The Only Guide to Alternative Investments You’ll Ever Need. Larry J. Gitman 2010-08-25 The returns of cleverly chosen alternative investments are not a random walk through the merriment of the markets, but are instead the result of rigorous, data-driven research and analysis. This book will arm you with the essential analytical tools, principles, and perspectives you need to understand and analyze careful choices. For that reason, financial journalists Larry Jordan and Jared Kaiser designed this book to bring investors up to speed on practically every important alternative investment class. From real estate to hedge funds, from single-family rental properties to emerging market equities, hedge funds, leveraged Buyouts, Variable annuities, Equity-indexed annuities, Structured note investments, and much more, these authors will show you what you need to know to get started.
