determination of a woman who would not let others destroy her will.

The Last Priestess

Elizabeth Baxter 2013-11-19

How do you save a world that doesn't want saving?

As a priestess in a remote temple, Maegwin thought herself safe from the civil war engulfing Amaury. She was wrong. When soldiers destroy her temple and she kills the perpetrators in a fit of rage, she is sentenced to death. But when she's given a last-minute reprieve from the gallows by an enigmatic stranger, she realizes her goddess has given her a second chance. But not to atone for her crimes. To take revenge. Rovann is the King's Mage. Champion. Leader. The man people look to for succour. And he's heartily sick of it. Plagued by doubts and full of questions, he hopes the woman he saves from a hanging might hold the key to ending this interminable war. But she is not what she seems and Rovann is not

sure he can trust her. With conflicting loyalties and clashing agendas, Maegwin and Rovann find themselves as unlikely allies. But in a battle where failure means annihilation of all they hold dear, can they find a way to trust each other before it's too late? If you love Game of Thrones, The Wheel of Time or The Sword of Truth, you'll love this epic tale of darkness and redemption. Grab your copy today!

Being a half-human half-octopus puts a target on her back—one that earns her almost daily persecution from the “highborn” Nymphs. However, after a brawl with some underwater hooligans, Coral discovers she has access to a rare form of magic that her family had long since tried to bury. Her unwitting display of power in front of a professor from the coveted Ocean Academy earns her an invitation to attend the most prestigious prep school in the ocean. Desperate to change her social status, Coral dives into the opportunity of a lifetime only to discover that magic is hard to master, prejudices run deep, and the powerful prey on the weak. Unwilling to give up or succumb to the pressures of campus life, Coral is convinced the only way she can survive her first year at the Ocean Academy is to unlock the secrets of her past and discover who she was born

to be. But can she uncover the truth before her future is ripped away from her? This omnibus edition includes: - Secrets of the Past (Book 1) - Call of the Siren (Book 2) - Maelstrom (Book 3) This omnibus edition takes you through the first three books of the five book series. Buy the Ocean Academy Omnibus today and immerse yourself in a refreshing innovative addition to the already enormously successful Academy subgenre in YA fantasy.

"Golden Poppy" Elizabeth Vigoureux Imhaus 1915
Sex and the Gender Revolution, Volume 1 Randolph Trumbach 1998-12 A revolution in gender relations occurred in London around 1700, resulting in a sexual system that endured in many aspects until the sexual revolution of the 1960s. For the first time in European history, there emerged three genders: men, women, and a third gender.

Downloaded from
licm.mcgill.ca on
September 27, 2022 by

of adult effeminate sodomites, or homosexuals. This third gender had radical consequences for the sexual lives of most men and women since it promoted an opposing ideal of exclusive heterosexuality. In *Sex and the Gender Revolution*, Randolph Trumbach reconstructs the worlds of eighteenth-century prostitution, illegitimacy, sexual violence, and adultery. In those worlds the majority of men became heterosexuals by avoiding sodomy and sodomite behavior. As men defined themselves more and more as heterosexuals, women generally experienced the new male heterosexuality as its victims. But women—as prostitutes, seduced servants, remarrying widows, and adulterous wives—also pursued passion. The seamy sexual underworld of extramarital behavior was central not only to the sexual lives of men and women, but to the

very existence of marriage, the family, domesticity, and romantic love. London emerges as not only a geographical site but as an actor in its own right, mapping out domains where patriarchy, heterosexuality, domesticity, and female resistance take vivid form in our imaginations and senses. As comprehensive and authoritative as it is eloquent and provocative, this book will become an indispensable study for social and cultural historians and delightful reading for anyone interested in taking a close look at sex and gender in eighteenth-century London. **Parentology** Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: “Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions” (Amy Chua, author of *Battle Hymns of the*

the Tiger Mother). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean

smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time.

Deeply Rooted Sarah Elizabeth Walters 2016
Archaeologists often make limiting operational choices that — though considered and logical — are (sometimes) necessarily selective in nature. One such a priori framework posits that costly paleoethnobotanical recovery and associated analyses are not worthwhile when working in Desalinated

Desalinated from
licm.mcgill.ca on

guest

acidic soils; as dateable organic remains are too rapidly destroyed by inherent chemical and mechanical processes to allow for differential preservation. This research demonstrates that these destructive processes are largely misunderstood. Indeed, the successful collection of significant paleoethnobotanical material is possible from certain types of sandy soils previously thought to be organically sterile. Moreover, such paleoethnobotanical recovery efforts can yield viable, datable material needed to establish an absolute chronology where not otherwise possible. Clovis, Archaic, Woodland, Mississippian, and Historic-aged carbonized plant remains were recovered from the late Quaternary sediments at the Topper Site (38AL23) (a chert-quarry based archaeological site located in South Carolina) and were dated

via Accelerator Mass Spectrometry (AMS). Additional supplementary chemical testing was also undertaken in support of the paleoethnobotanical recovery. The resulting data are shown to: (1) quantify the age of the associated lithic deposits; and (2) independently corroborate Topper's vertical stratigraphic integrity. Too often, the utility of paleoethnobotany is narrowly conceived as only able to address matters of subsistence.

Paleoethnobotanical recovery, however, can address a greater range of questions — the answers to which better inform the largely unresolved debates surrounding the archaeological questions of our time.

When You Reach Me

Rebecca Stead 2009-07-14

"Like A Wrinkle in Time (Miranda's favorite book), When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death,

and the beauty of it all.'"

—The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Harvard University Press

Max Hall 1986 A university press is a curious institution, dedicated to the dissemination of learning yet apart from the academic structure; a publishing firm that is in business, but not to make money; an arm of the university that is frequently misunderstood and occasionally attacked by faculty and

administration. Max Hall here chronicles the early stages and first sixty years of Harvard University Press in a rich and entertaining book that is at once Harvard history, publishing history, printing history, business history, and intellectual history. The tale begins in 1638 when the first printing press arrived in British North America. It became the property of Harvard College and remained so for nearly half a century. Hall sketches the various forerunners of the "real" Harvard University Press, founded in 1913, and then follows the ups and downs of its first six decades, during which the Press published steadily if not always serenely a total of 4,500 books. He describes the directors and others who left their stamp on the Press or guided its fortunes during these years. And he gives the stories behind such enduring works as Lovejoy's Great Chain of Being, Giedion's *Space and*

lost until she comes face to face with a dark-haired merman. She is saved, but the cost is her future. The merman transforms her into a mermaid, with the ability to both sprout fins and walk on land; she now finds herself a captive of the dark merman and flees into the night. When Lissie ends up on a stranded island and meets its sole inhabitant, the handsome and mysterious Patrick, she begins to realize that meeting the dark merman was not a mere twist of fate. But if it was destined, why is Patrick's past entangled with her future? And just what does Patrick have to do with the dark merman who haunts her nightmares...

Text in a Whirlwind J.M. Holmes 2000-05-01 Holmes examines four exegetical devices employed by all sides in the debate on 1 Tim. 2.9-15, proposing that together they create a

'whirlwind' effect which obscures the text's meaning. She concludes that (1) the immediate context is general, not ecclesial; (2) background often reconstructed from passages elsewhere in the Pastorals is misleading; (3) comparison with 1 Cor. 14.34-35 can similarly mislead; and (4) the conjunction *gar* ('for') has been allowed unduly to dominate interpretation. The writer of the letter, it is argued, has been misunderstood since very early in the Christian era, his intention having been simply to moderate women's everyday behaviour in ways that parallel the behaviour he requires of men.

Description and comparison of the characters Michael Henchard and Donald Farfrae in "The Mayor of Casterbridge" Sarah Neubauer 2014-10-28 Essay from the year 2014 in the subject English - Literature, Works, , language: English, abstract: The purpose of

Deposited from
licm.mcgill.ca on

this essay is to examine and to describe the character of Michael Henchard as well as the character of Donald Farfrae. This essay will also try to find out the differences between the two men, in particular as far as their character traits are concerned. The subtitle of the novel suggests that the Mayor of Casterbridge is a 'Man of Character'. A Man of Character' is a person, in this case a man, who has a good character. However, the problem is that the man is not called by his name and there are two different mayors of the town- Michael Henchard and Donald Farfrae. For this reason all the information and details have to be gathered carefully in order to eventually find out to whom of them this term would apply and why.

Sleepwalkers F. P. Dorchak
2002-02-01 Daniel Grants mid-life crisis wasnt at all like the normal, expected thing of a man in his mid-thirties. His had little to do

with his job, his marriage, or any nostalgic ponderings of lost youth. Instead, he questioned the very basis of life itself, of why we were all here, were dreams--his dreams--real, and did humanity dream itself a mass dream? Perhaps most important of all, he wondered who or what beckoned him ever deeper into the surreal world of conscious dreams . . .

Unable to draw a clear line between reality and the imagined, Daniel awakens in the middle of a nocturnal roadtrip, meets up with the mysterious and precocious teenage Maggie-Leigh, and is taught life lessons he considers fantasy. His journey takes him beyond the edges of reality, upsetting the very foundations of life as he knew it. What he finds forever changes how he will live, think, and act--and even how life itself will continue to operate. And this is only the beginning.

The New International Encyclopædia 1925

Race and Racism in Nineteenth-Century Art

Naurice Frank Woods Jr. 2021-07-15 Painters Robert Duncanson (ca. 1821-1872) and Edward Bannister (1828-1901) and sculptor Mary Edmonia Lewis (ca. 1844-1907) each became accomplished African American artists. But as emerging art makers of

color during the antebellum period, they experienced numerous incidents of racism that severely hampered their pursuits of a profession that many in the mainstream considered the highest form of social cultivation. Despite barriers imposed upon them due to their racial inheritance, these artists shared a common cause in demanding acceptance alongside their white contemporaries as capable painters and sculptors on local, regional, and international levels. Author Naurice Frank Woods Jr. provides an in-depth examination of the strategies deployed by Duncanson, Bannister, and Lewis that enabled them not only to overcome prevailing race and gender inequality, but also to achieve a measure of success that eventually placed them in the top rank of nineteenth-century American art.

Unfortunately, the racism that hampered

those who come
licm.mcgill.ca on

artists throughout their careers ultimately denied them their rightful place as significant contributors to the development of American art. Dominant art historians and art critics excluded them in their accounts of the period. In this volume, Woods restores their artistic legacies and redeems their memories, introducing these significant artists to rightful, new audiences.

My Lady Ludlow Elizabeth Cleghorn Gaskell 2006 A captivating tale of an aristocratic lady and her personal development in the face of social and political change. Initially, her deeply-embedded prejudices do not make her receptive to any changes in the existing system. However, her kind heart battles against the rigidity ingrained in her and wins. The book also provides a vivid picture of the political scenario through its glimpses of the French Revolution. Engrossing!

Dark Genius of Wall Street Edward J. Renehan, Jr. 2008-07-31 Though reviled for more than a century as Wall Street's greatest villain, Jay Gould was in fact its most original creative genius. Gould was the robber baron's robber baron, the most astute financial and business strategist of his time and also the most widely hated. In *Dark Genius of Wall Street*, acclaimed biographer Edward J. Renehan, Jr., combines lively anecdotes with the rich social tapestry of the Gilded Age to paint the portrait of the most talented financial buccaneer of his generation-- and one of the inventors of modern business.

Bed Rest Sarah Bilston 2009-10-13 In a charming and witty novel in the tradition of Allison Pearson and Sophie Kinsella, Sarah

Bilston tells the story of a busy career woman who finds her pregnancy a breeze -- until she's ordered off her feet for complete and total bed rest. Quinn "Q" Boothroyd is a young British lawyer married to an American and living in New York City. She's checked off most of the boxes on her "Modern Woman's List of Things to Do Before Hitting 30," and her busy working life has been relatively painless. But when her doctor tells her she must spend the last three months of her pregnancy lying in bed, Q is thrown into a tailspin. Initially bored and frustrated, Q soon fills her days by trying to reconnect with her workaholic husband, provide legal advice for her sweet Greek neighbor, forge new emotional bonds with her mother and sisters, and figure out who will keep her stocked up in cookies and sandwiches. Q experiences adventures on the couch she never would have

encountered in the law firm and learns a lot about herself and what she wants out of life -- above all, about the little one growing inside her.

America by Heart Sarah Palin 2013-07-02 In the fall of 2009, with the publication of her #1 national bestselling memoir, Sarah Palin had the privilege of meeting thousands of everyday Americans on her extraordinary 35-city book tour. Inspired by these encounters, her new book, *America By Heart: Reflections on Family, Faith, and Flag*, celebrates the enduring strengths and virtues that have made this country great. Framed by her strong belief in the importance of family, faith, and patriotism, the book ranges widely over American history, culture, and current affairs, and reflects on the key values—both national and spiritual—that have been such a profound part of

Governor Palin's life and continue to inform her vision of America's future. Written in her own refreshingly candid voice, *America By Heart* will include selections from classic and contemporary readings that have moved her—from the nation's founding documents to great speeches, sermons, letters, literature and poetry, biography, and even some of her favorite songs and movies. Here, too, are portraits of some of the extraordinary men and women she admires and who embody her deep love of country, her strong rootedness in faith, and her profound love and appreciation of family. She will also draw from personal experience to amplify these timely (and timeless) themes—themes that are sure to inspire her numerous fans and readers all across the country.
