Hormone Repair Manual is a must-have guide to understanding and overcoming the symptoms of perimenopause and menopause. Naturopath Lara Briden, author of the international bestseller Period Repair Manual, has more than 20 years' experience in women's health. Her fresh approach aims to overturn the stigma of perimenopause and menopause and show women that—many symptoms are temporary and manageable—emotional challenges can present an opportunity to thrive—a focus on health during this period can bring benefits for years to come. Addressing common symptoms such as hot flashes, insomnia, mood changes, migraines, weight gain, low libido and heavy periods, Lara offers practical solutions of diet, lifestyle, nutritional supplements and tips for how to speak to your doctor about hormone therapy. The Hormone Repair Manual is backed by evidence-based research and case studies and is a reassuring guide to soothing, nourishing and strengthening your body, mind and spirit during this time of change.
