Emitting Greatness Sophia Ellison Fall 2007-08 Embracing Greatness: A Guide for Living the Life You Love takes the top off "previously held" beliefs you have about yourself and the world around you. In this book, you'll learn how to uncover the blocks that keep you from expanding your greatness. In the process, you will discover your unique greatness blueprint, and with that knowledge, you will be able to step into your greatness "with no hold barred." You will learn how to recognize and overcome the blocks that prevent you from embracing greatness. In this book, you will learn how to:

Recognize and overcome the blocks that prevent you from embracing greatness. These blocks can be anything from fear of failure, self-doubt, or lack of confidence. By understanding and overcoming these blocks, you can begin to embrace your greatness.

Identify and release limiting beliefs. Limiting beliefs are thoughts or ideas that hold you back from achieving your goals. By identifying and releasing these beliefs, you can make progress towards your greatness.

Create a personal vision for greatness. A personal vision is a picture of what greatness looks like to you. By creating a personal vision, you can focus your efforts on achieving your goals.

Set realistic goals. Setting realistic goals is important for achieving your greatness. By setting realistic goals, you can stay motivated and focused on your path.

Embrace your greatness now. Embracing greatness means taking action towards your goals. By embracing your greatness, you will be able to move forward with confidence.

This book is a guide to help you get started on your journey towards greatness. It provides practical tips and strategies to help you overcome the blocks that prevent you from embracing greatness. It also includes exercises and activities to help you discover and release your limiting beliefs.
