HRC Jonathan Allen 2014-02-11

The mesmerizing story of Hillary Clinton's political rebirth, based on eyewitness accounts from deep inside her inner circle Hillary Clinton's surprising

defeat in the 2008 Democratic primary brought her to the nadir of her political career, vanquished by a much younger opponent whose message of change and cutting-edge tech team ran circles around her

stodgy campaign. And yet, six years later, she has reemerged as an even more powerful and influential figure, a formidable stateswoman and the presumed front-runner for the 2016 Democratic presidential nomination, marking one of the great political comebacks in history. The story of Hillary's phoenixlike rise is at the heart of HRC, a riveting political biography that journeys into the heart of "Hillaryland" to discover a brilliant strategist at work. Masterfully unfolded by Politico's Jonathan Allen and The Hill's Amie Parnes from more than two hundred top-access interviews with Hillary's intimates, colleagues,

supporters, and enemies, HRC portrays a seasoned operator who negotiates political and diplomatic worlds with equal savvy. Loathed by the Obama team in the wake of the primary, Hillary worked to become the president's greatest ally, their fates intertwined in the work of reestablishing America on the world stage. HRC puts readers in the room with Hillary during the most intense and pivotal moments of this era, as she mulls the president-elect's offer to join the administration, pulls the strings to build a coalition for his war against Libya, and scrambles to deal with the fallout from the terrible events in Benghazi—all

while keeping one eye focused on 2016. HRC offers a rare look inside the merciless Clinton political machine, as Bill Clinton handled the messy business of avenging Hillary's primary loss while she tried to remain above the partisan fray. Exploring her friendships and alliances with Robert Gates, David Petraeus, Leon Panetta, Joe Biden, and the president himself, Allen and Parnes show how Hillary fundamentally transformed the State Department through the force of her celebrity and her unparalleled knowledge of how power works in Washington. Filled with deep reporting and immersive storytelling, this remarkable portrait of the most

important female politician in American history is an essential inside look at the woman who may be our next president.

The Book of Gutsy Women

Hillary Rodham Clinton

2019-10-01 Now an eight-part docuseries on Apple TV+ Hillary Rodham Clinton and her daughter, Chelsea, share the stories of the gutsy women who have inspired them—women with the courage to stand up to the status quo, ask hard questions, and get the job done. She couldn't have been more than seven or eight years old. "Go ahead, ask your question," her father urged, nudging her forward. She smiled shyly and said, "You're my hero. Who's

yours?” Many people—especially girls—have asked us that same question over the years. It’s one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of Life magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible. CHELSEA: This

book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close friends’ moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains a big

piece of the unfinished business of the twenty-first century. While there's a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no

one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely optimistic—they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women—leaders with the courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul

seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it's that the world needs gutsy women.

The Truth About Hillary Edward Klein 2005-06-21 Hillary Rodham Clinton is the most polarizing figure in American politics. Love her or hate her, everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008. Despite more than a dozen years in the national spotlight and more than a dozen unauthorized books about her, she has managed to keep many secrets from the

public especially about her turbulent marriage and its impact on her career. There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors, but never a definitive book that exposes the truth. Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady, especially during her husband's impeachment. Klein's book, embargoed until publication, will break news about the choices and calculations she has made over the years. It will also prove that she lied to America in her bestselling autobiography Living

History. When she was just a little girl, Hillary Rodham dreamed of becoming the first female president, and her lifelong dream is almost within reach. But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president, Klein's book will influence everyone who is sizing up the character of Hillary Clinton.

State of Terror Louise Penny

2021-10-12 AN INSTANT #1

NEW YORK TIMES

BESTSELLER Named one of the most anticipated novels of

the season by People,

Associated Press, Time, Los

Angeles Times, Parade, St.

Louis Post-Dispatch, The

Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state.

There is no love lost between

the president of the United

States and Ellen Adams, his

new secretary of state. But it's

a canny move on the part of the

president. With this

appointment, he silences one of

his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan,

Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate

young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

A Woman in Charge Carl Bernstein 2007-06-05 The nuanced, definitive biography of one of the most controversial and widely misunderstood figures of our time: the woman running a historic campaign as the 2016 Democratic presidential nominee—Hillary Rodham Clinton. Drawing on

hundreds of interviews with colleagues and friends and with unique access to campaign records, Pulitzer Prize-winning journalist and bestselling author Carl Bernstein has given us a book that enables us, at last, to address the questions Americans are insistently—even obsessively—asking: Who is she? What is her character? What is her political philosophy? And, what can we expect from Hillary if we elect her President of the United States?

An Invitation To The White House Hillary Rodham Clinton 2000-11-29 The First Lady celebrates the history, culture, and food of the White House, in an illustrated volume that

captures the significance of this great house in American life.

Rodham Curtis Sittenfeld

2020-05-19 NEW YORK TIMES

BESTSELLER • From the

York Times NAMED ONE OF

THE BEST BOOKS OF THE

YEAR BY *The New Yorker* •

NPR • *The Washington Post* •

Marie Claire • *Cosmopolitan*

(UK) • *Town & Country* • *New*

York Post In 1971, Hillary

Rodham is a young woman full

of promise: *Life* magazine has

covered her Wellesley

commencement speech, she’s

attending Yale Law School, and

she’s on the forefront of student

activism and the women’s rights

movement. And then she meets

Bill Clinton. A handsome,

charismatic southerner and

fellow law student, Bill is

already planning his political

career. In each other, the two

find a profound intellectual,

emotional, and physical

connection that neither has

previously experienced. In the

real world, Hillary followed Bill

back to Arkansas, and he

proposed several times;

although she said no more than

once, as we all know, she

eventually accepted and became Hillary Clinton. But in Curtis Sittenfeld's powerfully imagined tour-de-force of fiction, Hillary takes a different road. Feeling doubt about the prospective marriage, she endures their devastating breakup and leaves Arkansas. Over the next four decades, she blazes her own trail—one that unfolds in public as well as in private, that involves crossing paths again (and again) with Bill Clinton, that raises questions about the tradeoffs all of us must make in building a life. Brilliantly weaving a riveting fictional tale into actual historical events, Curtis Sittenfeld delivers an uncannily

astute and witty story for our times. In exploring the loneliness, moral ambivalence, and iron determination that characterize the quest for political power, as well as both the exhilaration and painful compromises demanded of female ambition in a world still run mostly by men, *Rodham* is a singular and unforgettable novel.

Why I Should Be President

Hillary Rodham Clinton
2014-10-10 Hillary Rodham Clinton's deeply heartfelt analysis of the crises, choices, and challenges she faced during her four years as America's 67th Secretary of State, and how those

experiences make her qualified to be the next president. She goes on to enumerate every one of the attributes that make her the obvious choice for Americans. "All of us face hard choices in our lives," Hillary Rodham Clinton writes at the start of her personal memoir of years at the center of world events. I guess this means the international world revolves around her. "Life is about making such choices. Our choices and how we handle them shape the people we become." Apparently, for voters in 2016, they will be facing another of these "hard choices" in deciding who will lead the country. In this riveting diatribe,

we are treated to all the noble and correct reasons that we should begin to use the phrase "Madam President". Granted, this is also a parody.

Hillary Rodham Clinton Michael Burgan 2008 Presents the life of the former first lady who has become a political figure in her own right as a United States senator and presidential candidate.

Faith of My Fathers John McCain 2016-10-04 NEW YORK TIMES BESTSELLER • Senator John McCain's deeply moving memoir is the story of three generations of warriors and the ways that sons are shaped and enriched by their fathers. John McCain's

grandfather, a four-star admiral and one of the navy's greatest commanders, led the strongest aircraft carrier force of the Third Fleet during World War II.

McCain's father, also a four-star admiral, served as commander of all U.S. forces in the Pacific during the Vietnam War. It was in Vietnam that John McCain III faced the most difficult challenge of his life. A naval aviator, he was shot down over Hanoi in 1967. Recognized as the son of a top commander, McCain was tortured and imprisoned for five and a half years. Despite this, he refused Vietnamese offers of an early release. What McCain learned from his grandfather and father

enabled him to survive those hard years. A testament to the power of human endurance, Faith of My Fathers is the story of three men who fought for their country with courage and emerged with their honor intact. Praise for Faith of My Fathers "A thoughtful first-person take on survival, both physical and psychological . . . hard to top and impossible to read without being moved."—USA Today "A candid, moving, and entertaining memoir . . . impressive and inspiring, the story of a man touched and molded by fire who loved and served his country in a time of great trouble, suffering, and challenge."—Kirkus Reviews "A

serious, utterly gripping account of faith, fathers, and the military.”—Publishers Weekly (starred review) “Faith of My Fathers may also appeal to those who flocked to Saving Private Ryan and kept Brokaw’s The Greatest Generation near the top of the bestseller lists.”—Library Journal “Faith of My Fathers is the powerful story of a war hero. In it we learn much of what matters most. As prisoner (and later Senator) McCain instructs us: Glory is not an end in itself, but rather a reward for valor and faith. And the greatest freedom and human fulfillment comes from engaging in a noble enterprise larger than oneself. Faith of My

Fathers teaches deep truths that are valid in any age but that warrant special attention in our own.”—William J. Bennett
Hillary Rodham Clinton Kathleen Krull 2015-08-25 This very first picture book about Senator Hillary Clinton chronicles her life from her childhood in Chicago to serving as the nation’s First Lady to her own campaign for President of the United States. Full color.

Hillary Karen Blumenthal 2016-01-12 First . . . student commencement speaker at Wellesley First . . . woman to become full partner at Rose Law Firm First . . . Lady of the United States First . . . First Lady to hold a postgraduate

degree First . . . First Lady to win a Grammy Award First . . . elected female Senator of New York First . . . woman to be a presidential candidate in every primary in every state First . . . First Lady to seek the presidency "Always aim high, work hard, and care deeply about what you believe in. . . . And, when you're knocked down, get right back up and never listen to anyone who says you can't or shouldn't go on." - Hillary Rodham Clinton As a young girl growing up in the fifties, Hillary Diane Rodham had an unusual upbringing for the time-her parents told her, "You can do or be whatever you choose, as long as you're

willing to work for it." Hillary took those words and ran. Whether it was campaigning at the age of thirteen in the 1964 presidential election, receiving a standing ovation and being featured in LIFE magazine as the first student commencement speaker at Wellesley, or graduating from Yale Law School-she was always one to stand out from the pack. And that was only the beginning. From First Lady of the United States to the first female Senator of New York and most recently as the United States Secretary of State. An activist all her life, she has been devoted to health care reform, child care, and women's rights,

among others.

The Secretary: A Journey with

Hillary Clinton from Beirut to

the Heart of American Power

Kim Ghattas 2013-03-05 The

first inside account to be

published about Hillary Clinton's

time as secretary of state,

anchored by Ghattas's own

perspective and her quest to

understand America's place in

the world In November 2008,

Hillary Clinton agreed to work

for her former rival. As

President Barack Obama's

secretary of state, she set out

to repair America's image

around the world—and her own.

For the following four years,

BBC foreign correspondent Kim

Ghattas had unparalleled

access to Clinton and her

entourage, and she weaves a

fast-paced, gripping account of

life on the road with Clinton in

The Secretary. With the

perspective of one who is both

an insider and an outsider,

Ghattas draws on extensive

interviews with Clinton,

administration officials, and

players in Washington as well

as overseas, to paint an

intimate and candid portrait of

one of the most powerful global

politicians. Filled with fresh

insights, The Secretary provides

a captivating analysis of

Clinton's brand of diplomacy

and the Obama administration's

efforts to redefine American

power in the twenty-first

century. Populated with a cast of real-life characters, The Secretary tells the story of Clinton's transformation from popular but polarizing politician to America's envoy to the world in compelling detail and with all the tension of high stakes diplomacy. From her evolving relationship with President Obama to the drama of WikiLeaks and the turmoil of the Arab Spring, we see Clinton cheerfully boarding her plane at 3 a.m. after no sleep, reading the riot act to the Chinese, and going through her diplomatic checklist before signing on to war in Libya—all the while trying to restore American leadership in a rapidly changing world.

Viewed through Ghattas's vantage point as a half-Dutch, half-Lebanese citizen who grew up in the crossfire of the Lebanese civil war, The Secretary is also the author's own journey as she seeks to answer the questions that haunted her childhood. How powerful is America really? And, if it is in decline, who or what will replace it and what will it mean for America and the world?

What Were We Thinking Carlos Lozada 2020-10-06 The Washington Post's Pulitzer Prize-winning book critic uses the books of the Trump era to argue that our response to this presidency reflects the same

failures of imagination that made it possible. As a book critic for The Washington Post, Carlos Lozada has read some 150 volumes claiming to diagnose why Trump was elected and what his presidency reveals about our nation. Many of these, he's found, are more defensive than incisive, more righteous than right. In *What Were We Thinking*, Lozada uses these books to tell the story of how we understand ourselves in the Trump era, using as his main characters the political ideas and debates at play in America today. He dissects works on the white working class like *Hillbilly Elegy*; manifestos from the anti-Trump

resistance like *On Tyranny* and *No Is Not Enough*; books on race, gender, and identity like *How to Be an Antiracist* and *Good and Mad*; polemics on the future of the conservative movement like *The Corrosion of Conservatism*; and of course plenty of books about Trump himself. Lozada's argument is provocative: that many of these books—whether written by liberals or conservatives, activists or academics, Trump's true believers or his harshest critics—are vulnerable to the same blind spots, resentments, and failures that gave us his presidency. But Lozada also highlights the books that succeed in illuminating how

America is changing in the 21st century. What Were We Thinking is an intellectual history of the Trump era in real time, helping us transcend the battles of the moment and see ourselves for who we really are. **Losing America** Robert C. Byrd 2004 A congressman who has served for more than fifty years presents a cautionary argument against current Bush administration practices that he contends disrupt the balance of governmental power, limits public participation in decision-making, and compromises privacy, in a call to action that reminds readers of the Constitution's original purpose. 70,000 first printing.

Worth the Fighting For John McCain 2002-09-24 NATIONAL BESTSELLER • Senator John McCain tells the story of his great American journey, from the U.S. Navy to his electrifying campaign for the presidency in 2000, interwoven with heartfelt portraits of the mavericks who have inspired him through the years. After five and a half years as a prisoner of war in Vietnam, naval aviator John McCain returned home a changed man. Regaining his health and flight-eligibility status, he resumed his military career, commanding carrier pilots and serving as the navy's liaison to what is sometimes ironically called the world's

most exclusive club, the United States Senate. Accompanying Senators John Tower and Henry “Scoop” Jackson on international trips, McCain began his political education in the company of two masters, leaders whose standards he would strive to maintain upon his election to the U.S. Congress. There, he learned valuable lessons in cooperation from a good-humored congressman from the other party, Morris Udall. In 1986, McCain was elected to the U.S. Senate, inheriting the seat of another role model, Barry Goldwater. During his time in public office, McCain has seen acts of principle and acts of

craven self-interest. He describes both extremes in these pages, with his characteristic straight talk and humor. He writes honestly of the lowest point in his career, the Keating Five savings and loan debacle, as well as his triumphant moments—his return to Vietnam and his efforts to normalize relations between the U.S. and Vietnamese governments; his fight for campaign finance reform; and his galvanizing bid for the presidency in 2000. Writes McCain: “A rebel without a cause is just a punk. Whatever you’re called—rebel, unorthodox, nonconformist, radical—it’s all self-indulgence without a good

cause to give your life meaning.” This is the story of McCain’s causes, the people who made him do it, and the meaning he found. Worth the Fighting For reminds us of what’s best in America, and in ourselves. Praise for Worth the Fighting For “When [John] McCain writes of people and patriotism, his pages shine with a devotion, a loving awe, that makes Worth the Fighting For worth the shelling out for. . . . McCain the man remains one of the most inspiring public figures of his generation.”—Jonathan Raunch, The Washington Post “[An] unpredictable, outspoken memoir . . . a testimonial to heroism from someone who has

first-hand knowledge of what it takes.”—The New York Times Living History Hillary Rodham Clinton 2004-04-19 The author chronicles her eight years as First Lady of the United States, looking back on her husband's two administrations, the challenges she faced during the period, the impeachment crisis, and her own political work.

Hillary Clinton Cheryl Harness 2016-07-26 A biography of 2016 Presidential candidate, US Senator, US Secretary of State, and former first lady Hillary Clinton. A Real-Life Story biography of 2016 presidential candidate, Hillary Rodham Clinton. With dreams of becoming an astronaut at a

young age, Hillary Clinton has always reached for the stars, politically, personally, and professionally. She's led a life devoted to public service, championing the rights of children, women, the disenfranchised. Wellesley, Yale, First Lady of Arkansas, Law firm partner, First Lady of the United States, New York State Senator, Secretary of State...her list of accomplishments is nothing short of extraordinary; her life story as told by acclaimed writer Cheryl Harness, is powerfully inspiring.

Hillary Rodham Clinton Donnie Radcliffe 2009-09-26 Covering all aspects of America's

controversial former President's wife, this comprehensive biography offers an unprecedented view of our first baby boomer First Lady, and provides a better understanding of lawyer, board member, and commission member Hillary Clinton.

It Takes a Village Hillary Rodham Clinton 2017-09-12 A new picture book from Simon & Schuster. Simon & Schuster has a great book for every reader.

Extreme Makeover of Hillary (Rodham) Clinton Bay Buchanan 2006-01-01 An analysis of Hillary Clinton's efforts to adapt her public image to render her a desirable

presidential candidate describes how perceptions about her have changed, in a profile that considers her eligibility and potential for the presidency.

It Takes a Village Hillary

Rodham Clinton 2012-12-11

Ten years ago one of America's most important public figures, First Lady Hillary Rodham Clinton, chronicled her quest both deeply personal and, in the truest sense, public to help make our society into the kind of village that enables children to become able, caring resilient adults. IT TAKES A VILLAGE is a textbook for caring, filled with truths that are worth a read, and a reread. In her substantial new introduction, Senator

Clinton reflects on how our village has changed over the last decade, from the internet to education, and on how her own understanding of children has deepened as she has watched Chelsea grow up and take on challenges new to her generation, from a first job to living through a terrorist attack. She discusses how the work she is doing in the Senate is helping children and looks at where America has been successful, improvements in the foster care system and support for adoption, and where there is still work to be done, providing pre-school programmes and universal health care to all our children. This new edition

elucidates how the choices we make about how we raise our children, and how we support families, will determine how all nations will face the challenges of this century.

Run for Something Amanda

Litman 2017-10-03 From the e-mail marketing director of Hillary Clinton's presidential campaign and the co-founder of Run for Something; comes an essential and inspiring guide that encourages and educates young progressives to run for local office, complete with contributions from elected officials and political operatives.

Living History Hillary Clinton

2003-06-09 The U.S. senator from New York offers an

thought-provoking, candid chronicle of her eight years as First Lady of the United States, looking back on her husband's two administrations, the challenges she faced during the period, the impeachment crisis, her own political work, and more. 1,250,000 first printing.

\$500,000 ad/promo.

What Happened Hillary Rodham

Clinton 2017-09-12 “An engaging, beautifully synthesized page-turner” (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton’s most personal memoir yet, about the 2016 presidential election. In this “candid and blackly funny”

(The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. “At her most emotionally raw” (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made,

how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing... guide to our political arena” (The Washington Post),

What Happened lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future.

The election of 2016 was unprecedented and historic.

What Happened is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women

running for office, and young people marching in the streets.

Hillary Rodham Clinton: Do All the Good You Can Cynthia

Levinson 2016-01-05 An

inspiring and meticulously researched middle grade

biography of Hillary Rodham

Clinton—First Lady, senator,

secretary of state, and the first

female presidential nominee in

United States history. Hillary

Rodham Clinton is a true

leader. Growing up in Park

Ridge, Illinois, Hillary was

inspired by the philosophy of

John Wesley, who urged his

followers to "do all the good you

can." Rising to prominence in

1992 as the First Lady of the

United States, Hillary captured

the world's attention with her bold ideas and political forcefulness. From her time at Wellesley to her life at the White House and beyond, Hillary has been at the forefront of huge change—and despite setbacks and political scandals, she has worked for good in the world. Acclaimed author Cynthia Levinson creates a compelling and personal portrait of Hillary's historic journey from her childhood to her service as secretary of state and beyond. Includes a timeline of Hillary Rodham Clinton's life and a photo insert. "This extensively researched and comprehensive biography tells us more of the woman who is that public figure,

from some of her inspirations (like Dr. Martin Luther King, Jr. and the Birmingham protests) and the impact of her religious faith on her commitment to service" (Brightly.com).

[A Woman in Charge](#) Carl Bernstein 2008-01-08 The nuanced, definitive biography of one of the most controversial and widely misunderstood figures of our time: the woman running a historic campaign as the 2016 Democratic presidential nominee—Hillary Rodham Clinton. Drawing on hundreds of interviews with colleagues and friends and with unique access to campaign records, Pulitzer Prize-winning journalist and bestselling author

Carl Bernstein has given us a book that enables us, at last, to address the questions Americans are insistently—even obsessively—asking: Who is she? What is her character? What is her political philosophy? And, what can we expect from Hillary if we elect her President of the United States?

Bonnie and Clyde Karen Blumenthal 2018-08-14 Bonnie and Clyde may be the most notorious--and celebrated--outlaw couple America has ever known. This is the true story of how they got that way. Bonnie and Clyde: we've been on a first name basis with them for almost a hundred years. Immortalized in movies, songs,

and pop culture references, they are remembered mostly for their storied romance and tragic deaths. But what was life really like for Clyde Barrow and Bonnie Parker in the early 1930s? How did two dirt-poor teens from west Texas morph from vicious outlaws to legendary couple? And why? Award-winning author Karen Blumenthal devoted months to tracing the footsteps of Bonnie and Clyde, unearthing new information and debunking many persistent myths. The result is an impeccably researched, breathtaking nonfiction tale of love, car chases, kidnappings, and murder set against the

backdrop of the Great Depression.

Character Is Destiny John McCain 2005-10-25 NEW YORK TIMES BESTSELLER • Senator John McCain tells the stories of celebrated historical figures and lesser-known heroes whose values exemplify the best of the human spirit. He illustrates these qualities with moving stories of triumph against the odds, hope in adversity, and sacrifices for a cause greater than self-interest. Among the heroes of exemplary character we meet are • Pat Tillman, whose patriotism obliged him to leave the riches and celebrity of the NFL for a soldier's life in defense of his

country • Winston Churchill, who, in a renowned eighteen-word remark, counseled schoolboys to “never give up” • the Catholic priest in Auschwitz who offered to take a condemned man's place • a nun, formerly a comfortable Beverly Hills housewife, who works with prisoners in Mexico's worst jails • George Washington, whose wisdom and hard-earned self-control helped him survive the chaos of war

Character Is Destiny is McCain's moving and eloquent tribute to men and women who have lived truthfully, and whose stories will stir the hearts of young and old alike and help prepare us for the hard work of

choosing our own destinies.
Praise for Character Is Destiny
“An eclectic collection of heroes
. . . [John McCain] will be
remembered in a volume like
this some day.”—The
Washington Post Book World
“Uplifting . . . inspiring . . . The
lessons of these people’s lives
are as relevant to adults as to
children.”—Minneapolis Star
Tribune “McCain can surprise
you, and Character Is Destiny
surprises in the diversity of its
cast.”—Houston Chronicle
“McCain has made a
declaration of values that
liberals can embrace as readily
as conservatives.”—Publishers
Weekly (starred review)

Clinton, focusing on her
activities during the ten years
leading up to her national
prominence and her influence
on her husband's presidential
administration.

Hillary Rodham Clinton Karen
Blumenthal 2016-01-12 As a
young girl, Hillary Diane
Rodham’s parents told her she
could be whatever she wanted--
as long as she was willing to
work for it. Hillary took those
words and ran. In a life on the
front row of modern American
history, she has always stood
out--whether she was a teen
campaigning for the 1964
Republican presidential

candidate, winning recognition in Life magazine for her pointed words as the first student commencement speaker at Wellesley College, or working on the Richard Nixon impeachment case as a newly minted lawyer. For all her accomplishments, scrutiny and scandal have followed this complex woman since she stepped into the public eye—from her role as First Lady of Arkansas to First Lady of the United States to becoming the first female U.S. senator from New York to U.S. secretary of state. Despite intense criticism, Hillary has remained committed to public service and dedicated to health-care reform, children's

issues, and women's rights. Now, she aspires to a bigger role: her nation's first woman president. In *Hillary Rodham Clinton: A Woman Living History*, critically acclaimed author Karen Blumenthal gives us an intimate and unflinching look at the public and personal life of Hillary Rodham Clinton. Illustrated throughout with black-and-white photographs and political cartoons, this is a must-have biography about a woman who has fascinated--and divided--the public, who continues to push boundaries, and who isn't afraid to reach for one more goal. "After decades in the public eye, Hillary Rodham Clinton is still an

enigma, as Blumenthal (Tommy: The Gun That Changed America) emphasizes in this compelling portrait of the former U.S. Senator and Secretary of State's journey from budding activist to presidential aspirant."

—Publishers Weekly, starred review

Hillary Clinton Book University Press 2021-07-31 University Press returns with another short and captivating portrait of one of history's most compelling figures, Hillary Clinton. Hillary Clinton is one of the most recognized figures in America. She rose from humble beginnings in Chicago to become a First Lady, senator,

Secretary of State, and now, presidential candidate. Clinton is no stranger to scandal. She has made mistakes - many of them public. But she is resilient, tenacious, and smart. Public opinion is strongly divided: her supporters adore her; her detractors abhor her. One thing is certain: The world can't ignore her. This short book tells the intensely human story of a woman who is changing the world in a way that no one else can.

Hillary Clinton's track record before you vote. For a super-low price, you too can conveniently have this once-in-a-lifetime record of events right at your fingertips.

Unique Voice Hillary Cli Claire G. Osborne 1998-02-01 She is one of the most controversial women of our times. As both the wife of the U. S. President and a high-ranking member of his administration, Hillary Rodham Clinton has become champion to millions as well as a frequent target of political opposition. She is on Good Housekeeping's list of the Ten Most Admired Women and her popular book, *It takes a Village*, became a New York Times

bestseller. Subjected to more public scrutiny than any First Lady in history, Hillary Rodham Clinton has unflinchingly answered questions about everything from her husband's marital infidelities to her own involvement in Whitewater. She has strongly defended the choices of both career women and stay at-home moms, and vigorously fought for a responsible childcare system, and for national medical reform. Here is Hillary Rodham Clinton, in her own words, speaking with candor, humor, intelligence, and the passion that has made her a woman of influence throughout the world.

Why Courage Matters John

McCain 2008-07-15 A reflection on courage presents a collection of stories of surpassing bravery and selfless devotion to duty and offers portraits of individuals--both famous and unheralded--who confronted adversity and triumphed.

Hard Choices Hillary Rodham Clinton 2014-06-10 Hillary Rodham Clinton's inside account of the crises, choices, and challenges she faced during her four years as America's 67th Secretary of State, and how those experiences drive her view of the future. "All of us face hard choices in our lives," Hillary Rodham Clinton writes at the

start of this personal chronicle of years at the center of world events. “Life is about making such choices. Our choices and how we handle them shape the people we become.” In the aftermath of her 2008 presidential run, she expected to return to representing New York in the United States Senate. To her surprise, her former rival for the Democratic Party nomination, newly elected President Barack Obama, asked her to serve in his administration as Secretary of State. This memoir is the story of the four extraordinary and historic years that followed, and the hard choices that she and her colleagues confronted.

Secretary Clinton and President Obama had to decide how to repair fractured alliances, wind down two wars, and address a global financial crisis. They faced a rising competitor in China, growing threats from Iran and North Korea, and revolutions across the Middle East. Along the way, they grappled with some of the toughest dilemmas of US foreign policy, especially the decision to send Americans into harm’s way, from Afghanistan to Libya to the hunt for Osama bin Laden. By the end of her tenure, Secretary Clinton had visited 112 countries, traveled nearly one million miles, and gained a truly global

perspective on many of the major trends reshaping the landscape of the twenty-first century, from economic inequality to climate change to revolutions in energy, communications, and health. Drawing on conversations with numerous leaders and experts, Secretary Clinton offers her views on what it will take for the United States to compete and thrive in an interdependent world. She makes a passionate case for human rights and the full participation in society of women, youth, and LGBT people. An astute eyewitness to decades of social change, she distinguishes the trendlines from the headlines and describes the

progress occurring throughout the world, day after day. Secretary Clinton's descriptions of diplomatic conversations at the highest levels offer readers a master class in international relations, as does her analysis of how we can best use "smart power" to deliver security and prosperity in a rapidly changing world—one in which America remains the indispensable nation.

Stronger Together Hillary

Rodham Clinton 2016-09-06 For

more than a year, Hillary

Clinton has laid out an

ambitious agenda to improve

the lives of the American people

and make our country stronger and safer. Stronger Together presents that agenda in full, relating stories from the American people and outlining the Clinton/Kaine campaign's plans on everything from apprenticeships to the Zika virus, including: -Building an economy that works for everyone, not just those at the top. -Making the biggest investment in good-paying jobs since World War II, including infrastructure, manufacturing, clean energy, and small business. -Making debt-free college a reality and tackling the

student debt crisis. -Defeating ISIS, strengthening our alliances, and keeping our military strong. -Breaking down the barriers that hold Americans back by reforming our broken immigration system, ending mass incarceration, protecting voting rights, and fixing our campaign finance system. - Putting families first through universal, affordable health care; paid family and medical leave, and affordable child care. Stronger Together offers specific solutions and a bold vision for building a more perfect union.
