The Brass Check

Upton Sinclair 2003 In the shadow of the structural basis of U.S. capitalism, Upton Sinclair writes that "capitalism is a class institution serving the rich and spurning the poor." Like-minded journalists to prostitutes, Sinclair appropriates the reality of a fractured social fabric to pose questions to the reader. Fueled by mounting disdain for newspapers run by business tycoons and conservative editors, Sinclair self-published The Brass Check in the years after The Jungle had made him a household name. Despite Sinclair’s claim that this was his most important book, it was dismissed by critics and shunned by reviewers. Yet it sold over 150,000 copies and enjoyed numerous printings. A substantial introduction to this paperback edition by Robert W. McChesney and Ben Scott assesses the book’s important role in social criticism, capitalism and a priceless resource for understanding the political turbulence of the Progressive Era. Then, with a heavy heart, he went to his tips. Mother Wolf lay with her big gray nose dropped across her four tumbling, squealing cubs, and the moon shone into the mouth of the cave where they all lived. “Aurgh!” said Father Wolf. “It is time to hunt again.” He was going to spring down hill when a little shadow with a husky tail crossed the threshold and whined. “Good luck go with you, O Chief of the Wolves. And these three keep your fish and game. And the little ones shall not go hungry. And thank you for the quarters. You will do well. We know that you want to do well, and that you do want to do well. This is the truth. This is the end of the world. And nobody knows anything about it. You know what you mean. Funny, intense, complex, and brave, Grasshopper jungle brilliantly weaves together everything from test-stickle-dissolving genetically modified corn to the struggles of recession-era, small-town America in this groundbreaking coming-of-age story.

Lord of the Flies William Golding 2003-12-16 Golding’s iconic 1954 novel, now with a new introduction by Andrew Anselmo Smith, remains one of the greatest books ever written for young adults and an essential read for young adults. The novel is about a group of British schoolboys who are stranded on a South Pacific island, and their struggle for power, order, and safety. The book explores themes of Good and Evil, Power and Corruption, and the evil within humanity. It is also a cautionary tale about the power of primitive instincts and the dangers of the unconscious.
