Garden of Hopes and Dreams, The Barbara Hannay 2021-08-03 Can love and friendship blossoms on a rooftop? The residents in Brisbane’s Riverview apartment block barely know each other. They have no idea of the loneliness, the lost hopes and dreams, being experienced behind their neighbours’ closed doors. Vera, now widowed, is trying her hardest to create a new life for herself in an unfamiliar city environment. Unlucky-in-love Maddie has been hurt too many times by untrustworthy men, yet refuses to give up on romance. Ned, a reclusive scientist, has an unusual interest in bees and worm farms. And Syrian refugee Tariq has all but given up hope of ever seeing his beloved family again. When a couple of gardening enthusiasts from one of the apartments suggest they all create a communal garden on their rooftop, no one is interested. Not at first, anyway. But as the residents come together over their budding plants and produce, their lives become interconnected in ways they could never have imagined. From award-winning novelist Barbara Hannay, The Garden of Hopes and Dreams is a timely and uplifting story about the importance of community and the healing power of connection.

Banning Black Gods Danielle N. Boaz 2021-03-22 Banning Black Gods is a global examination of the legal challenges faced by adherents of the most widely practiced African-derived religions in the twenty-first century, including Santería/Lucumi, Haitian Vodou, Candomblé, Palo Mayombe, Umbanda, Islam, Rastafari, Obeah, and Voodoo. Examining court cases, laws, human rights reports, and related materials, Danielle N. Boaz argues that restrictions on African diaspora religious freedom constitute a unique and pervasive form of anti-Black discrimination. Emphasizing that these twenty-first-century cases and controversies are not a new phenomenon but rather a reemergence of colonial-era ideologies and patterns of racially motivated persecution, Boaz focuses each chapter on a particular challenge to Black religious freedom. She examines issues such as violence against devotees, restrictions on the ritual slaughter of animals, limitations on the custodial rights of parents, and judicial refusals to recognize these faiths as protected religions. Boaz introduces new issues that have never been considered as a question of religious freedom before—such as the right of Palo Mayombe devotees to possess remains of the dead—and she brings
Together controversies that have not been previously regarded as analogous, such as the right to wear headscarves and the right to wear dreadlocks in schools. Framing these issues in comparative perspective and focusing on transnational and transregional issues, Boaz advances our understanding of the larger human rights disputes that country-specific studies can overlook. Original and compelling, this important new book will be welcomed by students and scholars of African diaspora religions and discerning readers interested in learning more about the history of racial discrimination.

One Hundred Years of Solitude Gabriel García Márquez 2003-06-24 One of the 20th century’s enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility — the variety of life, the endlessness of death, the search for peace and truth — these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

A Farewell to GABO and Mercedes Rodrigo García 2021-07-27 “This is a beautiful farewell to two extraordinary people. It enthralled and moved me, and it will move and enthral anyone who has ever entered the glorious literary world of Gabriel García Márquez.” —Salman Rushdie “In A Farewell to GABO and Mercedes Rodrigo García finds the words that cannot be said, the moments that signal all that is possible to know about the passage from life to death, from what love brings and the loss it leaves. With details as rich as any great biography, you will find yourself grieving as you read, grateful for the profound art that remains a part of our cultural heritage.” —Walter Mosley, New York Times bestselling author of Down the River Unto the Sea “An intensely personal reflection on García’s father’s legacy and his family bonds, tender in its treatment and stirring in its brevity.” —Booklist (starred review) The son of one of the greatest writers of our time—Nobel Prize winner and internationally bestselling icon Gabriel García Márquez—remembers his beloved father and mother in this tender memoir about love and loss. In March 2014, Gabriel García Márquez, one of the most acclaimed writers of the twentieth century, came down with a cold. The woman who had been beside him for more than fifty years, his wife Mercedes Barcha, was not hopeful; her husband, affectionately known as “Gabo,” was then nearly 87 and battling dementia. I don’t think we’ll get out of this one, she told their son Rodrigo. Hearing his mother’s words, Rodrigo wondered, “Is this how the end begins?” To make sense of events as they unfolded, he began to write the story of García Márquez’s final days. The result is this intimate and honest account that not only contemplates his father’s mortality but reveals his remarkable humanity. Both an illuminating memoir and a heartbreakingly rich portrait of a family coping with loss. At its center is a man at his most vulnerable, whose wry humor shines even as his lucidity wanes. Gabo saviors affection and attention from those in his orbit, but wrestles with what he will lose—and what is already lost. Throughout his final journey is the charismatic Mercedes, his constant companion and the creative muse who was one of the foremost influences on Gabo’s life and his art. Bittersweet and insightful, surprising and powerful, A Farewell to GABO and Mercedes celebrates the formidable legacy of Rodrigo’s parents, offering an unprecedented look at the private family life of a literary giant. It is at once a gift to Gabriel García Márquez’s Readers worldwide, and a grand tribute from a writer who knew him well. “You read this short memoir with a feeling of deep gratitude. Yes, it is a moving homage by a son to his extraordinary parents, but also much more: it is a revelation of the hidden corners of a fascinating life. A Farewell to GABO and Mercedes is generous, unsentimental and wise.” —Juan Gabriel Vásquez, author of The Sound of Things Falling “A warm homage filled with both fond and painful memories.” —Kirkus “García’s limpid prose gazes calmly at death, registering pain but not being overcome by it. . . . The result is a moving elegy that will captivate fans of the literary lion.” —Publishers Weekly

Mortals Norman Rush 2011-03-23 The greatly anticipated new novel by Norman Rush—whose first novel, Mating, won the National Book Award and was everywhere acclaimed—is his richest work yet. It is at once a political adventure, a social comedy, and a passionate triangle. It is set in the 1990s in Botswana—the African country Rush has indelibly made his own fictional territory. Mortals chronicles the misadventures of three ex-pat Americans: Ray Finch, a contract CIA agent, operating undercover as an English instructor in a private school, who is setting out on perhaps his most difficult assignment; his
beautiful but slightly foolish and disaffected wife, Iris, with whom he is obsessively in love; and Davis Morel, an iconoclastic black holistic physician, who is on a personal mission to “‘lift the yoke of Christian belief from Africa.’” The passions of these three entangle them with a local populist leader, Samuel Kerekang, whose purposes are grotesquely misconstrued by the CIA, fixated as the agency is on the astonishing collapse of world socialism and the simultaneous, paradoxical triumph of radical black nationalism in South Africa, Botswana’s neighbor. And when a small but violent insurrection erupts in the wild northern part of the country, inspired by Kerekang but stoked by the erotic and political intrigues of the American trio—the outcome is explosive and often explosively funny. Along the way, there are many pleasures. Letters from Ray’s brilliantly hostile brother and Iris’s woebegone sister provide a running commentary on contemporary life in America. Africa and Africans are powerfully evoked, and the expatriate scene is cheerfully skewered. Through lives lived ardently in an unforgiving land, MORTALS examines with wit and insight the dilemmas of power, religion, rebellion, and contending versions of liberation and love. It is a study of a man over time, and a man’s struggle to find his way when his private and public worlds are shifting. It is Norman Rush’s most commanding work.

Love in the Time of Cholera  Gabriela Marquez  2014-03-06  Nobel prize winner and author of One Hundred Years of Solitude Gabriel Garcia Marquez tells a tale of an unrequited love that outlasts all rivals in his masterpiece Love in the Time of Cholera. ‘It was inevitable: the scent of bitter almonds always reminded him of the fate of unrequited love’ Fifty-one years, nine months and four days have passed since Fermina Daza rebuffed hopeless romantic Florentino Ariza’s impassioned advances and married Dr Juvenal Urbino instead. During that half-century, Florentino has fallen into the arms of many delighted women, but has loved none but Fermina. Having sworn his eternal love to her, he lives for the day when he can court her again. When Fermina’s husband is killed trying to retrieve his pet parrot from a mango tree, Florentino seizes his chance to declare his enduring love. But can young love find new life in the twilight of their lives? ‘The most important writer of fiction in any language’ Bill Clinton ‘An exquisite writer, wise, compassionate and extremely funny’ Sunday Telegraph ‘An amazing celebration of the many kinds of love between men and women’ The Times

What Jane Austen Ate and Charles Dickens Knew  Daniel Pool  2012-10-02  A “delightful reader’s companion” (The New York Times) to the great nineteenth-century British novels of Austen, Dickens, Trollope, the Brontës, and more, this lively guide clarifies the sometimes bizarre maze of rules and customs that governed life in Victorian England. For anyone who has ever wondered whether a duke outranked an earl, when to yell “Tally Ho!” at a fox hunt, or how one landed in “debtor’s prison,” this book serves as an indispensable historical and literary resource. Author Daniel Pool provides countless intriguing details (did you know that the “plums” in Christmas plum pudding were actually raisins?) on the Church of England, sex, Parliament, dinner parties, country house visiting, and a host of other aspects of nineteenth-century English life—both “upstairs” and “downstairs.” An illuminating glossary gives at a glance the meaning and significance of terms ranging from “ague” to “wainscoting,” the specifics of the currency system, and a lively host of other details and curiosities of the day. The Scar  Sergey Dyachenko  2012-11-27  Disfigured and cursed by a mysterious man after killing a student in a duel, Egert, an egotistical member of an elite guard, embarks on an odyssey to undo the damage he has caused and seeks forgiveness from the student’s grief-stricken fiancée.

Peace  Helen Oyeyemi  2021-04-06  The prize-winning, bestselling author of Gingerbread; Boy, Snow, Bird; and What is Not Yours is Not Yours returns with a vivid and inventive new novel about a couple forever changed by an unusual train voyage. When Otto and Xavier Shin declare their love, an aunt gifts them a trip on a sleeper train to mark their new commitment—and to get them out of her house. Setting off with their pet mongoose, Otto and Xavier arrive at their sleepy local train station, but quickly deduce that The Lucky Day is no
ordinary locomotive. Their trip on this former tea-smuggling train has been curated beyond their wildest imaginations, complete with mysterious and welcoming touches, like ingredients for their favourite breakfast. They seem to be the only people onboard, until Otto discovers a secretive woman who issues a surprising message. As further clues and questions pile up, and the trip unfolds everything they thought they knew, Otto and Xavier begin to see connections to their own pasts, connections that now bind them together. A spellbinding tale from a star author, Peaces is about what it means to be seen by another person—whether it’s your lover or a stranger on a train—and what happens when things you thought were firmly in the past turn out to be right beside you.

Colson Whitehead 2009-04-28 From the two-time Pulitzer Prize-winning author of The Underground Railroad and The Nickel Boys: a hilarious and supremely original novel set in the Hamptons in the 1980s, “a tenderhearted coming-of-age story fused with a sharp look at the intersections of race and class” (The New York Times). Benji Cooper is one of the few Black students at an elite prep school in Manhattan. But every summer, Benji escapes to the Hamptons, to Sag Harbor, where a small community of Black professionals have built a world of their own. The summer of ’85 won’t be without its usual trials and tribulations, of course. There will be complicated new handshakes to fumble through and state-of-the-art profanity to master. Benji will be tested by contests big and small, by his misshapen haircut (which seems to have a will of its own), by the New Coke Tragedy, and by his secret Lite FM addiction. But maybe, just maybe, this summer might be one for the ages. Look for Colson Whitehead’s bestselling new novel, Harlem Shuffle!

I’m Not Here to Give A Speech Gabriel García Márquez 2019-01-08 Available in English for the first time in the U.S., a collection of the speeches of Nobel Prize-winning author Gabriel García Márquez. Throughout his life, Gabriel García Márquez spoke publicly with the same passion and energy that marked his writing. Now the wisdom and compassion of these performances are available in English for the first time. I’m Not Here to Give A Speech records key events throughout the author’s life, from a farewell to his classmates delivered when he was only seventeen to his Nobel Prize acceptance speech. Written across a lifetime, these speeches chart the growth of a genius: each is a snapshot offering insights into the beliefs and ideas of a world-renowned storyteller. Preserving García Márquez’s unmistakable voice for future generations, I’m Not Here to Give A Speech is a must-have for anyone who ever fell in love with Macondo or cherished a battered copy of Love in the Time of Cholera.

Songbirds Christy Lefteri 2021 “From the prize-winning author of The Beekeeper of Aleppo, a stunning novel about the disappearance of a Sri Lankan nanny and how the most vulnerable people find their voices. “It began with a crunch of leaves and earth. So early, so cold, the branches shone with ice. I’d returned to collect the songbirds. They are worth more than their weight in gold.” Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the black market. He dreams of finding a new way of life, and of marrying Nisha, who works on the island as a nanny and maid—having left her native Sri Lanka to try to earn enough to support her daughter, left behind and raised by relatives. But Nisha has vanished; one evening, she steps out on a mysterious errand and doesn’t return. The police write off her disappearance as just another runaway domestic worker, so her employer, Petra, undertakes the investigation. Petra’s unravelling of Nisha’s last days in Cyprus lead her to Nisha’s friends—other maids in the neighborhood—and to the darker side of a migrant’s life, where impossible choices leave them vulnerable, captive, and worse. Based on the real-life disappearance of the human body, broaching life, death, motion, and migration. Chopin’s heart is carried back to Warsaw in secret by his adoring sister. A woman must return to her native Poland in order to poison her terminally ill high school sweetheart, and a young man slowly descends into madness when his wife and child mysteriously vanish during a vacation and just as suddenly reappear. Through these brilliantly imagined characters and stories, interwoven with haunting, playful, and revelatory meditations, Flights explores what it means to be a traveler, a wanderer, a body in motion not only through space but through time. Where are you from? Where are you coming in from? Where are you going? We call to the traveler. Enchanting, unsettling, and wholly original, Flights is a master storyteller’s answer.
of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, Songbirds offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices.”

Love in the Time of Cholera

Gabriel García Márquez

1985

A man with soul of a poet and the patience of a saint, Florentino Ariza has waited more than half a century for the beautiful and haughty Fermina Daza, who revoked her promise to be his wife and instead married the wealthy Dr. Juvenal Urbino. Florentino Ariza’s unrequited love survives fifty-one years, nine months, and four days, a time filled with encounters and travels, births, deaths, and poetry. As Fermina Daza and Dr. Urbino build their life together, Florentino Ariza creates his own life, remaining loyal to Fermina in his heart while succumbing to 622 “long term liaisons”. But it is only when Dr. Urbino finally dies that Florentino Ariza’s life really begins.

From the author of Happily Ever Afters comes another irresistible YA romantic comedy full of self-discovery and Black love—and a dreamy European cruise. Perfect for fans of Nicola Yoon and Jenny Han, with crossover appeal for readers of Jasmine Guillory and Talia Hibbert romances. Lenore Bennett has always been a force. A star artist and style icon at her high school, she’s a master in the subtle art of not giving a . . . well, you know what. But now that graduation is here, she’s a little less sure. She’s heading to NYU in the fall with a scarlet U (for “undeclared”) written across her chest. Her parents always remind her that Black kids don’t have the luxury of figuring it out as they go—they have to be 110 percent prepared. But it’s a lot of pressure to be her ancestors’ wildest dreams when Lenore’s not even sure what her dreams are yet. When her family embarks on a post-graduation Mediterranean cruise, her friend Tessa is sure Lenore’s in for a whirlwind romance. But Lenore knows that doesn’t happen to girls like her. Then she meets Alex Lee. After their parents bond over the Cupid Shuffle, she ends up stuck with him for the remainder of the cruise. He’s a hopeless romantic and a golden boy with a ten-year plan. In short, he’s irritating as hell. But as they get to know each other during the picturesque stops across Europe, Alex may be able to help Lenore find something else she’s been looking for, even if she doesn’t want to admit it to herself: love.
