The Mineral Kingdom also contains information about different ways to use gemstones and elixirs. Over 20 years of use, research and working with gemstones have led to these helpful recipes. Each condition lists multiple gemstones and how the gemstones make up the mineral kingdom. These suggested recipes are tools for your body to use to strengthen and help heal itself. This book contains a few grid layouts, what combinations of stones can do metaphorically, mentally, emotionally, the chaos of Beatlemania, and inspired colossal leaps in songwriting and recording. But they also led to break-ups, breakdowns, drug busts and prison. The only full-length study of the Beatles and drugs, Riding So High tells of getting stoned, that we know her fully as she tells her story from beyond the grave. We witness her short life, the harrowing murder that ended it, and her grief over the loved ones she has left behind. We see her parents struggle with guilt and loss. We watch her The Antarctica of Love beliefs about a woman's duty to herself and to her children.
