Nineteen Ninety Six Gloria Naylor 2006-11 When a crotchety neighbor has a brother who is an official with the National Security Agency, the author finds a neighborly feud can become serious. This work has been described as a fictionalized memoir. There is an addendum of an essay and bibliography which provides the real life basis for the story's warning about government surveillance, mind control and electromagnetic weapons development. As the saying goes "You aren't paranoid, if they really are out to get you". Is this a conspiracy theory gone wild or the sighting of the tip of a real iceberg in our future?

Class Interruptions Robin Brooks 2021-12-20 As downward mobility continues to be an international issue, Robin Brooks offers a timely intervention between the humanities and social sciences by examining

how Black women's cultural production engages debates about the growth in income and wealth gaps in global society during the late twentieth and early twenty-first centuries. Using an interdisciplinary approach, this innovative book employs major contemporary texts by both African American and Caribbean writers—Toni Morrison, Gloria Naylor, Dawn Turner, Olive Senior, Oonya Kempadoo, Merle Hodge, and Diana McCaulay—to demonstrate how neoliberalism, within the broader framework of racial capitalism, reframes structural inequalities as personal failures, thus obscuring how to improve unjust conditions. Through interviews with authors, textual analyses of the fiction, and a diagramming of cross-class relationships, Brooks offers compelling new insight on literary portrayals of class inequalities and division. She expands the scope of how the Black women's literary tradition, since the 1970s, has been conceptualized by repositioning the importance of class and explores why the imagination matters as we think about novel ways to address long-standing and simultaneously evolving issues.

The Novels of Gloria Naylor Gloria Naylor 2018-04-17 Three lyrical and unforgettable novels from the National Book Award-winning author of *The Women of Brewster Place*. After winning both the National Book Award and the American Book Award for her now iconic debut novel, *The Women of Brewster Place*, which was later made into a TV miniseries starring Oprah Winfrey, Gloria Naylor continued to garner acclaim as one of the most original voices in twentieth-century American literature with novels such as *Mama Day*, *Linden Hills*, and *Bailey's Cafe*. *Mama Day: On Willow Springs*, an island off the coast between Georgia and South Carolina, superstition is more potent than any trappings of the modern world. Here, the formidable *Mama Day* uses her powers to heal. But her great-niece, *Cocoa*, can't wait to escape to New York City. When *Cocoa* returns to the island with her husband, *George*, darker forces challenge the couple—and their only hope may be the mystical matriarch. Steeped in the folklore of the South and inspired by Shakespeare, *Mama Day* is one of Naylor's "richest and most complex" novels (*Providence Journal*). "[A] wonderful novel, full of spirit and sass and wisdom, and completely realized." —*The Washington Post* *Linden*

Hills: For its wealthy African American residents, the exclusive neighborhood of *Linden Hills* is a symbol of making it. But what happens when the dream of material success turns out to be an empty promise? Using Dante's *Inferno* as a model, Naylor reveals the true cost of success for the lost souls of *Linden Hills*—a hell of their own making. "Every page contains a brilliant insight, a fine description, some petty and human, some grandiloquent." —*Chicago Tribune* *Bailey's Cafe*: This "moving and memorable" national bestseller is set in post-World War II Brooklyn, on a quiet backstreet, where *Bailey's Cafe* serves as a crossroads for a broad range of patrons, a place of limbo for tortured souls before they move on—or check out (*Boston Globe*). "A virtuoso orchestration of survival, suffering, courage and humor." —*The New York Times Book Review*

Bone Fae Myenne Ng 2015-11-03 "We were a family of three girls. By Chinese standards, that wasn't lucky. In Chinatown, everyone knew our story. Outsiders jerked their chins, looked at us, shook their heads. We heard things." In this profoundly moving novel, Fae Myenne Ng takes readers into the hidden heart of San Francisco's Chinatown, to the world of one family's honor, their secrets, and the lost bones of a "paper father." Two generations of the Leong family live in an uneasy tension as they try to fathom the source of a brave young girl's sorrow. Oldest daughter *Leila* tells the story: of her sister *Ona*, who has ended her young, conflicted life by jumping from the roof of a Chinatown housing project; of her mother *Mah*, a seamstress in a garment shop run by a "Chinese Elvis"; of *Leon*, her father, a merchant seaman who ships out frequently; and the family's youngest, *Nina*, who has escaped to New York by working as a flight attendant. With *Ona* and *Nina* gone, it is up to *Leila* to lay the bones of the family's collective guilt to rest, and find some way to hope again. Fae Myenne Ng's luminous debut explores what it means to be a stranger in one's own family, a foreigner in one's own neighborhood—and whether it's possible to love a place that may never feel quite like home.

Typical American Gish Jen 2014-11-11 This "irresistible novel" of Chinese immigrants navigating the American dream is "startling [and] heartrending, without ever losing its comic touch" (*Entertainment*

Weekly). Gish Jen reinvents the American immigrant story through the Chang family, who first come to the United States with no intention of staying. But when the Communists assume control of China in 1949, Ralph Chang, his sister Theresa, and his wife Helen find themselves in a crisis, struggling to cling to their old-world ideas of themselves. But soon they begin to dream the American dream of self-invention. They transform, poignantly and ironically, from people who disparage all that is “typical American” to people who aspire to the American ideal. With droll humor and a deep empathy for her characters, Gish Jen creates a superbly engrossing story that sparkles with wit while challenging the reader to reconsider what it means to be a typical American. “No paraphrase could capture the intelligence of Gish Jen’s prose, its epigrammatic sweep and swiftness . . . The author just keeps coming at you line after stunning line.” —The New York Times Book Review

Gloria Naylor's Fiction Sharon A. Lewis 2017-11-06 This edited volume offers innovative ways of analyzing economics in Gloria Naylor's fiction, using interpretive strategies which are applicable to the entire tradition of African American literature. provocative novelists of our time.

The Fiction of Gloria Naylor Maxine Lavon Montgomery 2010-11-26
The Fiction of Gloria Naylor is one of the very first critical studies of this acclaimed writer. Including an insightful interview with Naylor and focusing on her first four novels, the book situates various acts of insurgency throughout her work within a larger framework of African American opposition to hegemonic authority. But what truly distinguishes this volume is its engagement with African American vernacular forms and twentieth-century political movements. In her provocative analysis, Maxine Lavon Montgomery argues that Naylor constantly attempts to reconfigure the home and homespace to be more conducive to black self-actualization, thus providing a stark contrast to a dominant white patriarchy evident in a broader public sphere. Employing a postcolonial and feminist theoretical framework to analyze Naylor's evolving body of work, Montgomery pays particular attention to black slave historiography, tales of conjure, trickster lore, and oral devices involving masking, word play, and code-switching—the vernacular strategies that have catapulted Naylor to the vanguard of contemporary African American letters. Montgomery argues for the existence of home as a place that is not exclusively architectural or geographic in nature. She posits that in Naylor's writings home exists as an intermediate space embedded in cultural memory and encoded in the vernacular. Home closely resembles a highly symbolic, signifying system bound with vexed issues of racial sovereignty as well as literary authority. Through a re-inscription of the subversive, frequently clandestine acts of resistance on the part of the border subject—those outside the dominant culture—Naylor recasts space in such a way as to undermine reader expectation and destabilize established models of dominance, influence, and control. Thoroughly researched and sophisticated in its approach, *The Fiction of Gloria Naylor* will be essential reading for scholars and students of African American, American, and African American Literary and Cultural studies. Maxine Lavon Montgomery is the author of *The Apocalypse in African-American Fiction* and the editor of *Conversations with Gloria Naylor*. Her articles have appeared in African-American

Review, College Language Association Journal, and The Literary Griot. She is an associate professor in the English department at Florida State University in Tallahassee.

Gloria Naylor Shirley A. Stave 2001 "This collection of essays treats Gloria Naylor's novels *Mama Day* and *Bailey's Cafe*, recognized by scholars and critics as her most significant works. Long understood to be a major African-American woman writer, Gloria Naylor is finally gaining recognition as a contemporary American writer who needs no qualifiers or adjectives before her name. One of the few critical studies of her work, this text represents the work of a group of scholars who are looking seriously and carefully at Naylor, attempting to determine her place, not within an intellectual tradition, but rather within several traditions."--BOOK JACKET. Gloria Naylor's Early Novels Margot Anne Kelley 1999 "An outstanding study of Naylor's work! It offers the quality and intensity of scholarship that her work deserves, and it is a significant addition to the body of scholarship that her work has inspired. Its ideas are large, but its language is accessible. . . . All of Naylor's fans will herald its presence."--Joyce Pettis, North Carolina State University These essays about the important contemporary African-American novelist Gloria Naylor explore themes of race, class, domesticity, and sexual identity--the complex issues that contribute to Naylor's popularity with the general public as well as to her importance in the academy. They show how her novels function individually and how the first four--*The Women of Brewster Place* (1982), *Linden Hills* (1985), *Bailey's Cafe* (1992), and *Mama Day* (1993)--work together as a quartet. The essays illuminate Naylor's vision of a universe that is rich, complicated, and fraught with possibility and impossibility--a world in which "everything got four sides . . . [and] all of it is the truth." Contents Introduction: "Everything Got Four Sides" 1. Gloria Naylor's Poetics of Emancipation: Emerging Impossibilities in *Bailey's Cafe*, by Karen Schneider 2. The Temple of My Familiar Alice Walker 2011-09-20 The Pulitzer Prize-winning author of *The Color Purple* weaves a "glorious and iridescent" tapestry of interrelated lives in this New York Times bestseller (Library Journal). In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Temple of My Familiar* is the 2nd book in the *Color Purple* Collection, which also includes *The Color Purple* and *Possessing the Secret of Joy*.

Instead they find themselves stranded between worlds, with the German Army hidden on one side and their racist and largely mismanaged American

commanding officers on the other. Floating between myth and reality in a place where belief in magic co-exists with the most horrific acts of war, they are all about to be touched by a miracle.

Gloria Naylor Henry L. Gates 1999-08-01 In the history of the African-American literary tradition, perhaps no author has been immersed in the formal history of that tradition than Gloria Naylor. As an undergraduate student of Afro-American literature at Brooklyn College and a graduate student of Afro-American studies at Yale, Naylor has analyzed the works of her male and female antecedents in a manner that was impossible before the late seventies. And, while she is a citizen of the republic of literature in the broadest and most cosmopolitan sense, her work suggest formal linkage to that of Ann Petry, James Baldwin, and, more recently, Toni Morrison. -- from the Preface by Henry Louis Gates, Jr.

The Women of Brewster Place Gloria Naylor 2021-05-11 The National Book Award-winning novel—and contemporary classic—that launched the brilliant career of Gloria Naylor, now with a foreword by Tayari Jones “[A] shrewd and lyrical portrayal of many of the realities of black life . . . Naylor bravely risks sentimentality and melodrama to write her compassion and outrage large, and she pulls it off triumphantly.” —The New York Times Book Review “Brimming with inventiveness—and relevance.” —NPR's Fresh Air In her heralded first novel, Gloria Naylor weaves together the stories of seven women living in Brewster Place, a bleak-inner city sanctuary, creating a powerful, moving portrait of the strengths, struggles, and hopes of black women in America. Vulnerable and resilient, openhanded and openhearted, these women forge their

lives in a place that in turn threatens and protects—a common prison and a shared home. Naylor renders both loving and painful human experiences with simple eloquence and uncommon intuition in this touching and unforgettable read.
