The Apprentices by Douglas Coupland 2010-01-08 Psychosis: any form of severe mental disorder in which the individual's contact with reality becomes highly altered. The novel is a scathing satire on the state of contemporary society, with its focus on the lives of young artists and their struggles to find their place in the world. It is a pithy and insightful look at the challenges of navigating the art world, as well as the complexities of relationships and identity.

Alarmed is a story about the protective force of innocence and the limits of parental power, and an insightful look at privileged illusions of safety. Do Not Become Alarmed by Maile Meloy is the perfect complement to her powerfully moving storytelling.

The Fourth Child is a piercing love story and a haunting portrayal of how love can shatter—or strengthen—our beliefs. As Jane, the protagonist, grows older and more independent, she is overcome by a spiritual and intellectual restlessness that leads her to become involved with a local pro-life group. Following the tenets of her beliefs, she also adopts a little girl from Eastern Europe. But Mirela is a difficult child. Deprived of a loving caregiver in infancy, she remains unattached to her new parents, no matter how much love Jane shows her. As Jane becomes consumed with chasing therapies that might help Mirela, her relationships with her family, especially her older daughter, Lauren, begin to fray. Feeling estranged from her mother and unsettled in her new high school, Lauren begins to discover the power of sexuality, and the delicate balance between the purity of faith and the messy reality of life. Book-smart, devoutly Catholic, and painfully unsure of herself, Jane and sexuality, and the delicate balance between the purity of faith and the messy reality of life. Book-smart, devoutly Catholic, and painfully unsure of herself, Jane is thrown into an emotional crisis, forced to reconcile her principles and faith with her determination to keep her daughters safe.
