Beginning early in Mary Tudor's turbulent reign, SISTERS OF TREASON explores the lives of a pair of sisters as dangerously close to the throne as their sister Lady Jane Grey, who died on the executioner's block at the age of 16, after being queen for nine days. Catherine is a young woman driven by a compulsive and ultimately fatal desire to love and be loved. Clever Lady Mary is burdened with a crooked spine and a tiny stature in an age when physical perfection equates to goodness and vice versa.

Both girls have inherited the Tudor blood that is more curse than blessing. It is court painter Levina Teerlinc who helps the girls survive Mary's reign, but when the Queen's sister, the hot-headed Elizabeth, inherits the crown, the world at court becomes increasingly treacherous for the Grey girls. For either girl to marry without the queen's permission would be a potentially fatal political act, perceived as a treasonous grab for the throne, but Elizabeth is unlikely to let either girl ally herself and become an even more dangerous focus for her enemies. Each young woman must decide how far she will go to defy her queen and find the safety and love she longs for“--

Saladin John Man 2016-04-05 In this authoritative biography, historian John Man brings Saladin and his world to life with vivid detail in "a rollicking good story" (Justin Marozzi). Saladin remains one of the most iconic figures of his age. As the man who united the Arabs and saved Islam from Christian crusaders in the twelfth century, he is the Islamic world’s preeminent hero. A ruthless defender of his faith and brilliant leader, he also possessed qualities that won admiration from his Christian foes. But Saladin is far more than a historical hero. Builder, literary patron, and theologian, he is a man for all times, and a symbol of hope for an Arab world once again divided. Centuries after his death, in cities from Damascus to Cairo and beyond, to the Arabian Peninsula and the Gulf, Saladin continues to be an immensely potent symbol of religious and military resistance to the West. He is central to Arab memories, sensibilities, and the ideal of a unified Islamic state. John Man charts Saladin's rise to power, his struggle to unify the warring factions of his faith, and his battles to retake Jerusalem and expel Christian influence from Arab lands. Saladin explores the life and enduring legacy of this champion of Islam while examining his significance for the world today.

Murder List Julie Garwood 2004-08-31 There are
few authors who can weave nail-biting thrills,
edge-of-your-seat drama, and romantic suspense
as masterfully as Julie Garwood. Now she
ratchets up the tension with Murder List, in
which evil is on the hunt– and proves to be
methodically organized and chillingly successful.
When Chicago detective Alec Buchanan is
offered a prime position with the FBI, it is the
perfect opportunity to leave the Windy City and
follow in his brothers’ footsteps to the top
echelons of law enforcement. But first he must
complete one last assignment (and one that he is
not too happy about): acting as a glorified
bodyguard to hotel heiress Regan Hamilton
Madison. The gorgeous exec has become
entangled in some potentially deadly business.
Someone has e-mailed her a graphic crime-scene
photo–and the victim is no stranger. Regan
suspects that the trouble started when she
agreed to help a journalist friend expose a shady
self-help guru who preys on lonely, vulnerable
women. In fact, the smooth-as-an-oil-slick Dr.
Lawrence Shields may be responsible for the
death of one of his devotees, which was ruled a
suicide. Hoping to find some damning evidence,
Regan attends a Shields seminar. At the
gathering, the doctor persuades his guests to
partake in an innocent little “cleansing”
exercise. He asks them to make a list of the
people who have hurt or deceived them over the
years, posing the question: Would your world be
a better place if these people ceased to exist?
Treating the exercise as a game, Regan plays
along. After ten minutes, Shields instructs the
participants to bring their sheets of paper to the
fireplace and throw them into the flames. But Regan misses this part of the program when she exits the room to take a call—and barely escapes a menacing individual in the parking lot. The experience is all but forgotten—until the first person on Regan’s list turns up dead. Shock turns to horror when other bodies from the list start to surface, as a harrowing tango of desire and death is set into motion. Now brutal murders seem to stalk her every move—and a growing attraction to Alec may compromise her safety, while stirring up tender emotions she thought she could no longer feel. Yet as the danger intensifies and a serial killer circles ever closer, Regan must discover who has turned her private revenge fantasies into grisly reality.
