoscope. Why does a street gang he's never met before want him dead? Why is a hot but odd mathematician stalking him? And how can half the things Alex Corwin says possibly be true, no

matter how honest he seems? Alex has a frightening dilemma. Dylan is attractive, appealing, out and proud. He's also completely unaware that he's a werewolf. It shouldn't be Alex's job to tell him, and warn him that gay wolves usually end up dead. But someone has to, before he finds out in blood and violence. Chicago's not Alex's hometown, but somehow he needs to protect Dylan from the local packs, protect the wolves from being outed by Dylan, and keep his cool around the first man to touch his own deeply-closeted heart. (This is a lightly edited rerelease of the 2016 original.)

Unplanned Coda Kaje Harper 2021-10-23 He'll get by with a little help from his mate. When Paul's long-buried past reaches out for him, having Simon at his back should make all the difference. The shy, studious teen who ditched his hometown is now a grown man with a good life, an honorable profession, and a werewolf boyfriend. So why is still so hard to go home? A new 37,000 word novella in the same time frame as book 6 in the Hidden Wolves series brings challenges, pain, love, and their HEA for our favorite guys. Content warning for assisted suicide.

ALEC Kaje Harper 2022-09-13 Coming back from loss, one heartbeat at a time. Alec ran from his grief over the death of his son, throwing a few things in his car and driving west. In the town

of Gaynor Beach, CA, he hit the shore and stopped. The next step would be off a broken pier into the ocean and although he stands daily watching the waves, he's not quite ready for that. Especially when a young voice like his son's, behind him, says, "Hey, Mister, you wanna see a picture of an albatross?" Joe brought his preteen son to Gaynor Beach, looking for a better place to raise his kid. Kevin loves California—the beaches, the marine life, the weather, and the freedom. But when Joe finds out Kevin's "ghost down by the pier" is a living, grieving, and much too appealing man, this simple new life is about to change, for all of them. * hurt-comfort, single dad, grief and recovery, sweet rescue dog, bright preteen, HEA The books in the Single Dads of Gaynor Beach series stand alone, but why not check them all out and meet the wide range of complicated, wonderful men raising kids in this fictional California town.

A Curse So Dark and Lonely Brigid Kemmerer 2019-01-29 A New York Times bestseller! "Has everything you'd want in a retelling of a classic fairy tale." - Jodi Picoult, New York Times bestselling author of *A Spark of Light* and *Small Great Things* "Absolutely spellbinding." - Stephanie Garber, #1 New York Times bestselling author of *Caraval* and *Legendary* In a lush, contemporary fantasy retelling of *Beauty and the Beast*, Brigid Kemmerer gives readers another compulsively readable romance perfect for fans of Marissa Meyer. Fall in love, break the curse. It once seemed so easy to Prince Rhen, the heir to Emberfall. Cursed by a powerful enchantress to repeat the autumn of his eighteenth year over and over, he knew he could be saved if a girl fell for him. But that was before he learned that at the end of each autumn, he would turn into a vicious beast hell-bent on destruction. That was before he destroyed his castle, his family, and every last shred of hope. Nothing has ever been easy for Harper. With her father long gone, her mother dying, and her brother barely holding their family together while constantly underestimating her because of her cerebral palsy, she learned to be tough enough to survive. But

when she tries to save someone else on the streets of Washington, DC, she's instead somehow sucked into Rhen's cursed world. Break the curse, save the kingdom. A prince? A monster? A curse? Harper doesn't know where she is or what to believe. But as she spends time with Rhen in this enchanted land, she begins to understand what's at stake. And as Rhen realizes Harper is not just another girl to charm, his hope comes flooding back. But powerful forces are standing against Emberfall . . . and it will take more than a broken curse to save Harper, Rhen, and his people from utter ruin.

Deliverance Dakota Banks 2012-03-27 "A gut-kick of a read, with non-stop action and as inventive a world as I've ever seen." —Vicki Pettersson, New York Times bestselling author of the *Signs of the Zodiac* series "Great characters who jump from the page; a smart, layered plot, and pacing that screams. This is the kind of book that makes you look forward to a rainy day." —John Gilstrap, author of *Nathan's Run* "Readers...will devour Banks's clever and compelling *Mortal Path* series. Assassins, demons, and danger, oh my!" —Lisa Gardner, #1 New York Times bestselling author of *Love You More* Dakota Banks has taken the supernatural thriller and given it a breathtaking new twist! *Deliverance* is the third book in Banks's relentlessly exciting urban fantasy series, *Mortal Path*, featuring heroine Maliha Crayne, once a demon's henchwoman and paranormal assassin now determined to atone for her centuries of murderous acts. A cross between *Tomb Raider's* Lara Croft and *Marvel Comics's* Elektra, Maliha finds her powers are rapidly fading in *Deliverance*, and discovers that her quest to avoid eternal damnation has put those she loves most in gravest peril. Banks's *Deliverance* delivers suspense and edge-of-your-seat adventure—a non-stop paranormal roller coaster ride that fans of Jeaniene Frost, James Rollins, Vicki Pettersson, and *Indiana Jones*, won't want to miss.

Unexpected Demands Kaje Harper 2021-02-25 He'd rather fight enemy wolves and rogue humans than face his own heart. When

Aaron took down a violent, power-crazed wolf and inherited half a pack, he knew being Alpha wasn't going to be easy. A week later, he's finding out what an understatement that was. Other werewolves are calling for the extermination of his pack's gay wolf, or for Aaron's own death, and the risk of exposure to humans is growing. Aaron can't afford to let his long-suppressed sexuality escape his rigid control. When one of his younger wolves is in trouble, it's simply Aaron's job as Alpha to help and protect him. But keeping a cool distance from a young man who appeals to all his senses could be Aaron's toughest challenge.

Consumed by Fire Kaje Harper 2022-08-20 Sometimes you have to fight fire with fire. Darien's ready for a quiet life— back to studying, sleeping with his ridiculously appealing necromancer, playing magical Fetch with his dog. But breaking the demon portals was only a temporary solution, when there are sorcerers out there rebuilding them. Much as he'd like to shove the rest of the job on someone else, Darien's not willing to see his world burn. Silas is ready to turn the whole hunting-dark-sorcerers mess over to the Guild. Except he doesn't trust his council members as far as he can throw them, the sorcerer Chicago has sent sets his teeth on edge, and if they get it wrong, Darien's life is at risk. So with Grim at his side, and Pip encouraging Darien, they, Jasper, and Magda will take on one more hunt to find and stop the portal-builders.

Home Work Kaje Harper 2012-10 Coming together as a family was supposed to make life happy-ever-after for Mac and Tony, but their two uprooted kids, demanding jobs, and a less than gay-friendly world don't seem to have gotten the message. Mac and Tony thought the hard part was over. They're together openly as a couple, sharing a home and building a life with their two children. It's what they dreamed of. But daughter Anna struggles with the changes, Ben is haunted by old secrets, Mac's job in Homicide still demands too much of his time, and Tony is caught in the middle. It's going to take everything these men can give to create a viable

balance between home and work. Especially when the outside world seems determined to throw obstacles in their way.

Don't Plan to Stay Kaje Harper 2017-12-08 Donnie doesn't think he's worth a second chance. Adam does. At eighteen, Donnie Kagan's plans for graduation, and maybe even college, were derailed by a beer, a stoplight, and a fatal crash. Now he's twenty-four, out of prison, and bitterly determined to start over. But with the holidays approaching, he can't resist a quick trip home to Tallbridge, North Dakota, and the man he left behind. Just a fast look, to make sure Adam's doing all right, before Donnie starts his new life. He doesn't plan to stay. Adam Lindberg's been waiting six years to get closure with Donnie. He missed that chance after the accident, fighting for his life in a hospital bed as Donnie pled guilty and disappeared into the justice system. Adam's tried to move on, but he never found another guy he cared about the same way. So when Donnie shows up in Tallbridge, Adam's ready to fight for more than three words of goodbye. If Adam asks for Donnie's help with the family store, maybe he'll stay long enough to finally talk about the future, and the past.

12 Rules for Life Jordan B. Peterson 2018-01-23 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr.

Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

Marked by Death Kaje Harper 2020-10-23 Asking a necromancer for help is scary; falling for him may be downright terrifying.

Darien Green's afraid he's going insane. The voices in his head are getting louder, weirder, and more numerous. But tattoos appearing on his skin say that there might be a magical reason, something other than his own brain going around the bend. He's worked up the nerve to ask the local necromancer for help. Now he just has to survive his encounter with tall, dark, and talks-to-ghosts. Necromancer Silas Thornwood doesn't appreciate being woken out of his bed by a stranger pounding on his door. But when that stranger turns out to be a half-frozen young man with an unexpected appeal, Silas can't turn him away. Even Grim, his cat-familiar, agrees— in a world of death and demons, protecting gorgeous, ghost-ridden Darien is Silas's next difficult job.

Unjustified Claims Kaje Harper 2021-04-06 His pack would've killed him for his kinks and desires, but his human lover might destroy his wolf. Brandt Davis loved being part of his Michigan werewolf pack, until they found his stash of gay porn. He escaped their anger, running in wolf-form into the wilderness, but he can't live that way forever. And he can't hide in fur like a coward when an injured man needs his help. Ethan Sjulstad knows life is making him crazy when a solo hike into the Minnesota Boundary Waters seems reasonable. Then a bad fall leaves him seriously hurt and facing death. Delirious, he hallucinates being rescued by a big gray wolf and a naked woodland godling. For a man who has always loved fantasy, it's worth surviving just to find out what the hell is going on. (This is a lightly edited rerelease of the 2014 original.)

Building Forever Kaje Harper 2019-08-29 Four years ago, Ryan and

John decided they'd wait to get married until it came with full legal equality. Now, thanks to the Supreme Court, that historic moment has finally arrived. But three hundred miles separate Ryan's hectic residency from John's busy campus job. With a son in college, a daughter choosing her future, and a rambunctious Irish Setter needing attention, planning a wedding isn't simple. Of course, even the most perfect ceremony can't solve all their problems. What does it take to build forever?

Beset by Demons Kaje Harper 2022-02-22 They'll take a leap into the unknown to protect the world. There's something seriously wrong with Earth's magic. A demon has appeared unsummoned out of thin air, familiars can't return Home, and as Grim points out, rats smell like summer in the middle of winter. Grim and Pip can deal with rats; Silas can banish one wayward demon. But soon there are other demons, more each day, and Silas's old mansion is full of mysteries. He and Darien will need their familiars, their friends, plus a whole lot of luck, as they search beyond Earth for the dark forces that have changed their world. And to have any chance of getting safely home, Silas will have to confront a past he's avoided for ten long years.

The Way Forward Robert O'Neill 2022-03-01 NATIONAL BESTSELLER "The Way Forward will help every reader master their own challenges—this is a must-read book!" —Admiral Bill McRaven, U.S. Navy (Retired) and author of the #1 New York Times bestseller *Make Your Bed* American Sniper meets *Make Your Bed* in these life lessons from decorated United States service members and New York Times bestselling authors Robert O'Neill and Dakota Meyer—an in-depth, fearless, and ultimately redemptive account of what it takes to survive and thrive on battlefields from Afghanistan and Iraq to our daily lives, and how the perils of war help us hold onto our humanity. Rob O'Neill and Dakota Meyer are two of the most decorated and recognized US service members: O'Neill killed the world's most wanted man, Osama bin Laden, and Meyer was the first living Marine to receive

the Medal of Honor since the Vietnam War. But beyond their actions and courage in combat, O'Neill and Meyer also have much in common in civilian life: they are both sought-after public speakers, advocates for veterans, and share a non-PC sense of humor. Combining the best of military memoirs and straight-talking self-help, *The Way Forward* alternates between O'Neill's and Meyer's perspectives, looking back with humor at even the darkest war stories, and sharing lessons they learned along the way. *The Way Forward* presents O'Neill and Meyer's philosophy in combat and life. This isn't a book about the glory of war and combat, but one about facing your enemies, some who are flesh and blood and some that are not: Your thoughts. Your doubts. Your boredom and your regrets. From Rob's dogged repetition at the free throw line of his childhood basketball court to Dakota's pursuit of EMT and firefighter credentials to aid accident victims, these two American heroes turn their experiences into valuable lessons for every reader. Gritty and down-to-earth, O'Neill and Meyer tell their stories with candor and vulnerability to help readers handle stress, tackle their biggest obstacles, and exceed their expectations of themselves, while keeping life's battles in perspective with a sense of humor.

Life Lessons Kaje Harper 2011-05 Tony Hart's life has been quiet lately. He has good friends and a rewarding teaching job. Then the murdered body of another teacher falls into the elevator at his feet, and Tony's life gets a little too exciting. Jared MacLean is a homicide detective, a widowed father, and deeply in the closet. But from the moment he meets Tony's blue eyes in that high school hallway, Mac can't help wanting this man in his life. However Mac isn't the only one with his eyes on Tony. As the murderer tries to cover his tracks, Mac has to work fast or lose Tony, permanently.

[The Power of Moments](#) Chip Heath 2017-10-03 The New York Times bestselling authors of *Switch* and *Made to Stick* explore why certain brief experiences can jolt us and elevate us and change

us—and how we can learn to create such extraordinary moments in our life and work. While human lives are endlessly variable, our most memorable positive moments are dominated by four elements: elevation, insight, pride, and connection. If we embrace these elements, we can conjure more moments that matter. What if a teacher could design a lesson that he knew his students would remember twenty years later? What if a manager knew how to create an experience that would delight customers? What if you had a better sense of how to create memories that matter for your children? This book delves into some fascinating mysteries of experience: Why we tend to remember the best or worst moment of an experience, as well as the last moment, and forget the rest. Why “we feel most comfortable when things are certain, but we feel most alive when they're not.” And why our most cherished memories are clustered into a brief period during our youth. Readers discover how brief experiences can change lives, such as the experiment in which two strangers meet in a room, and forty-five minutes later, they leave as best friends. (What happens in that time?) Or the tale of the world's youngest female billionaire, who credits her resilience to something her father asked the family at the dinner table. (What was that simple question?) Many of the defining moments in our lives are the result of accident or luck—but why would we leave our most meaningful, memorable moments to chance when we can create them? *The Power of Moments* shows us how to be the author of richer experiences.

Unwanted Appeal Kaje Harper 2021-03-16 Do strangers want to join Aaron's pack, or wipe it from the face of the earth? Aaron, Alpha of Minneapolis West, is tired of other werewolves threatening his pack for harboring a gay wolf and his mate. Werewolves have more important things to worry about, with humans closing in on discovering them. But the arrival of two strange wolves on his doorstep, asking for sanctuary, pits compassion against safety. Can he let these two in and still keep his pack and his mate Zach safe? Or is that a risk he can't afford to

take? (34,000 words; This is a lightly edited re-release of the 2013 novella 2.5, renumbered to 3)

Breaking Cover Kaje Harper 2011-07 For homicide detective Mac, it's been a good year. Having Tony to go home to makes him a better cop and a better person. For Tony, it's been hard being in love with a man he can't touch in public. Evasions and outright lying to friends and family take a little of the shine off his relationship with Mac, but Tony is determined to make it work. As the Minneapolis Police Department moves into a hot, humid summer, Mac is faced with a different challenge. A killer has murdered two blond women, and the police have no real clues. Mac hates to think that another murder may be the only way they'll make progress with the case. But when that murder happens, it hits close to home for Tony. And suddenly Mac faces an ultimatum: come out into the sunlight and stand beside Tony as his lover, or walk away and live without a piece of his heart.

Unacceptable Risk Kaje Harper 2021-01-27 For a hidden shifter, falling in love with a man may be the death of them both. Simon Conley knows about being an outcast. Born into a secret werewolf pack, he's the lone gay wolf, an outsider even among his packmates. The top wolves consider him a perversion, a failure, and a security risk. To survive in the human world, werewolves rely on absolute secrecy, and any breaches of their code are dealt with swiftly—and violently. So when Simon falls in love with Paul, a human man, even his Alpha's grudging tolerance won't protect him. He must keep Paul from discovering the truth about him and the secrets the pack jealously guards, or it's not just their love that'll end up dead. (A rerelease of the 2012 novel with light editing and the 1.15 short story included)

The Differentiated Classroom Carol Ann Tomlinson 2014-05-25 Although much has changed in schools in recent years, the power of differentiated instruction remains the same—and the need for it has only increased. Today's classroom is more diverse, more inclusive, and more plugged into technology than ever before. And

it's led by teachers under enormous pressure to help decidedly unstandardized students meet an expanding set of rigorous, standardized learning targets. In this updated second edition of her best-selling classic work, Carol Ann Tomlinson offers these teachers a powerful and practical way to meet a challenge that is both very modern and completely timeless: how to divide their time, resources, and efforts to effectively instruct so many students of various backgrounds, readiness and skill levels, and interests. With a perspective informed by advances in research and deepened by more than 15 years of implementation feedback in all types of schools, Tomlinson explains the theoretical basis of differentiated instruction, explores the variables of curriculum and learning environment, shares dozens of instructional strategies, and then goes inside elementary and secondary classrooms in nearly all subject areas to illustrate how real teachers are applying differentiation principles and strategies to respond to the needs of all learners. This book's insightful guidance on what to differentiate, how to differentiate, and why lays the groundwork for bringing differentiated instruction into your own classroom or refining the work you already do to help each of your wonderfully unique learners move toward greater knowledge, more advanced skills, and expanded understanding. Today more than ever, *The Differentiated Classroom* is a must-have staple for every teacher's shelf and every school's professional development collection.

The Honey Bee Jake Stenziano 2019-10-15 A business parable that teaches the value of cultivating multiple streams of income—the surest, most achievable means of creating generational wealth. *The Honey Bee* tells the story of Noah—a disappointed, disaffected salesman who feels like his life is going nowhere until the day he has a chance encounter with a man named Tom Barnham, the beekeeper. In his charming, down-home way, Tom the “Bee Man” teaches Noah and his wife Emma how to grow their personal wealth using the lessons he learned from his beekeeping passion. Full of concrete lessons delivered through chapter after chapter of

engaging vignettes, each of which includes actionable advice for new or aspiring entrepreneurs. Workbook-style sections at the end of each chapter help bring the lessons home, including questions to help you apply the lessons to your own business, and links to rich digital resources for even more information on how to get started creating your own multiple streams of income.

Powered by Ghosts Kaje Harper 2020-11-15 An untrained sorcerer and a reclusive necromancer face a ghost-infested town. Darien is free of his dead invaders, and his eyes have opened to a new reality. In a world of sorcerers and necromancers, he's full of power and potential, but completely ignorant. Necromancer Silas, and Silas's cat familiar, Grim, are teaching him basic skills, but danger won't hold off, just because he's not ready. Silas never planned to share his life with anyone, but after a week of shared battles and shared nights, Darien has become a fixture in his home. Silas has never met anyone with more raw magical ability, or less idea what to do with it. When Silas is offered a job hunting ghosts, he's tempted to refill his depleted bank account, but

reluctant to bring untrained Darien along. Darien's eager to help, though, and eventually Silas gives in. It's just a few ghosts. Nothing he hasn't handled before. What could go wrong?

Life, Some Assembly Required Kaje Harper 2017-06-26 Finding love in the ashes was easy. Building a life together? Not so much. After spending the first part of his life chasing pretty girls, love has finally come to Ryan in the form of John, a tall, lanky, red-headed landscape architect with wide shoulders and a five-o'clock shadow. For the first time in Ryan's life, love feels easy. Hell, he even ran into a burning building for John and his son, and he'd do it again if he had to. But telling his father and brothers and classmates "I'm gay. I've met a man"? That's going to take nerve of a different kind. For John, loving Ryan is as natural as breathing. Now if only the rest of his life would fall into place. Dealing with his teen son is complicated enough, but with his ex-wife causing trouble and his daughter wanting to move in, John's house—and his relationship with Ryan—threaten to split at the seams. Is one month without a new surprise knocking him upside the heart really too much to ask? Unfortunately, the answer seems to be Yes. (This is a re-release of the 2015 Samhain novel, with only minor editing.)

The Secret Garden Hodgson B.F. «Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под

запретом?.. Впрочем, это не единственный секрет в поместье...

Into Deep Waters Kaje Harper 2019-08-29 For Jacob and Daniel, two young gay men aboard a Navy ship in WWII, the risks were high. Not just the risks of injury and death from Japanese planes and submarines, but the risk of discovery, of discharge, imprisonment or worse. Only a special kind of love was worth taking that chance. But from the moment Daniel met Jacob's eyes across a battle-scarred deck, he knew he had to try. Being together required figuring out what it meant to be gay and in love with another man, in an era when they could be jailed or committed for admitting the desires of their hearts. On a ship at war, their relationship was measured in stolen moments and rare days of

precious leave, with no guarantees there would be a tomorrow. And if they survived the war, they would need even more luck to keep their love alive through all the years to come.
