I Survived the Battle of D-Day, 1944 (I Survived #18) Lauren Tarshis

2019-01-29 This installment in the New York Times bestselling I Survived series from Lauren Tarshis shines a spotlight on the Normandy landings, just in time for the 75th anniversary of D-Day!

Book of Blues Jack Kerouac 1995-09-01 Best known for his "Legend of Duluoz" novels, including *On the Road* and *The Dharma Bums*, Jack Kerouac is also an important poet. In these eight extended poems, Kerouac writes from the heart of experience in the music of language, employing the same

instrumental blues form that he used to fullest effect in *Mexico City Blues*, his largely unheralded classic of postmodern literature. Edited by Kerouac himself, *Book of Blues* is an exuberant foray into language and consciousness, rich with imagery, propelled by rhythm, and based in a reverent attentiveness to the moment. "In my system, the form of blues choruses is limited by the small page of the breastpocket notebook in which they are written, like the form of a set number of bars in a jazz blues chorus, and so sometimes the word-meaning can carry from one chorus into another, or not, just like the phrase-meaning can carry harmonically from one chorus to the other, or not, in jazz, so that, in these blues as in jazz, the form is determined by time, and by the musicians spontaneous phrasing & harmonizing with the beat of time as it waves & waves on by in

The Kitchen House Kathleen Grissom 2014-10-21 "In 1790, Lavinia, a seven-year-old Irish orphan with no memory of her past, arrives on a tobacco plantation where she is put to work as an indentured servant with the kitchen house slaves. Though she becomes deeply bonded to her new family, Lavinia is also slowly accepted into the world of the big house, where the master is absent and the mistress battles opium addiction. As time passes she finds herself perilously straddling two very different worlds and when loyalties are brought into question, dangerous truths are laid bare and lives are at risk."--Publisher's description.

Strange Beasts of China

Yan Ge 2021-07-13 A New York Times Editors' Choice and Notable Book of 2021 "Best Science Fiction,

Fantasy and Horror of 2021"—The Washington Post From one of the most exciting voices in contemporary Chinese literature, an uncanny and playful novel that blurs the line between human and beast... In the fictional Chinese city of Yong'an, an amateur cryptozoologist is commissioned to uncover the stories of its fabled beasts. These creatures live alongside humans in near-inconspicuousness—save their greenish skin, serrated earlobes, and strange birthmarks. Aided by her elusive former professor and his enigmatic assistant, our narrator sets off to document each beast, and is slowly drawn deeper into a mystery that threatens her very sense of self. Part detective story, part metaphysical enquiry, *Strange Beasts of China* engages existential questions of identity, humanity, love and morality with whimsy and stylistic verve.

I'm Allergic to Dust

Walter LaPlante 2018-12-15

It would seem logical that once a home is vacuumed, swept, and dusted, someone with a dust allergy would feel better. It's actually the opposite! Cleaning disturbs dust particles and it can make allergy sufferers cough, wheeze, and itch. So what do you do when we all live with dust around us? This book guides readers through why people have dust allergies and how to deal with these allergies, as well as other allergies these sufferers may have. Full-color photographs give up-close views of dust to complement the age-appropriate text.

The Forger's Spell Edward Dolnick 2008-06-24 Profiles the dramatic art hoax through which a small-time Dutch painter conned a reviled Nazi leader by creating works that impersonated those of famed artist Jan Vermeer, a seven-year deception during which the forger hid his

mediocre artistic abilities through psychologically manipulative practices. 30,000 first printing.

Ghosts of Sanctuary

Judith Coker-Blaa

Parentology Dalton Conley
2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or

cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions.

In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes

are redemptive—even when Conley’s sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

Introduction to Algebra Solution Manual Richard Rusczyk 2007-03-01

Anatomy of the Sacred James C. Livingston 2008-07-01 For one-semester, undergraduate courses in Introduction to Religion and Comparative Religion, and more advanced courses dealing with issues in the theoretical study of religion. This comprehensive introduction to the nature and variety of religious phenomena, belief, and practice (1) explores the issues in religious studies, (2) examines the universal forms of religious experience, (3) offers a cross-cultural study of a

broad range of classic types of religious belief and practice in terms of the seven basic concepts of a religious world view, and (4) surveys the challenges faced by religions today.

HotelBusiness 2008

Janey the Vet Janey Lowes 2020-03-19 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power

*Downloaded from
licm.mcgill.ca on October
2, 2022 by guest*

to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help,

along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved. Courageous Dreaming Alberto Villoldo 2009-03-01 Modern physics tells us that we're dreaming the world into being with every thought. Courageous Dreaming tells us how to dream our world with power and grace. The ancient shamans of the Americas understood that we're not only creating our experience of the world, but are dreaming up the very nature of reality itself—that is, "life is but a dream." When you don't dream your life, you have to settle for the nightmare being dreamed by others. This book shows how to wake up from the collective nightmare and begin to dream a life of courage and grace, a sacred dream that shamans throughout time have known and served. Alberto Villoldo

reveals ancient wisdom teachings that explain how to birth reality from the invisible matrix of creation; and reveals how we can interact with this matrix to dream a life of peace, health, and abundance. He shows us that courage is all that is required to create the joy we desire!

Reading And Rhyme

Parragon Book Service
Limited 2004-11

Slave Stealers Timothy Ballard 2018-09-04 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual

advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual

Claymore, Vol. 14 Norihiro Yagi 2011-07-15 In their hunt for Galatea, the Organization's former number 3, Clarice and Miata enter the Holy City of Rabona, but what they encounter there is far beyond anything they could

have anticipated. Also included in this volume are bonus stories of Priscilla and Isley's first meeting, and of Clare's training at the Organization. -- VIZ Media

Medical Anthropology

Andrea S. Wiley 2009

Intended as the primary text for introductory courses on medical anthropology, this book integrates human biological data relevant to health and disease with both evolutionary theory and the social environments that more often than not produce major challenges to health and survival.

Because students who take this fastest-growing anthropology course come from a variety of disciplines (anthropology, biology, especially pre-med students, and health sciences, especially), the text does not assume anything beyond a basic high-school level familiarity with human biology and anthropology. The authors first present basic biological information

*Downloaded from
licm.mcgill.ca on October

on a particular health condition and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives. Among the topics covered are nutrition, infectious disease, stress, reproductive health, behavioral disease, aging, race/racism and health, mental health, and healers and healing.

Bright Ruined Things

Samantha Coho

2022-02-15 "A deftly-plotted tale about ambition and belonging, *Bright Ruined Things* takes Shakespeare's *The Tempest* and brilliantly reimagines its themes of family and love. Coho writes with a magic that dazzles and cuts right to the core." - Chloe Gong, New York Times bestselling author of *These Violent Delights* Forbidden magic, a family secret, and a night to reveal it all... The only life Mae has ever known is on the island, living on the charity of the wealthy Prosper family who control

the island's magic and its spirits. Mae longs for magic of her own and to have a place among the Prosper family, where her best friend, Coco, will see her as an equal, and her crush, Miles, will finally see her. But tonight is First Night, when the Prospers and their high-society friends celebrate the night Lord Prosper first harnessed the island's magic and started producing aether - a magical fuel source that has revolutionized the world. With everyone returning to the island, Mae finally has the chance to go after what she's always wanted. When the spirits start inexplicably dying, Mae realizes that things aren't what they seem. And Ivo, the reclusive, mysterious heir to the Prosper magic, may hold all the answers - including a secret about Mae's past. As Mae and her friends unravel the mysteries of the island, and the Prospers' magic, Mae starts to question the truth

of what her world was built on. In this YA fantasy, Samantha Cohoe wonderfully mixes magic and an atmospheric setting into a fantastically immersive world, with characters you won't be able to forget.

Plain Roots Becki Willis
2018-11 Taryn Clark
thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible

dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a

[The Wish \(A Roald Dahl Short Story\)](#) Roald Dahl

2012-09-13 The Wish is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale In The Wish, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, an imaginative boy plays a game that quickly gets out of hand . . . The Wish is

taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the wife who serves a dish that baffles the police; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by the sublime Stephen Mangan. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted

Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

The Investigator John Sandford 2022-04-12 Letty Davenport, the brilliant and tenacious adopted daughter of Lucas Davenport, takes the investigative reins in the newest thriller from #1 bestselling author John Sandford. "Sandford fans rejoice! Davenport next generation has arrived and Letty is exactly the kind of cool-eyed, smart-mouthed, lethally dangerous heroine we've been waiting for." -- Lisa Gardner, author of *One Step Too Far* By age twenty-four, Letty Davenport has seen more action and uncovered more secrets than many law enforcement professionals. Now a recent Stanford grad with a master's in economics, she's restless and bored in a desk job for U.S. Senator Colles. Letty's ready to quit, but her skills have impressed Colles, and he offers her a carrot: feet-on-the-ground

investigative work, in conjunction with the Department of Homeland Security. Several oil companies in Texas have reported thefts of crude, Colles tells her. He isn't so much concerned with the oil as he is with the money: who is selling the oil, and what are they doing with the profits? Rumor has it that a fairly ugly militia group—led by a woman known only as Lorelai—might be involved. Colles wants to know if the money is going to them, and if so, what they're planning. Letty is partnered with a DHS investigator, John Kaiser, and they head to Texas. When the case quickly turns deadly, they know they're on the track of something bigger. Lorelai and her group have set in motion an explosive plan . . . and the clock is ticking down.

contemporary writings from philosophy, ethics, sociology, cultural studies, anthropology, environmental studies, history, law and science. Providing a framework for understanding the state of the multidisciplinary field of animal studies, the second edition contains updated content reflecting the developments in research and theory in the field that have emerged in the ten years since publication of the first edition. With new chapters from Peter Singer, Carol Gigliotto, Jacques Derrida and Irus Braverman, and new topics covered including the connection between animal abuse and interpersonal violence and human-animal relations, this book is the go-to resource for students of animal studies. Extracts are from academic texts and more popular texts alike as readers are given a sense of how human-animal relations have been understood and critiqued through time.

Helpful pedagogical features specific to this edition include: - an explanatory updated Editors Introduction - updated introductions to each extract, with details about the author of that piece and the context of their writing - further reading suggestions at the end of each section, updated to reflect new scholarship. With favourite chapters from the first edition preserved, this second edition has all the required new content to bring *The Animals Reader* fully up to date.

The Perils of Pleasure Julie Anne Long 2008-01-29 A rescued rogue . . . Scandal has rocked the city of London. Colin Eversea, a handsome, reckless unapologetic rogue is sentenced to hang for murder and, inconveniently for him, the only witness to the crime disappears. Then again, throughout history, the Everseas have always managed to cheat fate in style: Colin is snatched from
