Leading Lean Software Development Mary Poppendieck 2009-10-21 Building on their breakthrough bestsellers Lean Software Development and Implementing Lean Software Development, Mary and Tom Poppendieck's latest book shows software leaders and team members exactly how to drive high-value change throughout a software organization—and make it stick. They go far beyond generic implementation guidelines, demonstrating exactly how to make lean work in real projects, environments, and companies. The Poppendiecks organize this book around the crucial concept of frames, the unspoken mental constructs that shape our perspectives and control our behavior in ways we rarely notice. For software leaders and team members, some frames lead to long-term failure, while others offer a strong foundation for success. Drawing on decades of experience, the authors present twenty-four frames that offer a coherent, complete framework for leading lean software development. You'll discover powerful new ways to act as competency leader, product champion, improvement mentor, front-line leader, and even visionary. Systems thinking: focusing on customers, bringing predictability to demand, and revamping policies that cause inefficiency Technical excellence: implementing low-dependency architectures, TDD, and evolutionary development processes, and promoting deeper developer expertise Reliable delivery: managing your biggest risks more effectively, and optimizing both workflow and schedules Relentless improvement: seeing problems, solving problems, sharing the knowledge Great people: finding and growing professionals with purpose, passion, persistence, and pride Aligned leaders: getting your entire leadership team on the same page From the world's number one experts in Lean software development, Leading Lean Software Development will be indispensable to everyone who wants to transform the promise of lean into reality—in enterprise IT and software companies alike.

'Look Into' Bible Series Graham Kettle 2020-09-24 'Look InTo' materials provide the reader with an overview of Scripture at a level to help personal knowledge and application for the individual together with Bible study and sermon material for the hard-working church leader. 'Look InTo' series are intended to provide an overview of Bible books and pick out main topics. In this way, the reader is left with a real flavour of the specific Biblical subject, with the hope that, in due time, he/she might be encouraged into a deeper study. This study of the book of Jude meets our aims and focuses the reader on the need to study, learn and apply the undoubted word of God. Why? Because we live in a time when the Word of God has never been easier to obtain, yet it is a time, when understanding that same Word is so little understood. This creates one of the greatest dangers to the Church that is from within, not from outside.

Force of Temptation Suzanne Wright 2016-12-13 Harley Vincent is resigned to life in the human world. Sure, being a margay shifter is half her nature, but life among humans gives her the freedom to roam and do as she pleases. That is, until anti-shifter extremists target her, putting her life in immediate danger. When an old acquaintance and onetime fling, Jesse Dalton, shows up to offer the protection of his pack, Harley hesitates. She may have feelings for Jesse that go beyond their one-night stand, but life among shifters means giving over her independence to the needs of pack. Plus Mercury Pack has its own threat to face: a rich half-shifter is determined to claim their territory at any cost. Jesse, who lost his true mate as a child, has wanted Harley since their night together, and he s not letting her go again. They may not be destined for each other, but he knows she belongs to him and with his pack. Even if he can convince her to join him now, can he convince her to stay?"

The Bite That Binds Suzanne Wright 2013-02-17 It's just over a week until Sam will be Binding with Jared, and the only thing she wants is to spend that time relaxing and preparing for the ceremony. Unfortunately, she seems to be asking too much of fate, because suddenly she's lumbered with a number of distractions that have the potential to postpone, or even cancel, the Binding. There's a guarded fiancé to crack, a complicated assignment to deal with, Jared's ex to alienate, and a bunch of snobbish Master Vampires to win over - or offend, whichever. On the upside, things couldn't possibly be any worse, could they?Actually, yes they could. Due to a cruel twist of fate, something strange is happening to Sam -something that is changing her in ways she doesn't like or understand. With the help of Jared and those closest to her, she has to not only handle the threats to the Binding Ceremony, but find a way to fix what has been done to her - and fast. Warning: This book contains a stubborn and occasionally homicidal female vampire, a powerful and overprotective male vampire who refuses to lose her, and scenes of a sexual, explicit nature.

Deadlock Sara Paretsky 2011-02-09 When Chicago Black Hawks hockey legend Boom Boom Warshawski slips off a wharf and drowns in Lake Michigan, his private-eye cousin questions the accidental death report and rumors of suicide. Armed with a bottle of Black Label and a Smith & Wesson, V.I. follows a trail of violence and corruption to the center of the Windy City's powerful shipping industry. Dodging elaborate attempts on her life with characteristic grit and humor, the one-of-a-kind detective wends her way through a maze of grain elevators and thousand-ton freighters, ruthless businessmen and gorgeous ballerinas, to ferret out Boom Boom's killers before they phase her out of the picture—permanently. Praise for Deadlock “V.I. Warshawski is one of the best . . . smart, tough, sexy.”—Daily News (New York) “Sara Paretsky makes excellent use of local backgrounds in a carefully plotted tale of murder and great misdeeds in the world of Great Lakes cargo shipping.”—Chicago Tribune “Hard-boiled detective fiction . . . a swift-paced and engrossing read.”—The Philadelphia Inquirer “Slithers with suspense!”—Chicago Sun-Times

**The Business Communication Handbook** Judith Dwyer 2009 The ability to apply written, oral and interpersonal communication skills are essential if you are to succeed in your chosen career. Successful people are able to apply and adjust these skills to suit the various situations they encounter in the workplace. The eighth edition of THE BUSINESS COMMUNICATION HANDBOOK builds on the previous editions to provide an understanding of communication principles that can then be applied in the workplace. This user-friendly text is divided into four parts: Workplace Communication, Workplace Relationships, Workplace Documents and Career Development. Each chapter includes learning objectives and a list of key terms at the beginning of each chapter, margin notes to highlight key ideas, a comprehensive glossary and end-of-chapter summaries that review the essential concepts presented in the chapter. Coverage of employability skills has also been incorporated into the new edition, with Ready For Work activities at the end of each section that enable students to reflect on their readiness for work and career advancement or promotion. A Companion Website at pearsoned.com.au/dwyer provides further online resources for teachers and students and includes: True/False questions, Internet exercises, Good/Bad practice and research topic questions. This provides teachers with additional assessments and tasks, an exam revision tool and the opportunity to integrate technology into course delivery.

**The Happy Body** Aniela & Jerzy Gregorek 2015-07-15 Becoming lean and fit is not a matter of training for a few weeks, like Rocky, to become a world champion. That only happens in Hollywood movies that portray professional athletes exercising for hours every day until they are exhausted. Real athletes never do that. They train only to the point that they can recover for the next day s training. Their progress comes in small increments, not heroic triumphs. Unfortunately, movies have persuaded people that they can become lean and fit virtually overnight. Even the weight loss and fitness industry bought into this distortion and began pushing people to become like Rocky. When that approach failed, because people were injuring themselves or burning out or jumping from one program to another, trainers began

to entertain their clients instead of finding solutions to their problems. If you want to become truly lean and fit, you must work at it like an athlete, following a structured routine and that is easier and more pleasant than you may expect. The principles that work for athletes also work for ordinary people of all ages. Athletes, of course, have coaches. The Happy Body program, on the other hand, will teach you everything you need to know to be your own coach. This innovative program establishes, for the first time, exact scientific and testable methods and goals to engineer your own weight loss and fitness within precise time periods. That empowers you to self-correct your progress at every step. The Happy Body is a total health program, not just an exercise or diet plan. It will teach you to safely lose 1.0 to 2.5 pounds every week, and keep them off, without getting stuck at plateaus. You will have full control over the process, right down to the ounce. In addition to teaching you how to lose weight, the program will also help you to restore the flexibility and posture you had as a young child, and to be leaner, stronger, and faster than you have ever been. In essence, The Happy Body program will not only make you as youthful as you were at twenty, but twenty as you would have been if you had followed the program at that age.

**When a Girl Loves an Earl** Elisa Braden 2016-08-30 What a girl wants... Miss Viola Darling always gets what she wants. Always. And what she wants more than anything is to marry James Kilbrenner, the Earl of Tannenbrook. She's fallen hard for the giant, taciturn, surly brute, and she positively will have no other. The problem? He's not interested. Not even a little. But Viola cannot afford to lose. And she has her heart set on James. If only he will bend to a bit of persuasion. Is an earl like no other... James Kilbrenner knows how determined the entirely-too-beautiful Miss Darling can be—the daft woman cornered him at a perfectly respectable dinner and mangled his cravat before he could escape. He has no desire to marry, less desire to be pursued, and will certainly not kiss her kissable lips until they are both breathless, no matter how tempted he may be. And only the right one will do... Thrown in her path by a meddling marchioness, James finds himself under sensual siege from a tiny, flirtatious sprite who puts both his heart and his vow to remain unwed at risk. And when scandal looms, he learns the hard way that a man can resist only so long before the indomitable Miss Darling gets her way.

**GOOGLE CLASSROOM 2020 EASY GUIDE** Hannah Smith 2020-12-16 Are you a teacher, and are you interested in learning how to get the best from Google classroom to improve your online teaching? If yes, this is the right book for you! Google Classroom is a new tool that teachers and students can use in an educational setting. It blends the different apps from Google to help schools in their goal of education. Teachers can create a classroom and invite all their students to join. During the year, homework assignments, discussion questions, and even testing can be completed on the Google Classroom platform, making it easier for students to complete their work even outside the classroom. Many teachers who

conduct online classes have turned to use Google Classroom because it allows them to quickly post up reading material and assignments as well as the required class participation (discussions) and other information that the students need. Since most students can use Google and the platform is free, this is a great way to get online courses started. This book covers the following topics: - Google Classroom: the class goes digital - Advantages of Google Classroom - Getting started for teachers - Getting started for students - Extension and apps - Tips and tricks ... And Much More! In the modern world, many similar platforms promise to deliver success. Google Classroom has many incredible benefits that the other platforms lack. For example, it is easy to set up, allows to waste less paper and time, helps to organize classrooms and activities, and enhance communication. Moreover, it works with other apps and is secure and affordable. So, what are you waiting for? Click "Buy Now" to get started!

**The Rogue's Wager** Christi Caldwell 2016-10-25 London, 1821 Lord Robert Dennington, the Marquess of Westfield, has long reveled in the freedom afforded him as the ducal heir. He knows he must someday do right by the Somerset line, but he's in no hurry to give up his carefree existence. Helena Banbury is a bookkeeper in a gentleman's gambling club, adept at analyzing numbers and accounts but helpless for lack of influence. She's never belonged among the nobility on the gaming hell floors, but neither does she feel completely herself among the men who run the Hell and Sin Club, despite the fact that they are family. The once-illiterate girl from the streets wants more than the gilded walls her protective cage can offer. When Robert mistakenly enters her chambers one night, Helena is forced out of her predictable life and thrust into the glittering world of Society. Will the charms of the marquess prove more perilous than any danger she ever knew on the streets?
