The 1619 Project Nikole Hannah-Jones 2021-11-16
#1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, The 1619 Project: A New Origin Story offers a profoundly revealing vision of the American past and present.
FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country’s original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine’s award-winning “1619 Project” issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation’s founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. The Death and Life of Great American Cities Jane Jacobs 2016-07-20 Thirty years after its publication, The Death and Life of Great American Cities was described by The New York Times as “perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the bitingly satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book’s arguments.” Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs’s small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

Iola Leroy
Frances E.W. Harper
1990-07-12
First published in 1892, Iola Leroy was probably the best-selling novel by an African-American writer prior to the twentieth century. Frances Harper had already gained an international reputation as a writer, lecturer, and political activist when Iola Leroy—her only novel—appeared, as evident by the sizable audience she enjoyed of men and women, black and white, in the US, Canada, and England. Her writings reveal her in-depth knowledge of African-American literature as well as of other literatures, and through this novel we can see the references and aesthetic assumptions of her nineteenth-century audience.

Unwanted Appeal Kaje Harper 2021-03-16 Do strangers want to join Aaron’s pack, or wipe it from the face of the earth? Aaron, Alpha of Minneapolis West, is tired of other werewolves threatening his pack for harboring a gay wolf and his mate. Werewolves have more important things to worry about, with humans closing in on discovering them. But the arrival of two strange wolves on his doorstep, asking for sanctuary, pits compassion against safety. Can he let these two in and still keep his pack and his mate Zach safe? Or is that a risk he can’t afford to take? (34,000 words; This is a lightly edited re-release of the 2013 novella 2.5, renumbered to 3)

Unexpected Demands Kaje Harper 2021-02-25 He’d rather fight enemy wolves and rogue humans than face his own heart. When Aaron took down a violent, power-crazed wolf and inherited half a pack, he knew being Alpha wasn’t going to be easy. A week later, he’s finding out what an understatement that was. Other werewolves are calling for the extermination of his pack’s gay wolf, or for Aaron’s own death, and the risk of exposure to humans is growing. Aaron can’t afford to let his long-suppressed sexuality escape his rigid control. When one of his younger wolves is in trouble, it’s simply Aaron’s job as Alpha to help and protect him. But keeping a cool distance from a young man who appeals to all his senses could be Aaron’s toughest challenge.

Sparring Partners John Grisham 2022-05-31 #1 NEW YORK TIMES BESTSELLER • John Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America’s favorite storyteller has several surprises in store. “Homecoming” takes us back to Ford County, the fictional setting of many of John Grisham’s unforgettable stories. Jake Brigance is back, but he’s not in the courtroom. He’s called upon to help an old
friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he’s leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In “Strawberry Moon,” we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can’t save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The “Sparring Partners” are the Malloy brothers, Kirk and Rusty, two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told.

**Into Deep Waters** Kaje Harper 2019-08-29 For Jacob and Daniel, two young gay men aboard a Navy ship in WWII, the risks were high. Not just the risks of injury and death from Japanese planes and submarines, but the risk of discovery, of discharge, imprisonment or worse.
Only a special kind of love was worth taking that chance. But from the moment Daniel met Jacob’s eyes across a battle-scarred deck, he knew he had to try. Being together required figuring out what it meant to be gay and in love with another man, in an era when they could be jailed or committed for admitting the desires of their hearts. On a ship at war, their relationship was measured in stolen moments and rare days of precious leave, with no guarantees there would be a tomorrow. And if they survived the war, they would need even more luck to keep their love alive through all the years to come.

Now if only the rest of his life would fall into place. And how can half the things Alex Corwin says possibly be true, no matter how honest he seems? Alex has a frightening dilemma. Dylan is attractive, appealing, out and proud. He’s also completely unaware that he’s a werewolf. It shouldn’t be Alex’s job to tell him, and warn him that gay wolves usually end up dead. But someone has to, before he finds out in blood and violence. Chicago’s not Alex’s hometown, but somehow he needs to protect Dylan from the local packs, protect the wolves from being outed by Dylan, and keep his cool around the first man to touch his own deeply-closeted heart. The Rebuilding Year  
Kaje Harper 2017-06-26  
It took losing nearly everything, to discover what they can’t live without. A few excruciating minutes pinned under a burning beam cost Ryan Ward his job as a firefighter, the easy camaraderie of his coworkers, his current girlfriend, and damn near cost him his left leg. Giving up, though, wasn’t an option. He fought and won the battle back to health, over a painful year. Now, choosing a new profession, going back to school, and renting a room from the college groundskeeper should be simple. Until he realizes he’s falling in love with his housemate, and things take a turn for the complicated. John Barrett knows about loss. After moving twice to stay in touch with his kids, he could only watch as his ex-wife whisked them away to California. Offering Ryan a room seems better than rattling around his empty house alone. But as casual friendship moves to something more, and emotions heat up, the big old house feels like tight quarters. It’s nothing they can’t learn to navigate, until life adds in unhappy teen kids, difficult family members, and mysterious deaths on campus. Rebuilding will be far from easy, even for two guys willing to open their minds, and hearts.

The Story of My Life  
Helen Keller 2021-07-20  
When she was 19 months old, Helen Keller (1880–1968) suffered a severe illness that left her blind and deaf. Not long after, she also became mute. Her tenacious struggle to overcome these handicaps — with the help of her inspired and inspiring teacher, Anne Sullivan — is one of the great stories of human courage and dedication. The Story of My Life, first published in 1903, is Helen Keller’s classic autobiography detailing the first 22 years of her life, including the magical moment at a water pump when, recognizing the connection between the word “water” and the cold liquid flowing over her hand, she realized that objects had names. She had many experiences which were equally thrilling and noteworthy including her joy at eventually learning to speak so that by the time she was 16, she could speak well enough to attend preparatory school followed by her education at Radcliffe, from which she graduated cum laude, and of course, her extraordinary relationship with Miss Sullivan who had shown a remarkable gift and genius for communicating with her eager and quick-to-learn pupil. Keller also writes of her friendships with Oliver Wendell Holmes, Edward Everett Hale and other notables. Keller first began to write The Story of My
Life in 1902, when she was still a student at Radcliffe College. The book is dedicated to inventor Alexander Graham Bell, and the dedication reads, “To ALEXANDER GRAHAM BELL Who has taught the deaf to speak and enabled the listening ear to hear speech from the Atlantic to the Rockies, I dedicate this Story of My Life.”

**Breaking Cover** Kaje Harper 2011-07 For homicide detective Mac, it’s been a good year. Having Tony to go home to makes him a better cop and a better person. For Tony, it’s been hard being in love with a man he can’t touch in public. Evasions and outright lying to friends and family take a little of the shine off his relationship with Mac, but Tony is determined to make it work. As the Minneapolis Police Department moves into a hot, humid summer, Mac is faced with a different challenge. A killer has murdered two blond women, and the police have no real clues. Mac hates to think that another murder may be the only way they’ll make progress with the case. But when that murder happens, it hits close to home for Tony. And suddenly Mac faces an ultimatum: come out into the sunlight and stand beside Tony as his lover, or walk away and live without a piece of his heart.

**Unacceptable Risk** Kaje Harper 2021-01-27 For a hidden shifter, falling in love with a man may be the death of them both. Simon Conley knows about being an outcast. Born into a secret werewolf pack, he’s the lone gay wolf, an outsider even among his packmates. The top wolves consider him a perversion, a failure, and a security risk. To survive in the human world, werewolves rely on absolute secrecy, and any breaches of their code are dealt with swiftly—and violently. So when Simon falls in love with Paul, a human man, even his Alpha’s grudging tolerance won’t protect him. He must keep Paul from discovering the truth about him and the secrets the pack jealously guards, or it’s not just their love that’ll end up dead. (A rerelease of the 2012 novel with light editing and the 1.15 short story included)

**Unjustified Claims** Kaje Harper 2021-04-06 His pack would’ve killed him for his kinks and desires, but his human lover might destroy his wolf. Brandt Davis loved being part of his Michigan werewolf pack, until they found his stash of gay porn. He escaped their anger, running in wolf-form into the wilderness, but he can’t live that way forever. And he can’t hide in fur like a coward when an injured man needs his help. Ethan Sjulstad knows life is making him crazy when a solo hike into the Minnesota Boundary Waters seems reasonable. Then a bad fall leaves him seriously hurt and facing death. Delirious, he hallucinates being...
rescued by a big gray wolf and a naked woodland godling. For a man who has always loved fantasy, it’s worth surviving just to find out what the hell is going on. (This is a lightly edited rerelease of the 2014 original.)

Undeniable Bonds Kaje Harper 2021-06-10 Some bonds are strong enough to last a lifetime, and change the world. Rory O’Sullivan has spent his life alone. Once upon a time, he made one real human connection as a gay man. That moment happened in Nazi captivity, and the wolf he escaped with was a Soviet soldier. They had a taste of what love might mean, but in 1944, personal happiness had to come second to survival. Now, seventy years later, when he feels the presence of Nikolai, somehow close and needing him after all that time, no one— not gay Alpha Aaron of the Minneapolis West pack, or rising political threats, or even top Alpha Rick Brown himself— will stop him. Rory’s going to answer the appeal he’s waited a lifetime for. Some bonds can’t be denied.

Life Lessons Kaje Harper 2011-05 Tony Hart’s life has been quiet lately. He has good friends and a rewarding teaching job. Then the murdered body of another teacher falls into the elevator at his feet, and Tony’s life gets a little too exciting. Jared MacLean is a homicide detective, a widowed father, and deeply in the closet. But from the moment he meets Tony’s blue eyes in that high school hallway, Mac can’t help wanting this man in his life. However Mac isn’t the only one with his eyes on Tony. As the murderer tries to cover his tracks, Mac has to work fast or lose Tony, permanently.

Marked by Death Kaje Harper 2020-10-23 Asking a necromancer for help is scary; falling for him may be downright terrifying. Darien Green’s afraid he’s going insane. The voices in his head are getting louder, weirder, and more numerous. But tattoos appearing on his skin say that there might be a magical reason, something other than his own brain going around the bend. He’s worked up the nerve to ask the local necromancer for help. Now he just has to survive his encounter with tall, dark, and talks-to-ghosts. Necromancer Silas Thornwood doesn’t appreciate being woken out of his bed by a stranger pounding on his door. But when that stranger turns out to be a half-frozen young man with an unexpected appeal, Silas can’t turn him away. immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Goldens’ world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Goldens, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, The Golden House also marks Salman Rushdie’s triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.
