Description and comparison of the characters Michael Henchard and Donald Farfrae in "The Mayor of Casterbridge" Sarah Neubauer 2014-10-28 Essay from the year 2014 in the subject English - Literature, Works, , language: English, abstract: The purpose of this essay is to examine and to describe the character of Michael Henchard as well as the character of Donald Farfrae. This essay will also try to find out the differences between the two men, in particular as far as their character traits are concerned. The subtitle of the novel suggests that the Mayor of Casterbridge is a ‘Man of Character’. A Man of Character is a person, in this case a man, who has a good character. However, the problem is that the man is not called by his name and there are two different mayors of the town- Michael Henchard and Donald Farfrae. For this reason all the information and details have to be gathered carefully in order to eventually find out to whom of them this term would apply and why.

The Signal and the Noise Nate Silver 2015-02-03 UPDATED FOR 2020 WITH A NEW PREFACE BY NATE SILVER "One of the more momentous books of the decade." —The New York Times Book Review Nate Silver built an innovative system for predicting baseball performance, predicted the 2008 election within a hair’s breadth, and became a national sensation as a blogger—all by the time he was thirty. He solidified his standing as the nation’s foremost political forecaster with his near perfect prediction of the 2012 election. Silver is the founder and editor in chief of the website FiveThirtyEight. Drawing on his own groundbreaking work, Silver examines the world of prediction, investigating how we can distinguish a true signal from a universe of noisy data. Most predictions fail, often at great cost to society, because most of us have a poor understanding of probability and uncertainty. Both experts and laypeople mistake more confident predictions for more accurate ones. But overconfidence is often the reason for failure. If our appreciation of uncertainty improves, our predictions can get better too. This is the “prediction paradox”: The more humility we have about our ability to make predictions, the more successful we can be in planning for the future. In keeping with his own aim to seek groundbreaking work, Silver examines the world of predictions, investigating how we can distinguish a true signal from a universe of noisy data. Most predictions fail, often at great cost to society, because most of us have a poor understanding of probability and uncertainty. Both experts and laypeople mistake more confident predictions for more accurate ones. But overconfidence is often the reason for failure. If our appreciation of uncertainty improves, our predictions can get better too. This is the “prediction paradox”: The more humility we have about our ability to make predictions, the more successful we can be in planning for the future. In keeping with his own aim to seek
and all hope is lost until she comes face to face with a dark-haired merman. She is saved, but the cost is her future. The merman transforms her into a mermaid, with the ability to both sprout fins and walk on land; she now finds herself captive of the dark merman and flees into the night. When Lissie ends up on a stranded island and meets its sole inhabitant, the handsome and mysterious Patrick, she begins to realize that meeting the dark merman was not a mere twist of fate. But if it was destined, why is Patrick’s past entangled with her future? And just what does Patrick have to do with the dark merman who haunts her nightmares...

Deeply Rooted Sarah Elizabeth Walters 2016

Archaeologists often make limiting operational choices that, though considered and logical — are (sometimes) necessarily a part of the construction of a material framework. These framed constraints are often not well defined, and the results are not always clear cut. The book also provides a vivid picture of the political scenario ingrained in her and wins. The book also provides a vivid picture of the political scenario. However, her kind heart battles against the rigidities of the political system. Moreover, such paleoethnobotanical recovery efforts can yield viable, datable material needed to establish an absolute chronology where not otherwise possible. Clovis, Archaic, Woodland, Mississippian, and Historic-aged carbonized plant remains were recovered from the late Quaternary sediments at the Topper Site (38AL23) (a chert-quarry based archaeological site located in South Carolina) and were dated via Accelerator Mass Spectrometry (AMS). Additional supplementary chemical testing was also undertaken in support of the paleoethnobotanical recovery. The resulting data are shown to: (1) quantify the age of the associated lithic deposits; and (2) independently corroborate Topper’s vertical stratigraphic integrity. Too often, the utility of paleoethnobotany is narrowly conceived as only able to address matters of subsistence. Paleoethnobotanical recovery, however, can address a greater range of questions — the answers to which better inform the largely unresolved debates surrounding the archaeological questions of our time.

My Lady Ludlow Elizabeth Cleghorn Gaskell 2006

A captivating tale of an aristocratic lady and her personal development in the face of social and political change. Initially, her deeply-embedded prejudices do not make her receptive to any changes in the existing system. However, her kind heart battles against the rigidity ingrained in her and wins. The book also provides a vivid picture of the political scenario through its glimpses of the French Revolution. Engrossing!

Doukakis’s Apprentice Sarah Morgan 2015

A captivating tale of an aristocratic lady and her personal development in the face of social and political change. Initially, her deeply-embedded prejudices do not make her receptive to any changes in the existing system. However, her kind heart battles against the rigidity ingrained in her and wins. The book also provides a vivid picture of the political scenario. Engrossing!

Doukakis’s Apprentice Sarah Morgan 2015-08-17 Wanted: working apprentice to handle incorrugable, womanizing (but incredibly sexy) tycoon. Damon Doukakis has just hired his latest assistant. This ruthlessly driven billionaire has such devastating good looks that he proves impossible to resist. So much so that secretary after secretary has lost her head...then her heart...and then her job! Polly Prince is determined to make a lasting success of her new position—even if it does end up being far more compromising than she could ever have imagined! Because it’s not long before Damon has whisked her off to help broker an all-important deal in Paris—where he learns that her workaholic boss can put pleasure before business...

Truman David McCullough 2003-08-20

The Pulitzer Prize-winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War, told by America’s beloved and distinguished historian. The life of Harry S. Truman is one of the greatest of American stories, filled with vivid characters—Roosevelt, Churchill, Stalin, Eleanor Roosevelt, Bess Wallace Truman, General Marshall, Joe McCarthy, and Dean Acheson—and dramatic events. This riveting biography, acclaimed historian David McCullough not only captures the man—a more complex, informed, and determined man than ever before imagined—but also the turbulent times in which he rose, boldly, to meet unprecedented challenges. The last president to serve as a living link between the nineteenth and the twentieth centuries, Truman’s story spans the raw world of the Missouri frontier, World War I, the powerful Pendergast machine of Kansas City, the legendary Whistle-Stop Campaign of 1948, and the decision to drop the atomic bomb, confront Stalin at Potsdam, send troops to Korea, and fire General MacArthur. Drawing on newly discovered archival material and extensive interviews with Truman’s own family, friends, and Washington colleagues, McCullough tells the deeply moving story of the seemingly ordinary “man from Missouri” who was perhaps the most courageous president in our history.
double meaning. But in the spirit of the season, she'll welcome this admittedly handsome viscount into her home. But as the snowstorm rages, the Yule log crackles, and the tension rises, Sarah and Adam find themselves locked in a fiery, passionate kiss. If love is the true meaning of Christmas, it's the one gift this mismatched pair can't wait to unwrap.

The Lies of Locke Lamora Scott Lynch 2006-06-27

"Remarkable . . . Scott Lynch's first novel, The Lies of Locke Lamora, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining."—The Times (London) An orphan's life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the tutelage of the band of light-fingered brothers known as the Gentleman Bastards. Locke is soon infamous, fooling even the underworld’s most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying. Praise for The Lies of Locke Lamora "Fresh, original, and engrossing . . . gorgeously rendered"—New York Times Book Review Once an orphan, the young Nymphs. However, after a brawl with some underwater hooligans, Coral discovers she was born to be. But can she uncover the truth before her future is ripped away from her? This omnibus edition includes Books 1–3 in the Ocean Academy series, plus a novella from the Ocean Academy Years 1 to 3. The Congregationalist and Christian World 1905

Ocean Academy Years 1 to 3 Sarah Elizabeth 2022-01-29

This omnibus edition includes Books 1–3 in the Ocean Academy series, plus a novella from the Ocean Academy universe. With nearly 1,000 pages to read, this compendium will keep you enthralled on a fantastical journey under the sea! Coral’s life on the ocean floor is a lonely one. Being a half-human, half-octopus puts a target on her back—one that earns her almost daily persecution from the “highborn” Nymphs. However, after a brawl with some underwater hooligans, Coral discovers she has access to a rare form of magic that her family had long since tried to bury. Her unwitting display of power in front of a professor from the coveted Ocean Academy earns her an invitation to attend the most prestigious prep school in the ocean. Desperate to change her social status, Coral grasps the opportunity of a lifetime only to discover that magic is hard to master, prejudices run deep, and the powerful prey on the weak. Unwilling to give up or succumb to the pressures of campus life, Coral is convinced the only way she can survive her first year at the Ocean Academy is to unlock the secrets of her past and discover who she was born to be. But can she uncover the truth before her future is ripped away from her? This omnibus edition includes: - Secrets of the Past (Book 1) - Call of the Siren (Book 2) - Maelstrom (Book 3) This omnibus edition brings together the first three books of the five book series. Buy the Ocean Academy Omnibus today and immerse yourself in a refreshing innovative addition to the already enormously successful Academy subgenre in YA fantasy.

America by Heart Sarah Palin 2010-11-23

In the fall of 2009, with the publication of her #1 national bestseller memoir, Sarah Palin had the privilege of meeting thousands of everyday Americans on her extraordinary 35-city book tour. Inspired by these encounters, her new book, America By Heart: Reflections on Family, Faith, and Flag, celebrates the enduring strengths and virtues that have made this country great. Framed by her strong belief in the importance of family, faith, and patriotism, the book ranges widely over American history, culture, and current affairs, and reflects on the key values—both national and spiritual—that have been such a profound part of Governor Palin’s life and continue to inform her vision of America’s future. Written in her own refreshingly candid voice, America By Heart will include selections from classic and contemporary writings that have moved her—from the nation’s founding documents to great speeches, sermons, letters, literature and poetry, biography, and even some of her favorite songs and movies. Here, too, are portraits of some of the extraordinary men and women she admires and who embody her deep love of country, her strong rootedness in faith, and her profound love and appreciation of family. She will also draw from personal experiences to amplify these timely (and timeless) themes—themes that are sure to inspire her numerous fans and readers all across this great country.

Misjudged W. Heimburg 1891

Plus One Elizabeth Fama 2014-04-08

Divided by day and night and on the run from authorities, star-crossed young lovers unearth a sinister conspiracy in this compelling romantic thriller. Seventeen-year-old Soleil Le Coeur is a Smudge—a night dweller prohibited by law from going out during the day. When she makes an enemy in order to get access to and kidnap her newborn niece—a day dweller, or Ray—she sets in motion a fast-paced adventure that will bring her into conflict with the powerful lawmakers who order her world, and draw her together with the boy she was destined to fall in love with, but who is also a Ray. Set in a vivid alternate reality and peopled with complex, deeply human characters on both sides of the day-night divide, Elizabeth Fama’s Plus One is a brilliantly imagined drama of individual liberty and civil rights, and a fast-paced romantic adventure story.

Golden Poppy Elizabeth Vigoureux Imhaus 1915

The New International Encyclopaedia 1925

Aspectuality Sarah Dessi Schmid 2019-11-16

This synchronic study presents a new onomasiological, frame-theoretical model for the description, classification and theoretical analysis of the cross-linguistic content category aspectuality. It deals specifically with those pieces of information, which, in their interplay, constitute the asceptual value of states of affairs. The focus is on Romance Languages, although the model can be applied just as well to other languages, in that it is underpinned by a principle grounded in a fundamental cognitive ability: the delimitation principle. Unlike traditional approaches, which generally have a semasiological orientation and strictly adhere to a semantic differentiation between grammatical aspect and lexical aspect (Aktionsart), this study makes no such differentiation and understands these as merely different formal realisations of one and the same content category: aspectuality.

The New International Encyclopaedia 1906

The Last Priestess Elizabeth Baxter 2013-11-19

How do you save a world that doesn’t want saving? As a priestess in a remote temple, Maegwin thought herself safe from the civil wars that had consumed the world. She was wrong. When soldiers destroy her temple and she kills the perpetrators in a fit of rage, she is sentenced to death. But when she’s given a last-minute reprieve from the gallows by an enigmatic stranger, she realizes her goddess has given her a second chance. But not to atone
for her crimes. To take revenge. Rovann is the King's Mage. Champion. Leader. The man people look to for succour. And he's heartily sick of it. Plagued by doubts and full of questions, he hopes the woman he saves from a hanging might hold the key to ending this interminable war. But she is not what she seems and Rovann is not sure he can trust her. With conflicting loyalties and clashing agendas, Maegwin and Rovann find themselves as unlikely allies. But in a battle where failure means annihilation of all they hold dear, can they find a way to trust each other before it's too late? If you love Game of Thrones, The Wheel of Time or The Sword of Truth, you'll love this epic tale of darkness and redemption. Grab your copy today! Here Be Dragons  Sharon Kay Penman 2008-05-27 Thirteenth-century Wales is a divided country, ever at the mercy of England's ruthless, power-hungry King John. Llewelyn, Prince of North Wales, secures an uneasy truce by marrying the English king's beloved illegitimate daughter, Joanna, who slowly grows to love her charismatic and courageous husband. But as John's attentions turn again and again to subduing Wales---and Llewelyn---she must decide between love and loyalties truly alive. The turbulent clashes of two disparate worlds and the destinies of the individuals caught between them spring to life in this magnificent novel of power and passion, loyalty and lies. The book that began the trilogy that includes Falls the Shadow and The Reckoning, Here Be Dragons brings thirteenth-century England, France, and Wales to tangled, tempestuous life.

On Sudden Hill Linda Sarah 2014-08-28 Birt and Etho are best friends, they play on Sudden Hill, making marvellous contraptions out of cardboard boxes. But then a new boy, Shu, wants to join in too. Birt isn't sure that he wants Shu to join them. Eaten up with jealousy, he goes home and refuses to come out to play. Also by Linda Sarah: The Secret Sky Garden, illustrated by Fiona Lumbers Tom's Magnificent Machines, illustrated by Ben Mantle Also by Benji Davies: The Storm Whale Grandad's Island The Storm Whale in Winter Grandma Bird

Sleepwalkers  F. P. Dorchak  2002-02-01 Daniel Grants mid-life crisis wasnt at all like the normal, expected thing of a man in his mid-thirties. His had little to do with his job, his marriage, or any nostalgic ponderings of lost youth. Instead, he questioned the very basis of life itself, of why we were all here, were dreams-his dreams-real, and did humanity dream itself a mass dream? Perhaps most important of all, he wondered who or what beckoned him ever deeper into the surreal world of consciousness-expanding. Unable to decide between reality and the imagined, Daniel awakens in the middle of a nocturnal roadtrip, meets up with the mysterious and precocious teenage Maggie-Leigh, and is taught life lessons he considers fantasy. His journey takes him beyond the edges of reality, upsetting the very foundations of life as he knew it. What he finds forever changes how he will live, think, and act--and even how life itself will continue to operate. And this is only the beginning. "If ever there was a truly suspenseful, real-yet-mysterious-and-complicated account of the kinds of unknown, psychic and psychological ingredients of our lives, this is it! F. P. Dorchak creates for us a most intriguing, interwoven and provocative account of our lifetime challenges in his Sleepwalkers, and I'm pleased to note this book is just the beginning of his published insights into the great probable mysteries of life, as we seek to explore and understand them. What challenges he creates, in this brilliant journey into those sleeping and awake questions we all have. Way to go, Frank!" Rob Butts "The trek with Daniel Grant into and through the fifth dimension of his dream universe, and back again, is colorful, fascinating, and fun... its almost like taking college metaphysics and philosophy all over again--except its easier to understand this "time" around, and a lot more exciting." Madelon Rose Lague Editor/publisher, The Black Sheep: a Seth/Jane Roberts Fanzine "Sleepwalkers is exciting, moving, and consciousness-expanding. A wonderful read... I couldn't put the book down!" Ute Kaboolian Writer/Poet; "Always One," and "Sound of The Siren" In SLEEPWALKERS, for Dormer, Grandad's Island "I think of an eternal world filled with surprises and thought-provoking ideas." Deb Stover Award-winning author of A Moment In Time "If metaphysical fiction ever attains the acceptance and respect of general fiction, it will be because of writers like F. P. Dorchak. He has a gift for balancing rarefied metaphysical concepts with down-to-earth narrative, and characters with real desires and concerns. Sleepwalkers is gritty and provocative, yet its believable portrayal of the spiritual dynamics beyond life situates the reader within a lightness and integration. Frank writes for the whole person!" Joe Reininger McKinzie-White Bookshop Colorado Springs, CO

The Sanatorium Sarah Pearse 2022-01-11 REESE'S BOOK CLUB PICK | A New York Times bestseller! "An eerie, atmospheric novel that had me completely on the edge of my seat." —Reese Witherspoon "This spine-tingling, atmospheric thriller has it all... and twists you'll never see coming." —Richard Osman, New York Times bestselling author of The Thursday Murder Club Sarah Pearse's next book, The Retreat, is forthcoming. You won't want to leave. . . until you can't. Half-hidden by forest and overshadowed by threatening peaks, Le Sommet has always been a sinister place. Long plagued by troubling rumors, the former abandoned sanatorium has since been renovated into a five-star minimalist hotel. An imposing, isolated getaway spot high up in the Swiss Alps is the last place Elin Warner wants to be. But Elin's taken time off from her job as a detective, so when her estranged brother, Isaac, and his fiancée, Laure, invite her to celebrate her job as a detective, so when her estranged brother, Isaac, and his fiancée, Laure, invite her to celebrate her job as a detective, so when her estranged brother, Isaac, and his fiancée, Laure, invite her to celebrate their engagement at the hotel, Elin really has no reason not to accept. Arriving in the midst of a threatening storm, Elin immediately feels on edge—there's something about the hotel that makes her nervous. And when they wake the following morning to discover Laure is missing, Elin must trust her instincts if they hope to find her. With the storm closing off all access to the hotel, the longer Laure stays missing, the more the remaining guests start to panic. Elin is under pressure to find Laure, but no one has realized yet that another woman has gone missing. And she's the only one who could have warned them just how much danger they are all in... "The Sanatorium" wins the 2023 Romance Novel of the Year: An "original and captivating" story of a self-made millionaire, a socialistite, and an unlikely partnership (Publishers Weekly, starred review). New York City's Gilded Age shimmers with unimaginable wealth and glittering power. The men of the Knickerbocker Club know this more than anyone else. But for one millionaire, the business of love is not what he expected... Born in the slums of Five Points, Emmett Cavanaugh climbed his way to the top of a booming steel empire and now holds court in an opulent Fifth Avenue mansion. His rise in stations, however, has done little to elevate his taste in women. He loathes the city's high-society types—but a rebellious and beautiful blue-blood just might change all that. Elizabeth Sloane's mind is on more than the latest parlor room gossip. Lizzie can play the Stock Exchange as deftly as New
York's most accomplished brokers—but she needs a man to put her skills to use. Emmett reluctantly agrees when the stunning socialite asks him to back her trades and split the profits. But love and business make strange bedfellows, and as their fragile partnership begins to crack, they'll discover a passion more frenzied than the trading room floor. "A beautiful romance."—The Washington Post "A tremendously entertaining romance—sexy and clever—set in an era the genre has been waiting for."—Sarah MacLean, New York Times-bestselling author of The Season "Readers will enjoy this entertaining romance about two people who refuse to let society dictate whom they love."—Kirkus Reviews A Publishers Weekly Best Book of the Year Winner, RT Book Reviews Seal of Excellence

.......................................... Victoria and Owen are bitter rivals. Nora and Luke are friends online. Who would believe these two couples have anything in common? Of all the decisions brilliant lawyer Victoria Clemenceaux has made in her life, an unforgettable one-night stand with her opposing counsel Owen Pohl is either the worst...or the best. One thing is certain: these long-standing rivals aren't going to let their searing attraction stop them from winning the biggest case of their careers. Thankfully Victoria and Owen have someone to vent to about their nemesis. But they have no idea that their online 'friends', Nora and Luke, are the very people they hate in real life. As Nora and Luke grow closer online, and Victoria and Owen find their undeniable attraction harder to resist, the lines between love and hate blur. When the truth comes out, will their online chemistry work in the real world, or will their long-standing rivalry sever their connection?

.......................................... Raves for I Love You, I Hate You! 'This book made my heart sing... There's such tenderness and passion and LIFE... Go buy this book immediately!' Monthly Echo of the Original 5 Points Mission 1904

Dark Genius of Wall Street Edward J. Rennahan, Jr. 2008-07-31 Though reviled for more than a century as Wall Street's greatest villain, Jay Gould was in fact its most original creative genius. Gould was the robber baron's robber baron, the most astute financial and business strategist of his time and also the most widely hated. In Dark Genius of Wall Street, acclaimed biographer Edward J. Rennahan, Jr., combines lively anecdotes with the rich social tapestry of the Gilded Age to paint the portrait of the most talented financial buccaneer of his generation-- and one of the inventors of modern business.
