The result is a dramatic and breathtaking single-volume account of the Second World War."

Hegel, an influence each new thinker struggles to escape. As a consequence, Hegel's absolute idealism has become the bogeyman of philosophy, obscuring the fact that he is the defining philosopher of the historical transition to modernity, a period with which our own times share startling similarities. Today, as global capitalism comes apart at the seams, we are entering a new period of transition.

Balancing on an Alp Robert M. Netting 1981-10-30 Walter P. 38 Stéphane Caillieu 2020-06-28 Adopted by the German Wehrmacht at the end of 1939, more than 1.2 million P.38s were manufactured up to 1945. Designed by the Walther company from its civilian model PP, it was the first double-action military pistol. Its robustness and simplicity of manufacture made it a worthy successor to the legendary P.08 Luger in the Second World War. This illustrated book presents the design, manufacturing, and development of the various models, from initial acceptance by the German military in 1938 through their production and use from 1939 to 1945. Details include close-up views of markings and other details, as well as a visual breakdown of the weapon. Accessories such as magazines, ammunition, holsters, and cleaning kits are featured throughout the book, as are rarely seen combat-related uniform and equipment items.

Rebellion. Moodiness. Peer pressure. No parent can be fully prepared for all the challenges associated with adolescence. Fortunately, The Teen Owner’s Manual is here to answer your most pressing questions: How can I teach my teenager to make smart decisions? How do I keep her safe on the Web? How do I get him to communicate? How and when should I talk to her about sex? Whatever your concerns, you’ll find the answers right here courtesy of parenting author Sarah Jordan and adolescent medicine specialist Dr. Janice Hillman.
