An all-around delight” (Maria Semple, author of Where’d You Go, Bernadette?). Charles Marlow teaches his high school English students that language will expand their worlds. But linguistic precision cannot help him connect with his autistic son, his ex-wife, or his college-bound daughter, who has just flown the nest. He’s at the end of a road he’s traveled on autopilot for years when a series of events forces him to think back on the lifetime of decisions and indecisions that have brought him to this point. With the help of an ambitious art student, an Italian-speaking nun, and the memory of a boy in a white suit who inscribed his childhood with both solace and sorrow, Charles may finally be able to rewrite the script of his life. From the national-bestselling author of Broken for You, Language Arts is an affecting tale of love, loss, and language—its powers and its perils.

**The Secret of Hanging Rock** Joan Lindsay 2021-10-01 Joan Lindsay’s classic novel *Picnic at Hanging Rock* is a subtle blend of mysterious and sinister events set in a period of Australian social life drawn with loving nostalgia. The final chapter of the novel was removed at the request of her publishers, creating a mystery to which thousands have begged to know the solution. The missing chapter reveals what did happen to the schoolgirls who vanished from the Rock after a St Valentine’s Day picnic in 1900, and holds commentaries by John Taylor, Yvonne Rousseau and Mudrooroo.

**Liars and Saints** Maile Meloy 2007-11-01 A richly textured novel tells a story of sex and longing, love and loss, and of the deceit that can lie at the heart of family relationships. “Each chapter...has the seductive aura of a finely crafted story. Liars and Saints is instructive and bittersweet and yet somehow never nostalgic” (Los Angeles Times). Set in California, Liars and Saints follows four generations of the Catholic Santerre family from World War II to the present. In a family driven as much by jealousy and propriety as by love, an unspoken tradition of deceit is passed from generation to generation. When tragedy shatters their precarious domestic lives, it takes astonishing courage and compassion to bring them back together. By turns funny and disturbing, irreverent and profound, Liars and Saints is a masterful display of Maile Meloy’s prodigious gifts and of her penetrating insight into an extraordinary American family and into the nature of human love. “Meloy may be the first great American realist of the twenty-first century: The Santerres aren’t real but they feel like they are, and the reader will not soon forget them” (The Boston Globe).

**A Short History of Tractors in Ukrainian** Marina Lewycka 2006-03-28 Nominated for the Man Booker Prize "A charming comedy of eros... A ride that, despite the bumps and curves in the road, never feels anything less than jaunty." — Los Angeles Times With this wise, tender, and deeply funny novel, Marina Lewycka takes her place alongside Zadie Smith and Monica Ali as a writer who can capture the unchanging verities of family. When an elderly and newly widowed Ukrainian immigrant announces his intention to remarry, his daughters must set aside their longtime feud to thwart him. For their father’s intended is a voluptuous old-country gold digger with a proclivity for green satin underwear and an appetite for the good life of the West. As the hostilities mount and family secrets spill out, *A Short History of Tractors in Ukrainian* combines sex, bitchiness, wit, and genuine warmth in its celebration of the pleasure of growing old disgracefully.

**Half in Love** Maile Meloy 2009-12-01 Fourteen remarkable stories that combine strong Western settings with a subtle and distinct female voice. This critically celebrated debut collection marks the exciting beginning of prize-winner Meloy’s promising career. Lean and controlled in their narration, abundant and moving in their effects, Maile Meloy’s stories introduce a striking talent. Most are set in the modern American West, made vivid and unexpected in Meloy’s unsentimental vision; others take us to Paris, wartime London, and Greece, with the same remarkable skill and intuition. In “Four Lean Hounds, ca. 1976,” two couples face a complicated grief when one of the four dies. In “Ranch Girl,” the college-bound daughter of a ranch foreman must choose which adult world she wants to occupy. In “A Stakes Horse,” a woman confronts risk and loss at the racetrack and at home. And in “Aqua Boulevard”—winner of the 2001 Aga Khan Prize for Fiction—an elderly Parisian confronts his mortality. Meloy’s command of her characters’ voices is breathtaking; their fears and desires are deftly illuminated. Smart, surprising, and evocative, Meloy’s brilliantly observed stories fully engage the mind and heart.

**Passion and Affect** Laurie Colwin 2014-11-18 The debut story collection from
one of America’s most beloved authors Laurie Colwin explores the mysteries of life and love with her signature blend of empathy, wisdom, and wit in these fourteen exquisite tales. In “Animal Behavior,” an ornithologist and a doctoral student find their own mating habits to be just as inscrutable as those of their avian subjects. In “The Elite Viewer,” when his wife travels to England to attend a seminar, Benno Moran searches for exotic ways to occupy his time. He discovers television, junk food, and Greenie Frenzel, a young woman with Technicolor hair and an appetite for cherry soda and mentholated cigarettes. “Children, Dogs, and Desperate Men” is the story of Elizabeth Bayard, a sensible music critic whose flirtation with a married cartographer is the latest in a series of romantic missteps as irrational as they are irresistible. The heroes and heroines of Passion and Affect are clever, naive, brave, delicate, and fickle. In other words, they are profoundly human, and their precisely observed, warmly intelligent stories capture nothing less than what it means to be alive in the modern world. This ebook features an illustrated biography of Laurie Colwin including rare photos and never-before-seen documents from the author’s estate.

Devotion  Maile Meloy  2015-04-28 From one of the most popular and acclaimed story writers of her generation, a single-volume short story from the author of 2017’s Do Not Become Alarmed, a beautifully packaged palm-sized gift book. “That the yellow house was thrillingly affordable might have been a warning sign, if Eleanor had known how to read it. But she’d been desperate. She was sharing a room with her four-year-old daughter, Hattie, in her parents’ house, and she had to get out.” From the award-winning novelist and short story writer Maile Meloy, Devotion: A Rat Story is an exquisitely unsettling tale about a young single mother whose new home becomes a kind of nightmare she must resolve on her own. Eleanor is in such a rush to move away from her parents that she allows an imperious realtor to rush her to close on the too-good-to-be-true home without an inspection. Shortly after the house becomes legally hers—with every cent and all of her pride and future tied up in the property—the giant rats show themselves. In the yard, in the kitchen, on her daughter’s bed. A walk around the block reveals a decrepit neighboring house where two elderly sisters are feeding and fostering thousands of unusual “pets.” What has Eleanor done? What action can she possibly take now? In Meloy’s characteristically clean, assured style, she captures the hopes and horrors of domestic life with an element of suspense that drives the reader feverishly to the end.

Mercy House  Alena Dillon  2020-02-11 “Never underestimate the power of a group of women. Fierce, thoughtful and dramatic—this is a story of true courage.” —Susan Wiggs, New York Times bestselling author She would stop at nothing to protect the women under her care. Inside a century-old row house in Brooklyn, renegade Sister Evelyn and her fellow nuns preside over a safe haven for the abused and abandoned. Gruff and indomitable on the surface, warm and wry underneath, little daunts Evelyn, until she receives word that Mercy House will be investigated by Bishop Hawkins, a man with whom she shares a dark history. In order to protect everything they’ve built, the nuns must conceal many of their methods, which are forbidden by the Catholic Church. Evelyn will go to great lengths to defend all that she loves. She confronts a gang member, defies the church, challenges her own beliefs, and faces her past. She is bolstered by the other nuns and the vibrant, diverse residents of the shelter—Lucia, Mei-Li, Desiree, Esther, and Katrina—whose differences are outweighed by what unites them: they’ve all been broken by men but are determined to rebuild. Amidst her fight, Evelyn discovers the extraordinary power of mercy and the grace it grants, not just to those who receive it, but to those strong enough to bestow it.

The Octopus Escapes  Maile Meloy  2021 "An octopus is taken from his underwater home to live in an aquarium, but he soon tires of captive life"--

My Body Is A Big Fat Temple  Alena Dillon  2021-10-12 My Body Is A Big Fat Temple is a memoir that charts the emotional journey of becoming a mother with humor and honesty, as well as investigating the natal shortcomings of our culture. It tracks Dillon, a writer in her thirties, as she debates having children, and then suffers a miscarriage, morning sickness, physical changes and impairments, anxiety, labor and delivery, breastfeeding, the "baby blues," the heartache of not loving her son as she thinks she should, parenting during
a plague, and finally blossoming into her new identity as a mother. This isn’t the airbrushed billboard for motherhood women are too-often presented to preserve the sacred image of Madonna and Baby. Dillon prepares her readers for what to really expect—dry heaves, belly hair, dark nipples, crotch lightning, sweat, pain, delirium, lots of tears, and ultimately joy—so the odyssey is given its fair due. The cost of creating life is astronomical. It requires resilience and strength (and lots of bathroom breaks). But more importantly, these truths need to be shared in order to normalize them. With more stories like these, women with reservations for motherhood, and those in the midst of its fever dream, won’t feel so alone. Pregnancy is a human imperative, endured by so many, and yet there is very little narrative nonfiction on the topic—I looked—which only makes the experience more isolating. The stories of women matter. The stories of mothers matter. Let’s make ourselves heard.

*A Family Daughter* Maile Meloy 2006 A young woman from the Santerre clan accompanies her family to Argentina, where their lives become entwined with an uninhibited rich girl, an aging French playboy, a young Eastern European prostitute, and an orphaned child.

*Picnic at Hanging Rock* Joan Lindsay 2017-10-03 *Now a six-part TV series starring Natalie Dormer, from Amazon Prime* A 50th-anniversary edition of the landmark novel about three “gone girls” that inspired the acclaimed 1975 film, featuring a foreword by Maile Meloy, author of *Do Not Become Alarmed*.

It was a cloudless summer day in the year 1900. Everyone at Appleyard College for Young Ladies agreed it was just right for a picnic at Hanging Rock. After lunch, a group of three girls climbed into the blaze of the afternoon sun, pressing on through the scrub into the shadows of the secluded volcanic outcropping. Farther, higher, until at last they disappeared. They never returned. . . . Mysterious and subtly erotic, *Picnic at Hanging Rock* inspired the iconic 1975 film of the same name by Peter Weir. A beguiling landmark of Australian literature, it stands with Shirley Jackson’s *We Have Always Lived in the Castle*, Daphne du Maurier’s *Rebecca*, and Jeffrey Eugenides’ *The Virgin Suicides* as a masterpiece of intrigue.

*An Invisible Sign of My Own* Aimee Bender 2011-08-17 Aimee Bender’s stunning debut collection, *The Girl in the Flammable Skirt*, proved her to be one of the freshest voices in American fiction. Now, in her first novel, she builds on that early promise. Mona Gray was ten when her father contracted a mysterious illness and she became a quitter, abandoning each of her talents just as pleasure became intense. The only thing she can’t stop doing is math: She knocks on wood, adds her steps, and multiplies people in the park against one another. When Mona begins teaching math to second-graders, she finds a ready audience. But the difficult and wonderful facts of life keep intruding. She finds herself drawn to the new science teacher, who has an unnerving way of seeing through her intricately built façade. Bender brilliantly directs her characters, giving them unexpected emotional depth and setting them in a calamitous world, both fancifully surreal and startlingly familiar. **Crooked River Burning** Mark Winegardner 2021-11-23

In 1948 Cleveland was America’s sixth largest city; by 1969 it was the twelfth. For Easterners, Cleveland is where the Midwest begins; for Westerners, it is where the East begins. In the summer of 1948, fourteen-year-old David Zielinsky can look forward to a job at the docks. Anne O’Connor, at twelve, is the apple of her political boss father’s eye. David and Anne will meet—and fall in love—four years later, and for the next twenty years this pair will be reluctant star-crossed lovers in a troubled and turbulent country. A natural-born storyteller, Mark Winegardner spins an epic tale of those twenty years, artfully weaving such real-life Clevelanders as Eliot Ness, Alan Freed, and Carl Stokes into the tapestry. His narrative gifts may bring the fiction of E. L. Doctorow to some readers’ minds, but Winegardner is very much his own man, and his observations of Cleveland are laced with a loving skepticism. His masterful saga of this conflicted city is a novel that speaks a memorable truth.

Icebergs Rebecca Johns 2008-12-11 In World War II Canada, Walt Dunmore and Al Clark are the only members of their bomber crew to survive a plane wreck on Newfoundland’s Labrador coast—but now they must fight injuries and cold in the sub-zero wilderness. On the home front, in a small Canadian farming community, Walt’s young wife Dottie struggles with her own battles: loneliness, worry, and an attraction to an itinerant farm worker. Only one man comes home alive from Labrador, but the lives of their two families remain forever entwined. Years later, when both families relocate to Chicago, questions of loyalty and bravery ensnare their children as they confront Vietnam and their own desires. One of them is left with a choice: revenge or sacrifice. The novel follows the characters into old age, when decades-old secrets illuminate the present and the past. Johns expertly interweaves multiple storylines, maintaining tight narrative tension and slowly revealing the stories that bind her characters together. An ambitious, lyrical debut that explores romantic love and deceit, death and survival, war and domesticity, marriage, parenthood, and aging, Icebergs explores how tragedies narrowly averted can alter the course of lives as drastically as those met head-on.

All Families are Psychotic Douglas Coupland 2010-01-08 Psychosis: any form of severe mental disorder in which the individual’s contact with reality becomes highly distorted. Douglas Coupland, the author whom Tom Wolfe calls “one of the freshest, most exciting voices of the novel today,” delivers his tenth book in ten years of writing, with All Families Are Psychotic. Coupland recently has been compared to Jack Kerouac and F. Scott Fitzgerald, yet he is a man firmly grounded in the current era. The novel is a sizzling and sharp-witted entertainment that resounds with eternal human yearnings. In the opening pages, 65-year-old Janet Drummond checks the clock in her cheap motel room near Cape Canaveral, takes her prescription pills and does a rapid tally of the whereabouts of her three children: Wade, the eldest, in and out of jail and still radiating “the glint”; suicidal Bryan, whose girlfriend, the vowel-free Shw, is pregnant; and Sarah, the family’s shining light, an astronaut preparing to be launched into space as the star of a shuttle mission. They will all arrive in Orlando today – along with Janet’s ex-husband Ted and his new trophy wife – setting the stage for the most disastrous family reunion in the history of fiction. Florida may never recover from their version of fun in the
The last time the family got together, there was gunplay and an ensuing series of HIV infections. Now, what should be a celebration turns instead into a series of mishaps and complications that place the family members in constant peril. When the reformed Wade attempts to help his dad out of a financial jam and pay off his own bills at the fertility clinic, his plan spins quickly out of control. Adultery, hostage-taking, a letter purloined from Princess Diana’s coffin, heart attacks at Disney World, bankruptcy, addiction and black-market negotiations – Coupland piles on one deft, comic plot twist after another, leaving you reaching for your seat belt. When the crash comes, it is surprisingly sweet. Janet contemplates her family, and where it all went wrong. “People are pretty forgiving when it comes to other people’s family. The only family that ever horrifies you is your own.” During the writing, Coupland described the book as being about “the horrible things that families do to each other and how it makes them strong.” He commented: “Families who are really good to each other, I’ve noticed, tend to dissipate, so I wonder how awful a family would have to be to stick together.” Coupland’s first novel, Generation X: Tales for an Accelerated Culture, became a cultural phenomenon, affixing a buzzword and a vocabulary to a generation and going on to sell over a million copies. The novels that followed were all bestsellers, and his work has continued to show a fascination with the digital, brand-conscious, media-dense culture of contemporary North American society, leading some to peg him as “an up-to-the-minute cultural reference engine.” Meanwhile, his deeper interests in how human beings function in this spiritual vacuum have become increasingly apparent. For example, the character Wade contemplates his father: “What would the world have to offer Ted Drummond, and the men like him, a man whose usefulness to the culture had vanished somewhere around the time of Windows 95? Golf? Gold? Twenty-four hour stock readouts?” Janet, on the other hand, nears a kind of peace with life: “Time erases both the best and the worst of us.” All Families Are Psychotic shows Coupland being just as concerned for the grown-ups as for the kids.

Do Not Become Alarmed Maile Meloy 2018-06-05 The moving and suspenseful new novel that Ann Patchett calls "smart and thrilling and impossible to put down... the book that every reader longs for." “This summer’s undoubtable smash hit... an addictive, heart-palpitating story.” —Marie Claire The sun is shining, the sea is blue, the children have disappeared. When Liv and Nora decide to take their husbands and children on a holiday cruise, everyone is thrilled. The adults are lulled by the ship’s comfort and ease. The four children—ages six to eleven—love the nonstop buffet and their newfound independence. But when they all go ashore for an adventure in Central America, a series of minor misfortunes and miscalculations leads the families farther from the safety of the ship. One minute the children are there, and the next they’re gone. The disintegration of the world the families knew—told from the perspectives of both the adults and the children—is both riveting and revealing. The parents, accustomed to security and control, turn on each other and blame themselves, while the seemingly helpless children discover resources they never knew they possessed. Do Not Become Alarmed is a story about the protective force of innocence and the limits of parental power, and an insightful look at privileged illusions of safety. Celebrated for her spare and moving fiction, Maile Meloy has written a gripping novel about how quickly what we count on can fall away, and the way a crisis shifts our perceptions of what matters most.

Dept. of Speculation and Weather “The Fourth Child is keen and beautiful and heartbreaking—an exploration of private guilt and unexpected obligation, of the intimate losses of power embedded in female adolescence, and of the fraught moments of glancing divinity that come with shouldering the burden of love.” —Jia Tolentino, New York Times bestselling author of Trick Mirror

“A remarkable family saga . . . The Fourth Child is a balm—a reminder that it is possible for art to provide a nuanced exploration of life itself.” —Rumaan Alam, author of Leave the World Behind and Rich and Pretty

The author of Break in Case of Emergency follows up her “extraordinary debut” (The Guardian) with a moving novel about motherhood and marriage, adolescence and bodily autonomy, family and love, religion and sexuality, and the delicate balance between the purity of faith and the messy reality of life. Book-smart, devoutly Catholic, and painfully unsure of herself, Jane becomes pregnant in high school; by her early twenties, she is raising three children in the suburbs of western New York State. In the fall of 1991, as her children are growing older and more independent, Jane is overcome by a spiritual and intellectual restlessness that leads her to become involved with a local pro-life group. Following the tenets of her beliefs, she also adopts a little girl from Eastern Europe. But Mirela is a difficult child. Deprived of a loving caregiver in infancy, she remains unattached to her new parents, no matter how much love Jane shows her. As Jane becomes consumed with chasing therapies that might help Mirela, her relationships with her family, especially her older daughter, Lauren, begin to fray. Feeling estranged from her mother and unsettled in her new high school, Lauren begins to discover the power of her own burgeoning creativity and sexuality—a journey that both echoes and departs from her mother’s own adolescent experiences. But when Lauren is confronted with the limits of her youth and independence, Jane is thrown into an emotional crisis, forced to reconcile her principles and faith with her determination to keep her daughters safe. The Fourth Child is a piercing love story and a haunting portrayal of how love can shatter—or strengthen—our beliefs.

Saints Orson Scott Card 2001-03-14 From the bestselling author of the Ender Universe series comes Orson Scott Card’s epic historical novel Saints When ten-year-old Dinah Kirkham saw her father leave their Manchester home in the middle of the night, she basked when he would be back. "Soon," he replied. But he never came back. On that night in 1829, John Kirkham laid the foundation of his daughter's certainty that the only person Dinah could ever really trust was herself. From that day forward, Dinah worked to support her family, remaining devoted to their welfare even in the face of despair and grinding poverty. Then one day she heard a new message, a new purpose ignited in her heart, and new life opened up before her. Ten Years in the Tub Nick Hornby 2016-04-12 "How often do you begin reading a book that makes you—immediately, urgently, desperately—want to read more books?" (Booklist). Nick Hornby has managed to write just such a
book in this hilarious, insightful, and infectious volume. Ten Years in the Tub chronicles Hornby's journey through a decade's worth of books, as related in his wildly popular Believer column "Stuff I've Been Reading." Ten Years in the Tub is a one-way ticket into the mind of one of the most beloved contemporary writers on his favorite pastime, but it's also a meditation on what Celine Dion can teach us about ourselves, a warning about how John Updike can ruin our sex lives, and a recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days. This "decade-long addiction for many... makes standing in line at the bank a blessed interval for snorting another page." (the New York Times Book Review)
