Secrets of the Knife: David Sewerynt 2017-03-29 You are walking to your car and suddenly confronted by an armed attacker. What do you do? Knife attacks can be extremely dangerous and it is best to avoid them if you can, but sometimes that is not possible. Carrying a firearm can help to equalize the situation, but it is not a panacea to the problem. If you cannot get to the weapon then it does you no good and at close range a knife usually has the edge (no pun intended). It is difficult to find a comprehensive book on knife fighting and defensive moves outside of military manuals and a few martial arts books. Most simply show you techniques, but never go into drills or concepts. Techniques are fine, but you need to be able to adapt to an ever changing situation. No two attackers or situations are ever the same, everyone reacts differently in a hostile environment and you need to be prepared. The drills and techniques in this book are taken from the Southeast Asian martial arts of Silat, Kun Tao and the Filipino arts of Kali and Escrima. These arts are known worldwide for exceptional blade skills. This book will help you to become familiar with knife attacks in order to de-mystify and take some of the fear away. If you understand how it can be used for an attack then you can begin to understand how to apply a suitable defense. With over 700 photos describing Drills and Combat Defenses and links to free videos provided so that you can actually see how the drills are done.

Explaining the Cross: Why did Jesus have to die? Jason Kerrigan 2019-04-19 Why would God need an innocent man to die to forgive us? Isn't it an injustice for God to punish an innocent man for the crimes of another? Why couldn't He simply forgive us without Jesus dying? Just as we forgive one another without exacting some form of punishment? How does this all make sense? This book is an easy read that makes sense of it all.

Sword Campers: Skyler Grant 2017-02-06 Leveling up on the high seas Castle Sardonis is surrounded by enemies on all sides and dangerously short of supplies. Dorrin and the Halloween Plot: Patricia Coombs 2009-09-13 It was Halloween, and Dorrin was ready for her first flying lesson, but her mother said, “You’re too young to fly. Maybe next year.” The Big Witch was busy fixing a princess costume for Dorrin to wear to the Halloween Pageant for the Great Sorceress. But flying had more appeal for Dorrin than being a princess and learning to curtsy. If no one else would teach her, she just might have to teach herself. Her awkward attempt to fly put her right at the center of a plot by some Halloween demons. From her first encounter with the demons to the moment when the Big Witch blew out the candle in Dorrin’s bed, pumpkin, the little witch had one of the most exciting Halloween ever.
