So, when you require the ebook swiftly, you can straight acquire it. Its suitably very simple and for that reason fats, isnt it? You have to favor to in this reveal

*A Complicated Legacy* Robert H. Stucky 2014-05-23 If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

**Tree of Life** Nigel Shindler 2015-01-14 A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day. **Vector** Vaun Murphrey 2014-12-19 Homecomings usually involve burgers, fries and apple pies but that's not on the menu for Cassandra and Silver. They're launched into assassination attempts, bar brawls, and relationship drama just in the first 24 hours. Can they protect everyone they love from all comers before it explodes in their face? Find out in **VECTOR**, Book Three of the Weaver Series.

*Signing with a Heavy Hand and Heart, Love Mommy* Sondra Torres 2013-03-13 Words from Ms. Torres: "I take my FAS and turn it in to a teaching tool to help others learn what I go through every day of my life." "If one person listens to what I have to say, then I have done my job. This is what I was born to do. I have won many awards for my work. The awards I've won have been great, but my biggest award is knowing that my message is being delivered and knowing that I might be helping so many people and unborn babies. . . If I can prevent one more child from this awful syndrome I will be happy. My ultimate goal is to get the word out there that FAS is 100% preventable. I want everyone to know about the effects of alcohol on the fetus. My advice, my plea, is that you PLEASE, PLEASE do not drink while you are pregnant, even if you plan on giving your baby up for adoption. Let your baby fulfil his or her dreams and live a normal life. For all the fathers to be, you play an important role in this too. You must be encouraging and supportive. Staying away from alcohol yourself would be helpful." What others are saying: Thank you for sending your book to me. I read it all, and I wanted to cry. What a wonderful sacrifice you and your family took on. It is wonderful what you have done and how Chanel has grown and turned out to be a wonderful young lady. You are certainly a very special person blessed by God from the beginning. I love you very much. Aunt Gloria\*Ms. Torres is a true light in a world that needs more education on Fetal Alcohol Syndrome and its effects on unborn children. She has opened doors that will never be shut. She has just begun to educate the nation on Fetal Alcohol Syndrome." Deborah Thornton, SEDNET Project Mangement\*Ms. Torres is the epitome of self-advocacy and embodies strength, resilience, and determination. She is courageous and tireless in her quest to educate others regarding FAS; and is compassionate and determined in her mission to empower and advocate for other young adults with disabilities." Barbara Shannon, School Psychologist>Last night, I received a copy of Signing with a heavy hand and heart, Love Mommy: A journey through fetal alcohol syndrome by Mrs Sondra A Torres and Miss Chanel E Torres from Ms. Torres. I opened it and couldn't put it down until I was finished. This story of a young woman living with the effects of fetal alcohol syndrome (a birth defect that is 100% preventable-all pregnant women need to do is not drink when pregnant) is moving, sometimes funny and always inspirational. I quickly grew to care about Chanel and her adoptive family. Ms. Torres creates a vivid picture of what it is like to live with and care for children with special needs. In relatively few words, Torres brings her family to life-its struggles and its joys. The feelings of love and joy are powerfully conveyed while not minimizing the challenges presented in raising a child with FAS. As a teacher and parent I laughed and cried and wished I could meet this brave girl and her loving mother. Torres is compassionate towards all, including birth parents, but my heart breaks for the children who struggle with this disability. It is a daily battle for which there are some effective interventions but no cures. I will say that Ms. Torres left me more hopeful for these children than my experience as a teacher had-her powerful home environment is definitely a plus for Chanel."CHANEL TORRES IS AVAILABLE FOR SPEAKING ENGAGEMENTS TO BOOK THIS SPEAKER FOR A PRESENTATION, PLEASE GO TO advocatetheunborn.wordpress.com **Her Perfect Life** Vicki Hinze 2006 It's been six years since U.S. Air Force pilot Katie Slater was shot down over Iraq and taken prisoner. Now, Katie is back home--only it's not home anymore and her perfect life has become a total mystery. Includes bonus features. Original.

**The Anatomy of Perception** A.J. Rose 2015-03-21 In the beginning, there was wreckage. Dane Perry's mother was dead, and the father who always said he'd amount to nothing blamed him. Dane swore he'd become something. He would be someone.In the middle, there was escape. Rebuilding his life from the ashes of his mother's memory, Dane found success as a respected surgeon, and love in the form of Craig Dahl, a talented artist who became his everything. But there was also darkness, lies, and a crumbling foundation just waiting for the ground to shift.In the end, there was a spectacular fall, illusions shattered, and for Dane, nothing more to lose. He was broken, damaged, and left with fierce demons. But from the bottom, the only way left is up. Dane renewed friendships and salvaged his career. The only thing he cannot replace is Craig. But Dane has a plan. Brick by brick, his foundation is rebuilt, and all he needs is for Craig to listen one last time.In the beginning again, there's hope and tatters of love. Can Dane repair the damage with Craig? Can he rescue the only thing he amounted to that ever truly mattered?This book contains vivid descriptions of symptoms of PTSD and events that can cause anxiety. Reader discretion advised.

**Tiller of the Earth** Franco Sendero 2015-09-04 The mountains of Calabria: ancient, beautiful, harsh, enchanting, and austere. Luciano Martello was born in this land, into a desperate, stubborn poverty that was passed on from one generation to the next. The only way to escape the cycle of poverty is to emigrate. This is the story of an ordinary man with an unyielding determination to provide his family a chance at a life of plenitude no matter the cost. A man with a monomaniacal obsession: America! His efforts to reach the promised land are met with frustration and bitterness. He soon learns that immigrating to America in the mid twentieth century is not as simple as it was in his father's time. He must first obtain the money to finance the voyage, survive the horrors of World War II, and suffer the consequences of avenging his sister's death to restore the family's honor.

**Zoo of Emotions** Teneisha R. S. Jones 2015-12-08 Zoo of Emotions is a read-aloud illustrated children's book that teaches simple and complex emotions using the alphabet, rhythmic prose and colorful illustrations. By combining kid-friendly artwork, roll-off-the-tongue rhymes, and a fun exploration of the alphabet, Zoo of Emotions is set to become a favorite bedtime classic.

Jabari thought he had it all but even with everything, something is still missing. Follow Corinne and Jabari through the streets of Atlanta as she offers him a loyalty he's never had and he showers her in a love she never knew existed!

**The Best Girlfriends Ever** Stephanie Gives 2015-06-19 The Best Girlfriends Ever is the story of Tiffanie Nina Simone Hayes and the forever friends who loved and comforted her during her life and death with Rett Syndrome. Her mother, Stephanie Gives, wrote and illustrated the story as a way to share the story and to keep the memory of her daughter fresh and indelible; a memory she hopes to preserve and prevent from ever fading away. Stephanie Gives is an educator, artist. She is also the founder of Dreams of Becoming a Better Me: The Tiffanie Nina Simone Foundation. The foundation was created in memory of Tiffanie who passed away in 2011 from the neurological disease, Rett Syndrome, at the age of 14. Rett Syndrome is a progressive disease that affects girls in the beginning stages of infancy. Currently, there is no known cure for Rett Syndrome. Stephanie is a frequent guest speaker at local community programs and women's groups in her city of Columbia, South Carolina.

*The Dating Mirror: Trust Again, Love Again* Diana Dorell 2016-01-31 This book is not the same old dating BS about the differences between men and women and how they think. It's about becoming an intuitive woman, understanding and using your intuition to guide you to the right person for you, and breaking out of the dating/relationship pattern that keeps you stuck. In this book you will learn: How to spot red flags BEFORE you go on a date Why you keep dating the same guy with a different face Simple techniques to help you get over your ex, once and for all How to stop wasting time and energy on partners who aren't right for you The most overlooked step you need to take before attracting your ideal partner "Since everything in life operates by Law, you are already attracting everything into your life. When you begin to follow the tools presented in this humorous and enlightening book, you'll attract the mate of your dreams." -Bob Proctor, Author and Teacher from the movie, The Secret "The Dating Mirror will teach you how to date with your eyes wide open. Dating while seeing clearly will net a much better result." -Lissa Coffey, Bestselling Author of What's Your Dosha, Baby? Discover the Vedic Way for Compatibility in Life and Love "If you're ready to change your thinking about what's possible and are committed to using this belief, you can truly have whatever your heart desires. The Dating Mirror: Trust Again, Love Again is your ticket back to yourself. The question is: Are you going to take it?" -Adam Markel, Bestselling Author, Transformational Trainer, Attorney, and CEO of New Peaks (formerly Peak Potentials) "

*Final Hours (Love in Time Book One)* Cate Dean 2014-04-13 One man's death will change the future. Only two people can save him - if they have the courage to trust each other. Elizabeth Barritt fought hard for the life she has, finally putting the ugly memories of a childhood trapped in the foster care system behind her. She has the chance to move forward, to reach out for a new, exciting future, surrounded by the art that is her passion. All she has to do is take the first step. Enter Jackson Kane, who bursts into her life, literally out of thin air. He is a time traveler, on the hunt for a rogue agent. Colliding with Elizabeth is not his agenda, as much as she intrigues him. When Kane is injured protecting Elizabeth from that agent, she makes a decision that will change her life, in ways she can't even begin to grasp. She takes him home. Once he is healed enough to travel, Kane goes after the agent, chasing him back to war-torn London. But his journey back takes a sideways turn, forcing Elizabeth to make another choice. She follows him into the past, to help him stop one man from changing their future. Together, they learn to trust. What they don't expect is the connection between them - a connection so strong they can't fight it, even as they try. Because how can it work, when their lives are centuries apart? "Includes an exclusive preview of First Breath, Book Two of the Love in Time series.

**Love Poems for Cards and Letters** Ara John Movsesian 2007-12-11 Love Poems for Cards & Letters contains over 175 short but powerful poems perfect for use in romantic greeting cards and love letters.

**Love on the Lido Deck** Barbara Oliverio 2014-06-03 Sharp-witted, always-organized Keira Graham has traded in her high tech career as a systems analyst for the whirlwind world of event planning. As she builds up her fledgling business, she learns that her widowed mother has news of her own -- a serious gentleman caller! Is Keira ready for mom's new romance? When she gets a game-changing opportunity to organize a major event on a luxury Caribbean cruise, Keira turns to best pal chef Alexandria D'Agostino to help recruit famous chefs who will offer classes for foodies looking for fun in the sun as they gain cooking know-how. The cruise becomes a rollicking adventure for Keira, her sassy assistant Juliet, the entire D'Agostino clan, Keira's mother and other surprise guests. And has Keira meet her match in charismatic Cruise Director Brennan McAllister, who could have something more than keeping everything shipshape on his mind? Filled with wit, charm, and a few recipes along the way, Love on the Lido Deck brings characters to life with laugh-out-loud situations, crisp dialog and sweet romance on the high seas.

*I Am Not My Hair* Shawneda 2013-04-19 Hairmanigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistas series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate

for the women's fiction category though most would be shelved in the black fiction, black books, African American women's fiction, or black women's fiction section in most physical bookstores.

*Save the Last Dance* Grudin 2016-06-01 Teenage lovers reunited after 50 years.

**Kaleidoscope Snowflakes Coloring Book** Kristen N. Fox 2015-08-25 Choose a colored pencil, pen, or marker and start coloring the kaleidoscope patterns of these unique ice crystal snowflakes! These 25 original designs are detailed and somewhat complex, drawn with fine lines, and each has its own unique look and feel. These aren't your common white snowflakes - they want COLOR! Each design was hand-drawn with a stylus and a drawing tablet, and was inspired by creative impulses and a love of snowflakes and winter. Some designs are large, single snowflakes, others are patterns or interesting groupings, and they are all printed one-sided. Coloring is fun no matter what your age. It's also a wonderful way to relax and release stress. You can color these snowflakes anytime - over the winter holidays, or in the middle of summer when the weather is too hot!

**The Seeds of New Earth (the Silent Earth, Book 2)** Mark R. Healy 2014-12-17 The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. The Silent Earth Series Book 1 - After the Winter: amazon.com/dp/B00P02FBPM

**Geology Rocks!** Cindy Blobaum 2008-08-11 Presents fifty hands-on activities to introduce the science of geology and explain the formation and history of the earth.

*Holding Back The Tears* Annie Mitchell 2013-09-16 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "quote;needs no help from anyone, thank you"quote; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

*The Quit Alternative* Ben Fanning 2014-10-26 Here are the top 5 reasons this professional development book is a MUST READ:1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love.2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day I shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9.5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.

*Stone Song* Win Blevins 2006-04-04 A Spur Award-winning retelling of the Battle of the Big Horn finds Lakota Sioux leader Crazy Horse endeavoring to reconcile his own beliefs with the wisdom of his tribe and leading his people into a conflict against General Custer and the U.S. Army. Reprint. 15,000 first printing.

**Alien Offensive - Book 2** Marsell Morris 2016-04-19 Humankind's first contact with an intelligent extraterrestrial species was not friendly. Because their star, a dying red dwarf, would soon fail to provide life-supporting warmth, a distant alien species recognized Earth, a planet similar to their world, perfect for their needs. In preparation for the move to Earth, the highly intelligent entities implemented a cleverly devised nanobot attack in an attempt to eradicate all life on Earth. They planned to follow the attack by sending a detachment to terraform the planet and assure all life on Earth was eliminated by the time they arrived. At least that was their plan. Fortunately, they didn't recognize the resolve of the human species to survive. While enlisting the extraordinary talents of a gifted physicist, the first attack was thwarted, but the aliens were not deterred. They had no choice. It was move or perish. With the immediate threat eliminated, Earth's scientist searched for the origin of the sinister nanobots and learned they came from a planet called Gliese 581-d that was more than twenty light-years away. They began to study the giant, water-covered planet and its weak, red dwarf star. A ten year study via the Hubble Space Telescope showed little change, and then one day, scientist were shocked to see a mammoth flotilla of alien spaceships assemble near the distant planet and set out on a course that would bring them to Earth. But, because Gliese 581-d was so far away, the scientist weren't too concerned. Even if the alien ships could travel at light-speed, it was decided it would be over two decades before they arrived. Because Einstein predicted nothing other than a photon can travel at light-speed, a theory later proven with the discovery of the Higgs Field, the flotilla wasn't expected to arrive in this century unless they could construct a stable wormhole, something no one believed they could. However, as a precaution, the world leaders decided to keep a close eye on the mammoth flotilla, code named Target One, and begin working on countermeasures should Target One arrive. They assumed they will have developed more advanced technology, and would be able to repel any future attacks. Should Target One show up in Earth's space earlier than expected, it would be a battle between the might of the greater numbered humans and their determination, against the superior technology of the lesser numbered aliens, and the outcome could not be determined. That was ten years ago, and in episode two, the surveillance continues . . .

*There's a New Dog in Town* Loukia Verhage 2017-02-13 Welcome to the first book in the Love Puppy Chronicles. Elvis is the top dog in the Love Family but all that is about to change.
