Undeniable Bonds Kaje Harper
2021-06-10 Some bonds are strong enough to last a lifetime, and change the world. Rory O'Sullivan has spent his life alone. Once upon a time, he made one real human connection as a gay man. That moment happened in Nazi captivity, and the wolf he escaped with was a Soviet soldier. They had a taste of what love might mean, but in 1944, personal happiness had to come second to survival. Now, seventy years later, when he feels the presence of Nikolai, somehow close and needing him after all that time, no one— not gay Alpha Aaron of the Minneapolis West pack, or rising political threats, or even top Alpha Rick Brown himself— will stop him. Rory's going to answer the appeal he's waited a lifetime for. Some bonds can't be denied.

Cronin's Key N. R. Walker
2018-10-08 NYPD Detective
Alec MacAidan has always been good with weird but when an injured man gives him cryptic clues, then turns to dust in front of him, Alec's view on weird is changed forever. Cronin, a vampire Elder, has spent the last thousand years waiting for Alec, and together they learn that history isn't always what it seems.

**Kage Unmasked** Maris Black
The final installation in The KAGE TRILOGY. Kage and Jamie have finally come to terms with their feelings for each other, but there is still plenty of drama to work through. **Building Forever** Kaje Harper
2019-08-29 Four years ago, Ryan and John decided they'd wait to get married until it came with full legal equality. Now, thanks to the Supreme Court, that historic moment has finally arrived. But three hundred miles separate Ryan's hectic residency from John's busy campus job. With a son in college, a daughter choosing her future, and a rambunctious Irish Setter needing attention,
planning a wedding isn't simple. Of course, even the most perfect ceremony can't solve all their problems. What does it take to build forever? **Hot Head** Damon Suede 2018-03-27 Where there's smoke, there's fire... Since 9/11, Brooklyn firefighter Griff Muir has wrestled with impossible feelings for his best friend and partner at Ladder 181, Dante Anastagio. Unfortunately, Dante is strictly a ladies' man, and the FDNY isn't exactly gay-friendly. For ten years, Griff has hidden his heart in a half-life of public heroics and private anguish. Griff's caution and Dante's cockiness make them an unbeatable team. To protect his buddy, there's nothing Griff wouldn't do... until a nearly bankrupt Dante proposes the worst possible solution: HotHead.com, a gay porn website where uniformed hunks get down and dirty. And Dante wants them to appear there--together. Griff may have to guard his heart and live out his darkest fantasies on camera. Can he rescue the man he loves without wrecking their careers, their families, or their friendship? **The Writer's Guide to Prepositions** Charles N. Prieur 2000 **Unwanted Appeal** Kaje Harper 2021-03-16 Do strangers want to join Aaron's pack, or wipe it from the face of the earth? Aaron, Alpha of Minneapolis West, is tired of other werewolves threatening his pack for harboring a gay wolf and his mate. Werewolves have more important things to worry about, with humans closing in on discovering them. But the arrival of two strange wolves on his doorstep, asking for sanctuary, pits compassion against safety. Can he let these two in and still keep his pack and his mate Zach safe? Or is that a risk he can't afford to take? (34,000 words; This is a lightly edited re-release of the 2013 novella 2.5, renumbered to 3) **Unsafe Exposure** Kaje Harper 2021-04-27 Nothing wrecks a guy's day like finding out he's a werewolf. From the moment artist Dylan Shore arrives in...
Chicago, his life gets twisted like a kaleidoscope. Why does a street gang he's never met before want him dead? Why is a hot but odd mathematician stalking him? And how can half the things Alex Corwin says possibly be true, no matter how honest he seems? Alex has a frightening dilemma. Dylan is attractive, appealing, out and proud. He's also completely unaware that he's a werewolf. It shouldn't be Alex's job to tell him, and warn him that gay wolves usually end up dead. But someone has to, before he finds out in blood and violence. Chicago's not Alex's hometown, but somehow he needs to protect Dylan from the local packs, protect the wolves from being outed by Dylan, and keep his cool around the first man to touch his own deeply-closeted heart. (This is a lightly edited rerelease of the 2016 original.)

Unacceptable Risk
Kaje Harper 2021-01-27 For a hidden shifter, falling in love with a man may be the death of them both. Simon Conley knows about being an outcast. Born into a secret werewolf pack, he's the lone gay wolf, an outsider even among his packmates. The top wolves consider him a perversion, a failure, and a security risk. To survive in the human world, werewolves rely on absolute secrecy, and any breaches of their code are dealt with swiftly—and violently. So when Simon falls in love with Paul, a human man, even his Alpha's grudging tolerance won't protect him. He must keep Paul from discovering the truth about him and the secrets the pack jealously guards, or it's not just their love that'll end up dead. (A rerelease of the 2012 novel with light editing and the 1.15 short story included)

Madison Square Murders
C.S. Poe 2021-09-28 Everett Larkin works for the Cold Case Squad: an elite—if understaffed and overworked—group of detectives who solve the forgotten deaths of New York City. Larkin is different from others, but his deduction skills are unmatched and his memory for minute details is unparalleled. So when a spring thunderstorm uproots a tree in...
Madison Square Park, unearthing a crate with human remains inside, the best Cold Case detective is assigned the job. And when a death mask, like those prominent during the Victorian era, is found with the body, Larkin requests assistance from the Forensic Artists Unit and receives it in the form of Detective Ira Doyle, his polar opposite in every way. Factual reasoning and facial reconstruction puts Larkin and Doyle on a trail of old homicide cases and a murderer obsessed with casting his victims’ likeness in death. Include some unapologetic flirting from Doyle, and this case just may end up killing Everett Larkin.

**Unexpected Demands**
Kaje Harper 2021-02-25

He'd rather fight enemy wolves and rogue humans than face his own heart. When Aaron took down a violent, power-crazed wolf and inherited half a pack, he knew being Alpha wasn't going to be easy. A week later, he's finding out what an understatement that was. Other werewolves are calling for the extermination of his pack's gay wolf, or for Aaron's own death, and the risk of exposure to humans is growing. Aaron can't afford to let his long-suppressed sexuality escape his rigid control. When one of his younger wolves is in trouble, it's simply Aaron's job as Alpha to help and protect him. But keeping a cool distance from a young man who appeals to all his senses could be Aaron's toughest challenge.

Designs for the Pluriverse
Arturo Escobar 2018-03-09 In Designs for the Pluriverse Arturo Escobar presents a new vision of design theory and practice aimed at channeling design's world-making capacity toward ways of being and doing that are deeply attuned to justice and the Earth. Noting that most design—from consumer goods and digital technologies to built environments—currently serves capitalist ends, Escobar argues for the development of an “autonomous design” that eschews commercial and modernizing aims in favor of more collaborative and placed-based approaches. Such design attends to questions of environment, experience, and politics while focusing on the production of human experience based on the radical interdependence of all beings. Mapping autonomous design’s principles to the history of decolonial efforts of indigenous and Afro-descended people in Latin America, Escobar shows how refiguring current design practices could lead to the creation of more just and sustainable social orders.

Changes Coming Down Kaje Harper 2019-12-03 For three gay men in love, opening the
closet door could be a risky move. Sheriff Casey Barlow has a slick, media-savvy challenger out to beat him in the upcoming election. Casey's damned good at his job, but he hasn't kissed the right asses, and early polls suggest voters like his opponent's style. Coming out now, let alone revealing his relationship with two men, could sink any hope of keeping his badge. Scott Edison has a real shot at the NHL. He's playing the best hockey of his life. Whenever he can, he travels home to his gruff sheriff and their laid-back cowboy, but there are no out gay players in the NHL. As a rookie working his ass off to be called up, he can't afford to make waves. Will Rice always figured he'd live alone, managing Graham and Annmarie Slater's cattle ranch, but a hot, young hockey player and a compact, muscled lawman rearranged his plans. Even though he's older and lanky and ordinary, he's been sharing their lives and their beds. He doesn't need to be out-- isn't sure he ever wants the Slaters to know about him. Life's good the way things are. Then Graham and Annmarie are killed in a hit and run that may not be an accident. As Will grieves, and Casey investigates, the coming changes will shake all their lives. ** this is a re-edit and expansion of the story in the "Hunting Under Covers" anthology**

To Target the Heart Aldrea Alien 2020-04-15 How can he win with the odds stacked against him? Prince Hamish has no interest in fulfilling his duty of marrying. Not to a woman, at least. That doesn't stop his mother, Queen Fiona, from presenting him with every eligible noblewoman that enters their castle. He's certain it'll be no different with the new representative of the Udynea Empire. So when the imperial prince, Darshan, arrives in place of the woman everyone expected, Hamish is relieved. Until the man kisses him and he is confronted by the very emotions he has been forced to conceal or be punished for. Emotions he is
eager to explore. The kiss also proves to be a little too public for his mother's liking, who insists on drastic measures to ensure Hamish adheres to her family vision. Hamish must make a choice: give up his happiness for convention's sake or risk sending the kingdom spiralling into civil war for the right to love his own way. **Kage Unleashed** Maris Black
Book 2 of the international bestselling M/M romance saga of a tortured alpha MMA fighter and his naive young intern. My name is Jamie Atwood, and I am an idiot. Against all odds, I got the attention of Michael Kage, the hottest MMA fighter on the planet. To say he rocked my world would be an understatement. He transformed me completely, made me depend on him, and made me love him. And the sex? Let me put it this way: I'd never been with a guy before I met Kage, but I'd gladly spend the rest of my life on my knees for him. He is my obsession and my addiction. But I did something stupid, and now I'm paying for it. I don't know if I'll ever see Kage again. Being Michael Kage was never easy.
Too many demons, too much anger, and not enough to live for. And then I met Jamie Atwood. He's got this innocence about him that speaks to something deep down inside me- in a place that's never been touched by anyone. He's beautiful, smart, and courageous, and he hasn't been tainted by the darkness that's ruled my life. I wanted him from the first second I laid eyes on him. It's selfish, I know. Because you can't bring an innocent thing into the darkness and not expect something to rub off.

Unjustified Claims Kaje Harper

2021-04-06 His pack would've killed him for his kinks and desires, but his human lover might destroy his wolf. Brandt Davis loved being part of his Michigan werewolf pack, until they found his stash of gay porn. He escaped their anger, running in wolf-form into the wilderness, but he can't live that way forever. And he can't hide in fur like a coward when an injured man needs his help.

Ethan Sjulstad knows life is making him crazy when a solo hike into the Minnesota Boundary Waters seems reasonable. Then a bad fall leaves him seriously hurt and facing death. Delirious, he hallucinates being rescued by a big gray wolf and a naked woodland godling. For a man
who has always loved fantasy, it's worth surviving just to find out what the hell is going on. (This is a lightly edited rerelease of the 2014 original.)

**Home Work** Kaje Harper 2012-10

Coming together as a family was supposed to make life happy-ever-after for Mac and Tony, but their two uprooted kids, demanding jobs, and a less than gay-friendly world don't seem to have gotten the message. Mac and Tony thought the hard part was over. They're together openly as a couple, sharing a home and building a life with their two children. It's what they dreamed of. But daughter Anna struggles with the changes, Ben is haunted by old secrets, Mac's job in Homicide still demands too much of his time, and Tony is caught in the middle. It's going to take everything these men can give to create a viable balance between home and work. Especially when the outside world seems determined to throw obstacles in their way.

**The Rebuilding Year** Kaje Harper 2017-06-26

It took losing nearly everything, to discover what they can't live without. A few excruciating minutes pinned under a burning beam cost Ryan Ward his job as a firefighter, the easy camaraderie of his coworkers, his current girlfriend, and damn near cost him his left leg. Giving up, though, wasn’t an option. He fought and won the battle back to health, over a painful year. Now, choosing a new profession, going back to school, and renting a room from the college groundskeeper should be simple. Until he realizes he's falling in love with his housemate, and things take a turn for the complicated. John Barrett knows about loss. After moving twice to stay in touch with his kids, he could only watch as his ex-wife whisked them away to California. Offering Ryan a room seems better than rattling around his empty house alone. But as casual friendship moves to something more, and emotions heat up, the big old house feels like tight quarters. It’s nothing they can't learn to navigate,
until life adds in unhappy teen kids, difficult family members, and mysterious deaths on campus. Rebuilding will be far from easy, even for two guys willing to open their minds, and hearts.

**Powered by Ghosts** Kaje Harper 2020-11-15

An untrained sorcerer and a reclusive necromancer face a ghost-infested town. Darien is free of his dead invaders, and his eyes have opened to a new reality. In a world of sorcerers and necromancers, he's full of power and potential, but completely ignorant.

Necromancer Silas, and Silas's cat familiar, Grim, are teaching him basic skills, but danger won't hold off, just because he's not ready. Silas never planned to share his life with anyone, but after a week of shared battles and shared nights, Darien has become a fixture in his home. Silas has never met anyone with more raw magical ability, or less idea what to do with it. When Silas is offered a job hunting ghosts, he's tempted to refill his depleted bank account, but reluctant to bring untrained Darien along. Darien's eager to help, though, and eventually Silas gives in. It's just a few ghosts. Nothing he hasn't handled before. What could go wrong?

**Breaking Cover** Kaje Harper 2011-07

For homicide detective Mac, it's been a good year. Having Tony to go home to makes him a better cop and a better person. For Tony, it's been hard being in love with a man he can't touch in public. Evasions and outright lying to friends and family take a little of the shine off his relationship with Mac, but Tony is determined to make it work. As the Minneapolis Police Department moves into a hot, humid summer, Mac is faced with a different challenge. A killer has murdered two blond women, and the police have no real clues. Mac hates to think that another murder may be the only way they'll make progress with the case. But when that murder happens, it hits close to home for Tony. And suddenly Mac faces an ultimatum: come out into the
sunlight and stand beside Tony as his lover, or walk away and live without a piece of his heart.

**The Hunted and the Hind**
A.L. Lester 2020-12-30 Sequel to Shadows on the Border
Inadvertently tumbling through the border after Fenn and then thrown into the middle of the internecine political disputes of their people, Sergeant Will Grant of the Metropolitan Police has spent three months in prison in the Underhalls of the Frem. When Fenn comes to free him and return him home through the border, he has very little time to work out what’s going on before the sudden appearance of Fenn’s missing younger sibling Keren throws Fenn for a loop. Instead of returning them to London as planned, the trio step through the border to the Egyptian desert. Once they work out where they are, it’s a two week trip back to England with the possibility of pursuit both onboard ship and when they reach home. Will the journey give Fenn and Will time to resolve the feelings they have been dancing around since the day they met? How will they keep Keren from recapture by the faction who tried to persuade Fenn they were dead? And has Will’s friend Alec forgiven Fenn for lying about their motives when they first traveled to London four months ago?

**Into Deep Waters**
Kaje Harper 2019-08-29 For Jacob and Daniel, two young gay men aboard a Navy ship in WWII, the risks were high. Not just the risks of injury and death from Japanese planes and submarines, but the risk of discovery, of discharge, imprisonment or worse. Only a special kind of love was worth taking that chance. But from the moment Daniel met Jacob’s eyes across a battle-scarred deck, he knew he had to try. Being together required figuring out what it meant to be gay and in love with another man, in an era when they could be jailed or committed for admitting the desires of their hearts. On a ship at war, their relationship was measured in stolen moments and rare days.
of precious leave, with no guarantees there would be a tomorrow. And if they survived the war, they would need even more luck to keep their love alive through all the years to come.

**The End and the Beginning**
Hermynia Zur Mühlen 2010
First published in Germany in 1929, The End and the Beginning is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Muhlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Muhlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

**Where You Are**
J.H. Trumble 2013-01-01
A Lambda Literary Award Finalist from the author of Don’t Let Me Go. “[A] gripping tale of love, hate of differences and owning up to who you are.”—VOYA

Robert Westfall’s life is falling apart—everywhere but in math...
class. That’s the one place where problems always have a solution. But in the world beyond high school, his father is terminally ill, his mother is squabbling with his interfering aunts, his boyfriend is unsupportive, and the career path that’s been planned for him feels less appealing by the day. Robert’s math teacher, Andrew McNelin, watches his best student floundering, concerned but wary of crossing the line between professional and personal. Gradually, Andrew becomes Robert’s friend, then his confidante. As the year progresses, their relationship—in school and out of it—deepens and changes. And as hard as he tries to resist, Andrew knows that he and Robert are edging into territory that holds incalculable risks for both of them. J.H. Trumble, author of the acclaimed Don’t Let Me Go, explores a controversial subject with extraordinary sensitivity and grace, creating a deeply human and honest story of love, longing, and unexpected connection. “The heart of the novel lies in the complicated, nuanced love between student and teacher. Andrew and Robert find solace in each other, daring to risk the consequences of their relationship being discovered.”—Publishers Weekly “Moving . . . poignant . . . characters you can’t help but root for.”—RT Book Reviews (4½ stars) “A page-turner.”—Instinct Magazine “The story of Andrew and Robert is one not to be forgotten.”—Chris Verleger, contributor, EDGE on th Report on the Communist "peace" Offensive United States. Congress. House. Committee on Un-American Activities 1951 Trapped by Greed Kaje Harper 2021-07-29 Silas Thornwood's worst nightmare has come to life. Darien's familiar Pip is gravely injured, and Darien and Jasper have been kidnapped. Someone ruthless and violent is holding the man Silas loves prisoner, for purposes he doesn't want to imagine. Silas needs help from his friends to locate and rescue
Darien. And when he does, those responsible—whether sorcerer, human, or demon—are going to be truly, utterly sorry...

**Beset by Demons** Kaje Harper 2022-02-22 They'll take a leap into the unknown to protect the world. There's something seriously wrong with Earth's magic. A demon has appeared unsummoned out of thin air, familiars can't return Home, and as Grim points out, rats smell like summer in the middle of winter. Grim and Pip can deal with rats; Silas can banish one wayward demon. But soon there are other demons, more each day, and Silas's old mansion is full of mysteries. He and Darien will need their familiars, their friends, plus a whole lot of luck, as they search beyond Earth for the dark forces that have changed their world. And to have any chance of getting safely home, Silas will have to confront a past he's avoided for ten long years.

**Life, Some Assembly Required** Kaje Harper 2017-06-26 Finding love in the ashes was easy. Building a life together? Not so much. After spending the first part of his life chasing pretty girls, love has finally come to Ryan in the form of John, a tall, lanky, red-headed landscape architect with wide shoulders and a five-o’clock shadow. For the first time in Ryan's life, love feels easy. Hell, he even ran into a burning building for John and his son, and he’d do it again if he had to. But telling his father and brothers and classmates “I’m gay. I’ve met a man”? That’s going to take nerve of a different kind. For John, loving Ryan is as natural as breathing. Now if only the rest of his life would fall into place. Dealing with his teen son is complicated enough, but with his ex-wife causing trouble and his daughter wanting to move in, John’s house—and his relationship with Ryan—threaten to split at the seams. Is one month without a new surprise knocking him upside the heart really too much to ask? Unfortunately, the answer seems to be Yes. (This is a re-release of the 2015 Samhain
novel, with only minor editing.) "Resisting Dispossession"
Ranjana Padhi 2020-03-20 The book brings to the reader a set of political and social narratives woven around people's resistance against big dams, mining and industrial projects, in short, displacement and dispossession in Odisha, India. This saga of dispossession abounds with stories and narratives of ordinary peasants, forest dwellers, fisher folk and landless wage laborers, which make the canvas of resistance history more complete. The book foregrounds these protagonists and the events that marked their lives; they live in the coastal plains as well as the hilly and forested areas of south and south-west Odisha. The authors have chronicled the development trajectory from the construction of the Hirakud Dam in the 1950s to the entry of corporations like POSCO and Vedanta in contemporary times. It thus covers extensive ground in interrogating the nature of industrialization being ushered into the state from post-independent India till today. The book depicts how and why people resist the development juggernaut in a state marked with endemic poverty. In unraveling this complex reality, the book conveys the world view of a vast section of people whose lives and livelihoods are tied up to land, forests, mountains, seas, rivers, lakes, ponds, trees, vines and bushes. These narratives fill a yawning gap in resistance literature in the context of Odisha. In doing so, they resonate with the current predicament of people in other mineral-rich states in Eastern India. The book is an endeavour to bring Odisha on the map of resistance politics and social movements in India and across the world.

Don't Plan to Stay  Kaje Harper 2017-12-08 Donnie doesn't think he's worth a second chance. Adam does. At eighteen, Donnie Kagan's plans
for graduation, and maybe even college, were derailed by a beer, a stoplight, and a fatal crash. Now he's twenty-four, out of prison, and bitterly determined to start over. But with the holidays approaching, he can't resist a quick trip home to Tallbridge, North Dakota, and the man he left behind. Just a fast look, to make sure Adam's doing all right, before Donnie starts his new life. He doesn't plan to stay. Adam Lindberg's been waiting six years to get closure with Donnie. He missed that chance after the accident, fighting for his life in a hospital bed as Donnie pled guilty and disappeared into the justice system. Adam's tried to move on, but he never found another guy he cared about the same way. So when Donnie shows up in Tallbridge, Adam's ready to fight for more than three words of goodbye. If Adam asks for Donnie's help with the family store, maybe he'll stay long enough to finally talk about the future, and the past.

Marked by Death Kaje Harper
2020-10-23 Asking a necromancer for help is scary; falling for him may be downright terrifying. Darien Green's afraid he's going insane. The voices in his head are getting louder, weirder, and more numerous. But tattoos appearing on his skin say that there might be a magical reason, something other than his own brain going around the bend. He's worked up the nerve to ask the local necromancer for help. Now he just has to survive his encounter with tall, dark, and talks-to-ghosts. Necromancer Silas Thornwood doesn't appreciate being woken out of his bed by a stranger pounding on his door. But when that stranger turns out to be a half-frozen young man with an unexpected appeal, Silas can't turn him away. Even Grim, his
cat-familiar, agrees—in a world of death and demons, protecting gorgeous, ghost-ridden Darien is Silas's next difficult job.

**Take Care of Us** Gianni Holmes 2019-07-30 Declan may just be your typical Daddy. He indulges his Boy. He takes care of his Boy's family. He steps in when Owen doesn't quite know what to do. And he's committed to ensuring everyone is happy. Owen may just be your typical Boy. He's eager to please his Daddy. He knows who to turn to in a crisis. And he knows he'll never be judged by Daddy for the ways in which he wants to explore his sensual side. In the epic conclusion of the trilogy, Declan and Owen have reached the pinnacle of trust. With Daddy Dec proving himself in ways Owen never deemed possible, he's left with no option but to believe that together they make sense. Together they'll weather any storm because they're a unit that always takes care of each other.

**Life Lessons** Kaje Harper 2011-05 Tony Hart's life has been quiet lately. He has good friends and a rewarding teaching job. Then the murdered body of another teacher falls into the elevator at his feet, and Tony's life gets a little too exciting. Jared MacLean is a homicide detective, a widowed father, and deeply in the closet. But from the moment he meets Tony's blue eyes in that high school hallway, Mac can't help wanting this man in his life. However Mac isn't the only one with his eyes on Tony. As the murderer tries to cover his tracks, Mac has to work fast or lose Tony, permanently.

**Indirection** Gregory Ashe 2021-03-17 Rabid readers. Backbiting authors. A romance convention from hell. Shaw Aldrich and his best friend, boyfriend, and partner, North McKinney, are doing great, thanks. The aftermath of their search for the Slasher has finally settled down. Their private investigation agency is thriving. And after years of missed opportunities, they're finally together. Sure, work
might be taking up every spare minute, and their time together as a couple might have evaporated—but that's normal, right? When an author asks for their help investigating threats against a gay romance convention, Shaw sees an opportunity to shake up their routine and maybe have some fun. But the convention isn't what he expects. Between the rabid fans and the backbiting authors, the death threats—which seem totally baseless—are the least of North and Shaw's worries. Until, that is, a bestselling author is poisoned in the middle of a panel. Then Shaw and North must race against the clock to find the killer before he (or she) escapes—and before the convention ends. But romance authors are more complicated than either North or Shaw expects, and a treacherous web knits the suspects together. Shaw and North will have to unravel a skein of lies and half-truths to uncover the killer. It doesn't help that, on top of everything else, Shaw just wants to find his next favorite book—and, if it isn't asking too much, have sex with North at least one more time in his current incarnation. Indirection is the first book in a follow-up series; read North and Shaw's first adventures in The Borealis Investigations, beginning with Orientation.

Touch & Geaux Abigail Roux 2013-04-08 After having their faces plastered across the news during a high-profile case, FBI Special Agents Ty Grady and Zane Garrett have become more useful to the Bureau posing for photo ops than working undercover. Just as Zane is beginning to consider retirement a viable option, Ty receives a distress call from a friend, leading them to a city rife with echoes from the past. New Orleans wears its history on its streets, and it's the one place Ty's face could get him killed. Surrounded by trouble as soon as they land, Ty and Zane are swiftly confronted with a past from which Ty can't hide— one with a surprising connection to Zane's. As threats close in from all directions, both men must
come to terms with the lives they've led and the lies they've told. They soon discover that not all their secrets are out yet, and nothing lasts forever.

The Red Countess Hermynia Zur Mühlen 2018-08-20

Praise for the first edition of this book: This translation is something of an event. For the first time, it makes Zur Mühlen’s text available to English-speaking readers in a reliable version. —David Midgley, University of Cambridge

[This book] represents exceptional value, both as an enjoyable read and as an introduction to an attractive author who amply deserves rediscovery. —Ritchie Robertson, Journal of European Studies, 42(1): 106-07. Born into a distinguished aristocratic family of the old Habsburg Empire, Hermynia Zur Mühlen spent much of her childhood and early youth travelling in Europe and North Africa with her diplomat father. Never comfortable with the traditional roles women were expected to play, she broke as a young adult both with her family and, after five years on his estate in the old Czarist Russia, with her German Junker husband, and set out as an independent, free-thinking individual, earning a precarious living as a writer. Zur Mühlen translated over 70 books from English, French and Russian into German, notably the novels of Upton Sinclair, which she turned into best-sellers in Germany; produced a series of detective novels under a pseudonym; wrote seven engaging and thought-provoking novels of her own, six of which were translated into English; contributed countless insightful short stories and articles to newspapers and magazines; and, having become a committed socialist, achieved international renown in the 1920s with her Fairy Tales for Workers’ Children, which were widely translated including into Chinese and Japanese. Because of her fervent and outspoken opposition to National Socialism, she and her life-long Jewish partner, Stefan Klein, had to flee first Germany.
where they had settled, and then, in 1938, her native Austria. They found refuge in England, where Zur Mühlen died, forgotten and virtually penniless, in 1951.
