Josh Cody, once Hanrahan's golden boy, escaped a previous marriage and his responsibilities, but now he's back: a qualified veterinarian - and a single dad with a lot to prove. A new job. It's not like I'll fall in love. Not even after a string of scorching hot affairs. Better than to hook up with my rival’s little sister, but the fiery look in May's eyes made me a fan for life.
read in any order. Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it :). Get ready to have your cake and eat it two too! This m/f/m romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed.
